If you have Catarrhal Deafness or head noises go to your druggist and get 1 ounce of Parmint (double strength), and add to it is pint of hot water and 4 ounces of granulated sugar. Take 1 tablespoonful four times a day.

Everybody needs a strengthening, purifying tonic just at this season of the year, when the demands of nature in renovating the system are so severe that a breakdown is the result with many people. Impurities that have been accumulating all winter must now be gotten rid of, as Spring is the time set apart by nature for a general "house-cleaning" within. It is necessary that this cleansing process take place in order to strengthen the system and prepare it for the trying season of hot weather, when sickness is so abundant. This task can not be accomplished without the assistance of a cleansing, healthrenewing medicine, and for this purpose S. S. S. stands out alone, without an equal. It purifies the blood, improves the appetite, builds up and strengthens, gives a ruddy, healthy complexion, removing all pimples and blotches, and so, tones up and imparts new life and energy to the entire system.

Your letter at hand, and will say that your S. S. S. remedy is what we needed. It cured our girl of Rheumatism. She is well and healthy; used nine bottles of S. S. remedy.

We keep it in our house. We would not be without the recipe that we received. It is the best linkness we seer have used for pain.

PURELY VEGETABLE

You will observe Mr. Manson's letter above tells how he was put on his feet twenty years ago by S. S. S., and has not been sick for any length of time since. S. S. S. has been putting people on their feet for the past fifty years. It takes but a moment's thought to show why S. S. S. is the best tonic and system-builder. Mercury and iodide of potash, arsenic and sulphur, the most harmful of minerals, are the basis of nearly all blood medicines. These drugs, as every chemist knows, tear down and impoverish the system. S. S. S. is guaranteed purely vegetable; every ingredient of which it is made is gathered in nature's forests.

Purify and cleanse the blood, but be fair to yourself, and get the best purifier. The best is S. S. S.
