RAIL BOARD HAS HEARINGS AHEAD

Secretary Browne Divulges Some of the Date of the Com-

RALSTON COMPLAINT COMES UP

(From a Staff Correspondent.) Lincoln, Jun 10 .- (Special.) -- Secretary Thorne Brown of the State Rail-

way commission laid aside the laborious duties of his office a short time this morning and gave the newspapers a few things which his hired men had turned over to his care and disposal. Being a newspaper man of long

Being a newspaper man of long standing and more or less national repute Colonel Browne delights in helping his tess-favored brothers who have hopes that sometime they too may fall into a job where the salary, is more than \$10 a week and gives them the dope so that it has an offi-cial standing.

is more than \$10 a week and gives them the dope so that it has an official standing.

There will be a hearing at Antioch in which Commissioner Hall will have the supervision on June 23, if no other date is made, and Mr. Hall will then proceed to Irwin, both on the Burlington railroad, where the proposition is up for the building of a depot to take the place of the box cars now used, which are somewhat out of date as modern structures of depot design.

Commissioner Henry Clarke will hold a hearing at Rasiston, near Omaha, on June 23. This is also a matter covering depotp roblems. The people of that town are objecting to the present station and its location on the Missouri Pacific, because it is out of date and also out of town. They desire that the railroad company change the depot to a more convenient location on the main street. The railroad company claims that most of the people of Ralston use the street car line in going to Omaha and that there is not sufficient traffic to warrant the change.

Several large companies handling dairy products have notified the commission that they intend to intervene in the complaint made by the Nebrasia State Railway commission to the Interstate Commerce commission to the Interstate Commerce commission on the rate charges on dairy products

ha State Railway commission to the Interstate Commerce commission on the rate charges on dairy products wherein the roads are contemplating a raise in rates. Among the Nebraska companies so notifying the commission are the York Produce company, Pairmont Creamery company of Omaha, Beatrine Cold Storage company, S. E. Hackman & Co. of Holdrege and the Beatrice Commercial club.

club.

Farmer subscribers of the Cedar County Telephone company have resisted a raise in rates made by that company, which covers farm phones, to the amount of 25 cents. The company is located at Hartington and at a recent meeting there the stockholders took up the matter. It is alleged that the farmers do not so much object to the raise as they do to the fact that the resident phones in town were not raised. It is said that they will be satisfied if the town phones are raised to the same price as the farm phones.

Omaha Commission Man With Victim of Fatal Auto Accident

Butte, Neb., June 10.—(Special Telegram.)—C. A. Youll, an old resi-dent of Boyd county, was killed this morning at 10 o'clock by the overturnmorning at 10 o'clock by the overturning of his auto. He was accompanied by Reginald F. Marcy of the commission firm of Farris, Purinton & Marcy of Omaha. Youll attempted to cross a gulch about seven miles northwest of town across which a new grade had just been built. He tried to make the hill once after crossing the grade but failed. Marcy then got out and Youll backed across the grade and tried to run up the hill, but his wheels struck soft dirt and the car went over pinning Youll underneath in two feet of water.

of water.

Marcy made desperate efforts to turn the car, but could do nothing. He then went for help and with others got the body out. There was a deep cut on the head and the neck was broken. Even if he had been otherwise uninjured he would have drowned, as the car held him entirely under water. He leaves a wife, two sons and two daughters.

Man Hit by Train And Thrown Against Car Little Injured

North Platte, Neb., June 10.—(Special.)—Joe Wayman, Union Pacific special agent, narrowly escaped death or permanent injury when he was struck by a westbound passenger train struck by a westbound passenger train in the railroad yards here, tossed, much in the manner of a foot ball, against a box car attached to an east-bound freight train and dropping to the ground between the tracks lay still until the two trains had passed. He was hurried to a physician's office, where an examination showed that, although severely bruised, no bones had been broken, and there were no indications of internal injuries. Railroad men here declare the accident to be the most peculiar in the annals of railway history.

Johnson County Commencement.

Tecumseh, Neb., June 10.-(Special.)-County Superintendent L. C. Kuster announces that sixty-three Johnson county boys have passed the eighth grade examinations. This is a comparatively small class. Commencement exercises will be held in Tecumseh on Saturday afternoon, June 17, with Chancellor C. A. Fulmer of Wesleyan university as the speaker.

Dies of Appendicitis.

Fremont, Neb., June 10.—(Special.)

B. I. Johnson, the Northwestern operator, who was found lying ill on the floor of the station at East End a week ago, died at a local hospital following an operation for appendicitis. Mr. Johnson was 32 years of age and had been in Frentont for three years. The body was shipped to Trento, Mo., his old home, for burial.

Want Ads never shirk their work-they will get results, if anything will.
