Do I get "value received" when I have my clothes cleaned?
You do at The Pantorium.
It is not a question with us of how much we can make on each job, but how good can we do each job?
We often clean garments that cost us much more to do than we get for that particular job, but that makes no difference to us—we want you to come back, and back and back.
We have many customers who have been with us since we started—over eighteen years ago—and hundreds who have been on our books more than ten years. The best of work, fair prices and fair treatment hold us together.
