Justice Hughes Visited Lincoln During Campaign Eight Years Ago

JUSTICE HUGHES AND CHANCELLOR ANDREWS IN CARRIAGE AT LINCOLN.—From Photo Made in 1908.

"During the presidential campaign of 1908 I was staff photographer on the Daily Star at Lincoln," says J. F. Lewis of Sidney, Ia. "Lincoln being the home of W. J. Bryan was of course the Mecca for all good and great democrats, and I photographed nearly all of them—governors, senators, congressmen, the national committee, and lesser lights. Many of the leading republicans also appeared in Lincoln at that time—Taft, Hughes, Cummins, Beveridge and others. The accompanying photograph of Judge Hughes was taken at the Burlington station in Lincoln. He is sitting in a carriage beside

Chancellor E. Benjamin Andrews of the Nebraska state university.

Judge Hughes was a student at Brown university when Dr. Andrews was at the head of that institution.

The coming of Governor Hughes was a great event in Lincoln. He was recognized as the peer of any of the great ones who visited the city that year. Hughes would smile and appeared quite lively and genial, though as a genuine past master in the art of smiling he doesn't belong in the same class with Bryan, Taft or Billy Sunday. Hughes' whiskers were black in 1908. In his late pictures they look gray."

Jubilee Meeting Of Sunday School Workers in Omaha

Falls City, Neb., June 22.—(Special Telegram.)—On the closing day of the state Sunday school convention conferences of the department workers at the Methodist and Christian churches and at the auditorium simultaneously took the entire morning period.

At the joint meeting at the auditorium in the afternoon it was announced that of the four cities wanting the convention for 1917 the committee decided that as Omaha was the birthplace of the Nebraska Sunday school convention forty-nine years ago, it was a fitting place to hold the golden jubilee there next year.

The nominating committee named as president J. S. Dick of Crete; vice president, E. Lomax of Broken Bow; recording secretary, E. R. Mathers, Falls City; L. C. Oberlies of Lincoln, treasurer, and these were unanimously chosen.

The flags will be awarded tonight, with Richardson county in the lead for honors, it having completed the jubilee one year in advance.

William A. Brown of Chicago, missionary superintendent of the international work, made the farewell address of the convention, which closed one of the most enthusiastic and spirited conventions held, with an attendance which reached 1,684 delegates. The teachers' training alliance held a banquet at Central cafe, with 100 members present. William Brown of Chicago was toastmaster.

Cocoanut Oil Fine For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle and is very harmful. Just plain multifid cocoanut oil (which is pure and entirely greaseless) is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonful will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get multifid cocoanut oil at most any drug store. It is very cheap and a few ounces is enough to last everyone in the family for months.—Advertisement.

TO END CATARRHAL DEAFNESS AND HEAD NOISES

If you have Catarrhal Deafness or head noises go to your druggist and get 1 ounce of Farnam's (double strength), and add to it 1/2 pint of hot water and 4 ounces of granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Cleared nostrils should open, breathing becomes easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial.

REPUBLICAN STATE COMMITTEE MEETS

Members Who Gather at Lincoln Are Enthusiastic Over Outlook for Successful Campaign.

HUGHES SENTIMENT GROWING

(From a Staff Correspondent.)

Lincoln, Neb., June 22.—(Special Telegram.)—It appears to be the opinion of many of the committee members attending the republican state committee meeting who had reached Lincoln before noon that the campaign should be carried out this year on the broad plan of a fight all along the line for the whole ticket on the platform laid down by the national and state conventions. Each member reported good crops, lots of republicans and a general Hughes sentiment.

Among the arrival were Chairman McNish of the committee, National Committeeman Howell, Victor Rosewater, editor of The Bee; John L. Kennedy, candidate for the United States senate; A. L. Sutton, candidate for governor; H. P. Shumway, candidate for lieutenant governor; W. H. Warner, candidate for congress, Third district; Dr. Jenison, Harvard; Charles McGrew, Omaha; Eugene Westerfield, Scott's Bluff; A. Galusha, McCook, and Joseph Martin, South Omaha.

The republican state committee after a short session adjourned on account of the funeral of Charles Hammond, father-in-law of Chairman McNish. Another session was held at 8 o'clock tonight. All the business before the committee was to issue the call for the state platform convention fixed by-law for the last Tuesday in July. The location will probably be at Lincoln.

TO INVESTIGATE WOMAN'S SUICIDE

Viola Holman Engages Room at Downtown Hotel and Drinks Vial of Poison.

INQUEST THIS MORNING

(From a Staff Correspondent.)

An investigation to ascertain, if possible, the cause or causes which prompted the act of Viola Holman, 19 years old, who took her own life yesterday afternoon by drinking a vial of poison in a room at the Henshaw hotel, will be made. The testimony at the inquest this morning is expected to throw some light on the causes back of the young woman's suicide.

The Holman woman walked up to the desk at the hotel shortly after noon and asked for a room, registering under her right name. She was assigned to a room on the third floor. Both the bell boys, who showed her to the room, and the elevator operator noticed her strange actions. She was weeping as she stepped from the elevator.

A few minutes after the young woman entered the room an employe of the hotel, who was passing down the hall, heard groans and, upon investigating, found her lying on the floor. She died soon afterwards. The poison which she drank was purchased at a nearby pharmacy.

Formerly of La Platte, Neb.

Previous to coming to Omaha two years ago the young woman lived at La Platte, Neb. She was a stenographer in the employ of Dr. N. L. Criss, who has offices in the City National bank building. Her last known address was 601 Fair avenue. There have been two theories ad-

Indigestion—Bad Breath, Sour Stomach.

If you suffer any of these take a dose of Dr. King's New Life Pills tonight. Only 25c. All druggists.—Advertisement.

Cleveland, Ohio.

"For years I suffered so sometimes it seemed as though I could not stand it any longer. It was all in my lower organs. At times I could hardly walk, for if I stepped on a little stone I would almost faint. One day I did faint and my husband was a sent for and the doctor came. I was taken to the hospital and stayed four weeks but when I came home I would faint just the same and had the same pains.

A friend who is a nurse said for me to try Lydia E. Pinkham's Vegetable Compound.

I began taking it that very day for I was suffering a great deal. It has already done me more good than the hospital. To anyone who is suffering as I was my advice is to stop in the first drug-store and get a bottle of Lydia E. Pinkham's Vegetable Compound before you go home."—Mrs. W. C.
