Mrs. J. A. Spencer was injured in an automobile accident west of Barneston Sunday night when the auto in which she and her husband were riding crashed into a buggy. She was thrown down in the car in such a way to injure her about the head, but it is thought not seriously. The auto and buggy were pretty badly smashed.

Mrs. John Mathias, a pioneer resident of the Liberty vicinity, died Sunday night after an illness of two weeks. She is survived by her husband and three children.

County Values Are Upon the Increase

(From a Staff Correspondent.)

Lincoln, June 27.—(Special.)—If the increase in valuation reported by the nine counties reporting to the secretary of the State Board of Equalization continues it is possible that the valuation of the state may be increased over \$25,000,000. This would mean that the real valuation would be increased over \$125,000,000.

The state board recently increased the railroad valuation about 3 per cent. The present showing so far would indicate the increase in other property about three times that amount.

The counties reporting showed as follows:

	1915	Increase
Chase	\$1,210,434	\$ 171,256
Cuming	8,622,161	608,622
Dundy	1,732,064	608,697
Fillmore	7,340,096	110,223
Harlan	3,421,772	109,515
Kearney	4,453,591	221,142
Logan	9,581,156	9,581
Perkins	1,547,819	236,610
Sioux	1,730,560	71,444
Total	\$31,010,997	\$1,090,617

Big Crowd Greet Steppers as They Race at Aurora

Aurora, Neb., June 27.—(Special.)—Twenty-five hundred people turned out here today for the first day's program of the Nebraska Midway Racing circuit meeting—a program that offered the classiest brand of harness racing ever seen on the local track. Interest in the races was heightened by the presence of prominent horsemen from all over the state and the fact that 125 horses are quartered at the local plant.

The program was marred by a slight injury to Babe King, the world's fastest pacing pony, who went an exhibition mile and then stepped the last one-eighth against time. One of the shafts of the sulky broke, the pony being scratched in the spill. Babe King, however, was only slightly injured and will be seen on the track during the other two days of the meeting.

The feature race on the first day's card was the 2:11 pace, won by Sir Lahn, Owens up. Josie Knight, Dennis up, paced out a second, with third honors going to M. T. Johnson up. Time: 2:13, 2:12½ and 2:13.

The other races follow: Trotting, 2:13 class: The Frisco (Lance), won; California B. (Boasley), second; Forest Ringer (Forrest), third. Time: 2:17½, 2:18, 2:19.

Trotting, 3-year-olds: Vera Tramp (Forrest), won; Mart Meyers (Thomas), second; Clarence Collins (Butterfield), third. Time: 2:19, 2:20, 2:22.

The track was in good condition and barring and rain tonight, should be unusually fast tomorrow.

F. D. Van Felt, starter, proved popular with the crowd and kept the reinsmen on the job.

A large collection was taken for missionary work.

Be Careful in Using Soap on Your Hair

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain multi-sifted coconut oil, for it is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in; about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy, and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.—Adv.

TEARS OF MOTHER ARE OF NO AVAIL

Even Permission of Governor of State Fails to Restore Lad To His Home.

UP TO SECRETARY OF WAR

A mother's tears avail nothing to get her son released from the army after his company has been sworn in. And the governor of the state has no power to release him.

This was discovered by Herbert Gunner, 2324 A street, South Side.

Gunner went to Lincoln with Company B, Fourth regiment. But his mother wanted him to stay at home. He is not of age and his father, a postoffice clerk, is a semi-invalid.

His mother took a letter from Postmaster Wharton explaining the circumstances and went to Lincoln. She saw Governor Morehead and the governor endorsed the letter with the statement that young Gunner should be excused. Then the mother went to the camp and secured the consent of Captain Hamilton and First Lieutenant C. A. Rusland. She brought her son home with her.

Orders for Arrest.

Monday evening Sergeant Julius Festner appeared at the Gunner home with military orders to arrest Gunner.

The captain had discovered after Gunner left the camp that he could not be excused even by the governor for the reason that the company had already been sworn into the United States service.

As there was no train to Lincoln before Tuesday morning, Festner consented to leave the boy at home on his promise to appear at the station for the morning train to Lincoln. He failed to appear.

Up to Secretary of War.

The sergeant then proceeded to the postoffice, where he saw his father. The postmaster telephoned to Adjutant General Hall at Lincoln, but was informed that nothing could be done by anybody except the secretary of war.

The sergeant was assured then that young Gunner would be at the station to go back with him on the 2 o'clock train. He was there. It is believed there will be no difficulty in getting his release as soon as the secretary of war can be heard from.

Gutzon Borglum Will Not Come to Omaha at This Time

Gutzon Borglum of New York, noted sculptor and former Omahan, who was expected in Omaha for the marriage of his favorite niece, Miss Ida Darlow, and Mr. Floyd Burdick, has wired that he is unable to come. Mr. Borglum was to give his niece in marriage, but pressing duties kept him from attending.

Mr. Borglum plans to come to Omaha July 10.

Omahans are looking forward with interest to the famous sculptor's visit with a view to getting an expression of opinion from him in regard to erecting a monument here to commemorate the fiftieth anniversary of Nebraska's statehood. John Lee Webster is one of the committee interested in placing the monument, which, it is planned, shall honor pioneer settlers as well.

Woman Starts Suit To Recover Alimony

Declaring that she has not received any part of the \$3,700 alimony granted her in a divorce decree granted in Chicago in January, 1914, Dorothy A. King, divorced wife of Leslie H. King, has commenced suit to recover that amount before District Judge George A. Day.

She asks that \$4,000 worth of stock in the Omaha Wool and Storage company be turned over to the sheriff to satisfy judgment. This stock, she says, was owned by her former husband, who turned it over to his father in order to avoid payment of alimony.
