TROOPS IN SHAPE FOR FINAL ORDER TO GO TO FRONT

Omaha Companies Lose But Few Men When Examiners Apply Physical Test to Applicants.

HALL IS ELECTED CAPTAIN

Adjutant General Will Go South at Head of Company H of Fairfield.

ROSTER OF SIGNAL CORPS

(From a Staff Correspondent.)
Lincoln, June 28.—(Special.)—Adjutant General Phil Hall was this afternoon elected captain of Company H of the Fifth regiment, from Fairfield. Former Captain I. W. Evans took the place of Second Lieutenant, while H. F. Kramer of Lincoln was made first lieutenant.

It is understood that Hall will take charge of the company just as soon as he can be relieved by the government as disbursing officer.

Omaha companies were fortunate in the examinations and lost but few men. It is reported that not one of the four companies lost more than three or four men. Their places were easily filled.

Bach's Selection Popular.
The selection of Lieutenant Colonel Bach of Omaha to be in command of the men as they are mustered into the service is a fitting recognition of the work of a young and experienced officer. He is popular with the men and his selection gives general satisfaction.

The first serious accident that has happened occurred yesterday when Judge Advocate General E. J. Murfin of Lincoln tipped a bottle of ink over his brand-new uniform trousers. This was a serious matter, for the colonel is not a neat fellow, and it took two pairs of trousers to make the ones the judge advocate was wearing. However, a squad of men were put to work on the wounded trousers, and this morning the judge appeared as spruce and span as usual.

Presented With Flag.
Company F of the Fifth regiment, from Wymore, was presented with a fine silk flag today, six by twelve feet. The citizens of Wymore yesterday took up a collection and held a meeting last night and Rev. Mr. Winslow, the Methodist pastor there, presented the flag to Mrs. James Crawford, mother of Captain Frank Crawford, who was delegated to bring it to Lincoln and present it to the company, which was done when they lined up for dress in the morning. Sheriff Frank A. Gage county was also along, and presented the company with a couple of boxes of cigars. Accompanying the flag was a big box of flowers, large enough so that each member of the company could be supplied.

Signal Corps Roster.
Company A of the signal corps, first company to be mustered is all checked up, the equipment ready for service and when the orders come to move are ready. The company roster is as follows:
Captain, Henry A. Joes; Lieutenants, Elmer Linstrum, Harvey Baumgardner and Earl Whitcomb; Corporals, Dwight Archer, and Roy Borgard; Privates, Merle Bates (Laird), Corporal Henry Beaver, Sergeant George Riles, Sergeant Lawrence Schuyler, Leroy Mattheo, C. D. Fletcher (Schuyler), George Progas, George Gould (Schuyler), Sergeant William Hainer, Sergeant Walter Handy, Sergeant Ernest Hixenbaugh, Harold Hite (San Francisco), Corporal Albert Hisebottel, William Hand, Park Jackson, Robert Joseph, Sergeant Walter Kevelbaum, A. R. Koppal (Lincoln), Clarence Linton, Lloyd Jackson (Jefferson), Sergeant Louis Marr, Albert Maxwell (Schuyler), Leroy Mattheo (Schuyler), Edgar McCann, Corporal Charles McCullough, Orvin McCullough, William Mick (Schuyler), Sergeant George Miller, Private Roy Nelson, L. Phillips, Ellis Reynolds (Doyle), Ross Sampson (Laird), C. H. Smith, Corporal Clark mistel, Lawrence Sathcell, Corporal Clarke.

HENRY FORD TO TAKE TRACTOR TO FREMONT

Auto Builder to Show His Latest Coup in This State for First Time.

HAS WORKED YEARS ON IT

A farm tractor that is expected to work an epoch in the life of the American farmer, will be exhibited and demonstrated for the first time in this state, on the occasion of the annual Fremont Tractor demonstration, August 7 to 11. And it will be a Ford!

Announcement has been made that Henry Ford and his son will bring their tractor, upon which they have been working for years to perfect, to the Fremont demonstration and show its workings to the public for the first time.

The famous automobile manufacturer and his only son are to come to Nebraska in a special car, bringing with them two of the long-anticipated tractors, which farmer and tractor men believe will revolutionize methods of farming in this country. Although automobile tractor men and the industrial and manufacturing world in general have known of the forthcoming machine for some time, the demonstration at Fremont is to mark its "premier" before the public.

It is said that the tractor will sell for in the neighborhood of \$300.

Of Interest to Farmers.
The announcement that the Fords and their tractor is to be one of the features of the Fremont demonstration, will result in at least 10,000 more farmers attending the affair.
