HAIR DAUGHTER OF OMAHA IS TO WED

Miss Lucile Bacon to Marry Washington Lawyer Some-time in October.

ANNOUNCEMENT LUNCHEON

By MELLIFICIA, June 29.

A distinguished Washington lawyer will take from Omaha's social circles one of its fairest daughters, Miss Alice Lucile Bacon, daughter of Mr. and Mrs. Frank William Bacon, becomes the bride of Walter Scott Penfield of Washington, D. C., early in October.

Announcement of the engagement was made today at a beautifully appointed luncheon given by Mrs. Howard H. Baldrige.

Miss Bacon is a graduate of Brownell Hall and Chevy Chase Seminary in Washington, D. C., where she first met Mr. Penfield. Her debut in the local social world was made a year ago last December, prior to which Miss Bacon had served as special maid to the Ak-Sar-Ben queen, Miss Elizabeth Congdon, now Mrs. Robert Forgan of Chicago.

Miss Bacon is a most popular member of the younger set. The wedding is planned for early in October, directly following the Coronation ball.

Mr. Penfield was the guest of the Baccans at the opening of the Country club and is expected again to visit his fiancée some time in July. His father was the late Judge William L. Penfield, who served as solicitor general of the Department of State under the administration of President McKinley and President Roosevelt.

Mr. Penfield himself has made a specialty of legal matters pertaining to the Spanish-American countries and was appointed counsellor of the Dominican and Panamanian legations because of his knowledge of Spanish language and Latin-American affairs. He was recently one of the attorneys for Germany in the trial of the prize ship Appam.

He was educated at Howe Military school and is a graduate of the University of Michigan and the law department of George Washington university.

Mr. Penfield is a contributor to international law magazines. He was a vice president of the American Bar association for two years, and is connected with a host of other Spanish-American and legal societies, as well as being identified with the peace movement. His college fraternities are Zeta Psi and the legal fraternity of Phi Delta Phi. He is a member of the Chevy Chase university, National Press of the Lawyers and Lock Tavern, of the Washington clubs.

The announcement luncheon was a charming affair. Sweetheart roses formed the appropriate decorations. The announcement was made by tiny folders bearing Mrs. Baldrige's monogram on the cover and within a heart, the photographs of the pair. The guests were younger set friends of the bride-to-be and nearly all members of the Bridge club. Covers were laid for:

Help us to HOLD DOWN—Tire Prices

TIRES, and GASOLENE, "make the Wheels go round!" A Car in the Garage COSTS as much as a Car-on-the-Road, but it pays no dividends, on the investment, so long as it STAYS in the Garage.

THE VALUE of the Car,—to its Owner,—narrows down, in the ultimate, to the precise number of Hours he USES that Car, yearly. If a \$2,000 Car be owned for, say, 4 years (then sold for \$600.) there has been \$1,400 of Car-Value absorbed by the Owner,—equal to, say, \$350. per year.

BETTER Fabric Tires are NOT made, and cannot be made,—at ANY price,—than are produced by The B. F. Goodrich Co.

A 15% to 50% higher price could well be justified for these same Tires, by fair comparison with other Tires sold at 15% to 50% higher prices. Will you help your own interests (present and future), by further expanding the Sale of that Tire which demonstrates its Intention, through LOWERING the Cost of its Tires to you, with every INCREASE in its Volume?
