Central Power Co. **Executives Visit** Grand Island Plant

Grand Island, June 30.—(Special.)

—The generation of electricity by water power, and the equipment of the industrial establishments in cen-

water power, and the equipment of the industrial establishments in central Nebraska with electric power, light and heat, as also the provisioning of the farms all along the various lines with the current for the grinding of feed, the pumping of water, the sawing of wood, the lighting of homes and barns is a reality today, and it was a "hydro-electric day" in Grand Island.

Mr. B. E. Sunny, main owner of the Central Power company, of Chicago, Mr. Insull, also interested in the plant of the same city, and President Myers, of the L. E. Myers Construction company, of Chicago, which company did the planning and constructing of the dam, canal and water power plant on the Loup river at Boelus, were in the city and were the guests of honor at a banquet given tonight at the Liederkranz hall.

The works produce three thousand horse power, which carried all of the company's load at Grand Island, St. Paul, Doniphan, Dannebrog, Cairo and other cities in central Nebraska.

Madison Farmer Dies Of Heart Failure this week.

Madison, Neb., June 30.—(Special.)
—Frank Buettner, eldest son of Mr. and Mrs. Martin Buettner, died suddenly at 4 o'clock yesterday morning at his home one mile east of Madison of heart disease.
