RESTA'S HIGH MARK STILL STANDS HIGH

Ralph Mulford Makes Desperate Effort to Lower, But Fails.

DE PALMA QUALIFIES THIRD

Despite a desperate effort by Smiling Ralph Mulford to lower the time yesterday afternoon, Dario Resta's mark of 110 miles an hour, negotiated Sunday afternoon, continues to stand high in the qualifying table for the Omaha speedway races Saturday. Mulford twice tuned up his powerful Peugeot in an attempt to collect enough speed to loop the saucer in less than 41 seconds, and once he thought he could turn the trick. He gave Starter Fred Wagner the signal and put his foot down to the limit. But he couldn't quite make it. He turned the lap in 41 2-5 seconds, a rate of 108 miles an hour, and now stands second in the qualifying standing. Seven others qualify.

BY FRED S. HUNTER.

Seven pilots in addition to Resta and Mulford, qualified yesterday. Ralph De Palma put his cream-colored Mercedes on the track for the first time yesterday. After practicing for a number of laps, De Palma was ready to make his first speed trial and he qualified in third position by spinning a lap in 43 2-5 seconds, a rate of 104 miles an hour.

Dave Lewis startled the railbirds by making a lap faster than Eddie Rickenbacher, and he stands fourth in the standing. Lewis tooted his Crawford around in 43 3-5, 103 miles an hour, while the best Eddie could do was 44 flat, a 102-mile clip. Art Johnson and Billy Chandler qualified the other two Crawford owners and Mel Stringer and Ed Rawlings brought up the rear.

HAVE TWO MORE CHANCES

Resta, Mulford, De Palma, Rickenbacher, Chandler and Stringer have still two more chances to lower their marks. Each driver has three opportunities to qualify and the above pilots only tried once yesterday. They all expect to take their other two trials today in the hope that they can make faster time and therefore earn a better position at the start.

GEARS TOO HIGH

Mulford's trial was watched with interest by the railbirds. Smiling Ralph is credited with having the fastest car in the world and it was thought he had an excellent chance to cut Resta's mark. But Ralph couldn't quite get up the speed, probably because his gears are a trifle too high for the track.

DANVILLE "MOOCHER" STARTS NEAR RIOT

William Devine of Danville, Ill., is a "moocher," but in spite of his humble station he caused a riot at Fourteenth and Harvey last night that involved a big crowd. He asked J. Gordon, 2124 North Twenty-fourth, for a dime and upon being refused, struck at him. Gordon knocked him down and kicked him. Jack Hightower, a blacksmith, came along and walloped Gordon. Two police, John Barta and John Unger, came upon the scene and hauled Hightower off of Gordon, when several in the crowd chose sides. In a few minutes a dozen men were involved.

FRANCISCO VILLA DIRECTING FORCES

Chihuahua City, Mexico, July 12.—Villa bands attacked Carranza garrisons today at Rosario and Parral, but in both cases were beaten off with losses, according to official reports to General Trevino. In the clash at Rosario, Jose Contreras, a brother of Carranza, Villa's chief lieutenant, and his two sons were killed.

TWO OUTLAW BANDS ATTACK FACTO GARRISONS AT ROSARIO AND AT PARRAL.

From Rosario the bandits were driven south toward the Durango line by government troops under Generals Gacito and Hernandez. Other reports to General Trevino indicated that a scouting patrol from Parral had encountered one of the small bands of outlaws who scattered after the attack on Jimenez in the vicinity of El Valle and had driven them into the hills, but no details were given.

VILLA IN COMMAND.

Chihuahua City, Mexico, July 12.—No doubt remains in the minds of the military authorities here that Villa is directing the campaign along the Durango-Chihuahua border. Reports reaching General Trevino from a number of escaped prisoners have described the bandit chieftain as riding in a coach, his crutches at his side, with two of his favorite chargers being led behind.

SKIN DISEASES ARE EXTREMELY DANGEROUS

When you see a person with clear skin, flushed only with the color of perfect health, you will also notice that the skin is soft, smooth and free from blemishes. There are no pimples, spots, blotches, humors. It will be true of the face and true of the body. It is a true indication of rich, red blood coursing through the arteries. It means that the blood is full of red corpuscles. It would throw off a minor ailment like a flash, and even a stubborn disease would hardly prove fatal or lastingly disenable such a person. For the same reason that healthy, clear skin is an indication of pure, clean blood, blotchy and pimply skin is an indication of a diseased condition of the blood.

IMPROPER EATING AND DRINKING, OR VICIOUS HABITS, OR UNWISSE TREATMENT OF PERSONAL INFECTIONS, DETERIORATE THE BLOOD.

This effete matter acts as poisons and the circulation carries these poisons to the various tissues, especially the skin. Then the blood begins to throw off the humors and acids through the pores and glands of the skin, producing Eczema, Acne, Tetter, Psoriasis, Salt Rheum and skin eruptions of various kinds.

ECZEMA APPEARS, USUALLY WITH A SLIGHT REDNESS OF THE SKIN, FOLLOWED BY PUSTULES FROM WHICH THERE FLOWS A FLUID THAT DRIES AND FORMS A CRUST, AND THE ITCHING IS INTENSE.

It is generally on the back, breast, face, arms and legs. In tetter, the skin dries, cracks and bleeds; the acid in the blood dries up the natural oil of the skin, causing a dry, feverish condition. Acne makes its appearance on the face in the form of pimples and blackheads, while Psoriasis comes in scaly patches on different parts of the body. A very common form of Skin Disease also is Salt Rheum.

THE BEST WAY TO HANDLE SKIN DISEASES IS TO PURIFY THE BLOOD WITH S. S. S. AND THUS ENABLE IT TO DO ITS WORK PROPERLY.

S. S. S. removes the humors from the blood so that the skin, instead of being irritated and diseased, is nourished by a supply of fresh, healthy blood. External applications of salves, washes, lotions, etc., while they may soothe the itching caused by the skin affections, cannot cure the trouble because they do not reach the blood.

S. S. S. GOES DOWN INTO THE CIRCULATION AND FORCES OUT THE FOREIGN MATTER AND RESTORES THE BLOOD TO ITS NORMAL, PURE CONDITION, ENABLING IT THEREBY TO RELIEVE THE SKIN AFFECTION.

S. S. S. is for sale at all first-class drug stores. Don't take a substitute. Book on skin diseases and Medical Advice if desired, sent free to all who write. Address Medical Department T, Swift Specific Co., Atlanta, Ga.
