

ROTARIANS TO THE ANNUAL CONVENTION

Omaha Delegates Will Take a Prominent Part in the International Meeting.

WIVES ACCOMPANY MANY

Delegates, alternates and other members of the Omaha Rotary club departed yesterday evening over the Rock Island for the seventh annual International Convention of Rotary Clubs, which is to be held in Cincinnati next week.

Dr. H. L. Akin, Dr. E. C. Henry, D. A. Johnson, secretary of the club, and Harley G. Moorhead are delegates. Dan Baum, Jr., Orla S. Goodrich, Tom S. Kelly and J. W. Welch are alternates. Messrs. Henry, Johnson, Baum and Kelly were accompanied by their wives, and Mr. Welch by his son.

Bob Hyland, W. L. Masterman, Dr. Frank M. Conlin and A. W. Carpenter will also go.

The following Rotarians from Lincoln accompanied the locals: Harry Porter, president of the Lincoln club; Mr. and Mrs. H. B. Marshall, Mr. and Mrs. B. D. Hayward and P. O'Mahoney.

Carlton Woodard, Dr. C. R. Brandt, F. J. Ainsworth and J. H. Beveridge joined the party at Council Bluffs.

The party will occupy special car on the Rock Island train. They will spend Saturday in Davenport, where they will be entertained by the Tri-City Rotary club, consisting of Rock Island, Moline and Davenport.

The Pennsylvania railroad will send a special train from Chicago over the

Federal Judge to Emulate One Weston and Hike to Columbus

Federal Judge Joseph W. Woodrough will set his alarm clock for 4 o'clock Sunday morning. He will arise, put on his heavy walking shoes and his second best suit and start out on a "hike" to Columbus, Neb.

The judge is bound for North Platte to hold a session of court there. He is going to walk the 100 miles to Columbus, not to save the government the railroad fare, but to benefit his health. His health is all right and he believes in keeping it all right.

"Hiking" over the country about four miles an hour, stopping at farm houses for a drink of milk and that sort of thing is the judge's favorite hobby, even more of a favorite than his garden.

There is no other federal judge who walks from one division of his district to another.

The judge expects to get to Columbus in four days. There he will patronize the more rapid, but, he insists,

Rock Island tracks to take all delegates from Nebraska, South Dakota and Iowa from Davenport to Cincinnati without change. This train will leave Davenport late Saturday night, arriving in Cincinnati Sunday afternoon.

Omaha men will take a prominent part in the convention. Dr. E. C. Henry is on the program. Secretary D. A. Johnson has sent on a large exhibit mounted on beaver board, showing by means of photographs, charts and records the system used by the Omaha Rotary club.

Raise Fund for Omaha Guardsmen on Border

Omaha business and professional men have already raised a fund of more than \$200 to be sent to the Omaha guardsmen now on the Mexican border.

The money is to be expended for ice cream, incidentals and anything the soldiers may desire. Judge Willis G. Sears has the subscription list in hand and will be glad to receive any contributions Omaha people may desire to make.

NOT ENOUGH MEN TO FILL ALL JOBS NOW

Call for Laborers Comes Into Omaha from Grading and Bridge Contractors.

EVEN OFFER TO GIVE BONUS

"The man who is not working these days has no excuse to offer, unless he is physically disabled," avers Major McCormick of the Volunteers of America. "I have a number of jobs that are waiting to be filled and I don't have half enough applications to fill them. Only yesterday a contractor complained to me that he had been trying to assemble ten men to ship to Clinton, Ia., for bridge work and that he had been unable to get them in Omaha. And these applications are for work other than harvest work. Any man who is willing to work, but is not strong enough to work all day at hard labor can get odd jobs that will support him without any trouble these days. I have never seen such a scarcity of labor in Omaha."

These sentiments are echoed by Captain Kline of the industrial department of the Salvation Army, who says: "Wages have advanced 20 per cent, I think, since this time last year and the men who are employing laborers cannot find them. Here in our industrial home we have twenty men all the time who are either physically or mentally deficient and can't be sent out on regular jobs. We do the best we can for them and keep them busy in our paper gathering, baling and sorting departments, where they can make enough to keep themselves."

The employment agencies tell the

same tale of good wages and a bonus for getting men, and no business to be done because the men who will work are all employed. One employment agent said: "I don't see why the cops don't pinch all the lazy bums that are hanging out in Jefferson park and put them to work on the city job and let some of the men that are working get out in the harvest fields and on grading, construction and bridge gangs, where they are needed so badly. There's no money in the employment agency business these days, when every worker is grabbed up for a new job as soon as his old one is finished."

Gas Commissioner Returns, But Says He Didn't See Obregon

City Gas Commissioner Butler has returned to his laboratory on the fifth floor of the city hall. He at once put a quietus upon reports that after the democratic convention at St. Louis he went to El Paso to confer with General Obregon. It was known that when Mr. Butler left Omaha for St. Louis on June 12 he bore letters from Mayor

Dahlman to Roger Sullivan and Tom Taggart. The contents of these missives have not been divulged, but there is a rumor that they contained reference to Mr. Butler's knowledge of the whereabouts of Pancho Villa and suggested that the democratic leaders send Mr. Butler to the border.

During his five weeks' absence the gas commissioner attended the St. Louis convention, made a flying trip to Excelsior Springs and fished along the Elkhorn river. Now it is said that the Omaha Gas company will have to sit up and take notice.

Store Hours: 8:30 A.M. to 5 P.M.—Saturdays Till 9 P.M.
