GRIP OF EVIL

CONTINUING FOURTEEN WEEKS
PATHE'S
Mightiest Film Spectacle

President Wilson Says: "The strongholds of Evil and of Wrong in the world are not as strong as they look. But the evil has come with the good and much fine gold has been corroded."

READ WHAT OTHER LEADERS SAY:

Gov. Dunne (of Illinois) says:
"I believe that the condition of society in America, as contrasted with the past, is immeasurably better and purer. A greater evil never befell humanity than the insensate, awful war in which Europe is now engulfed."

Mayor Preston (of Baltimore) says:
"I am an Optimist and believe, like Browning, that God's in His Heaven, all's right with the world."

Mayor Curley (of Boston) says:
"Humanity is in The Grip of Evil. The struggle for a livelihood is more brutal in our day than in ancient times."

Gov. Ferris (of Mich.) says:
"If Humanity were in The Grip of Evil man never could have risen from barbarism to civilization. To accept the notion that the Devil is all powerful would be to accept the crudest form of Pessimism."

LESLIE'S WEEKLY says:
YOUR GIRL? Is she following the fashions set by the undressed chorus girls of the stage? Is her face rouged and powdered with the freedom of the brass demimonde? Is she dining, drinking and dancing with the giddy midnight throng in an atmosphere of excitement?

IS HUMANITY IN THE GRIP OF EVIL?

THE GRIP OF EVIL

By Louis Tracy

Featuring Jackie Saunders and Roland Bottomley

A fortune was spent in investigation alone before production of "The Grip of Evil" was even started. All the problems of the day were studied and probed in the search for the TRUTH before an attempt was made to film a single episode of this mighty drama of *life as it is*. "The Grip of Evil" is the first of the stupendously big motion picture productions to be released on the new \$5,000,000.00 Pathé Serial Program—a master plot in fourteen episodes showing the real side of humanity—distinctly new and different. Each episode exposes the evils of society. Not a sermon—not a preaching—The Grip of Evil presents the true facts in all their grim reality. Ask for "The Grip of Evil" at your theatre. DON'T MISS IT!
