

200,000 ALLIED SOLDIERS ATTACK

Berlin Official Report Asserts Terrific Assault of Coalition Forces Repulsed.

GERMANS LOSE GROUND

London, July 22.—The intensity of the British and French attacks against the German front north and south of the Somme river in northern France appears to have lessened greatly, according to the latest official statements.

In the salient of the Leispic ridge, the Germans entered the lines held by General Haig's forces, but were ejected subsequently, London asserts.

Attacks Fruitless.

Anglo-French attacks against the German lines north and south of the Somme on Thursday were fruitless, according to Berlin, except on a two-mile front south of Hardecourt, where the Germans retired from first to second line trenches about 800 meters in the rear.

North of Labasse an attack on Wednesday by the British, in the region of Frommeles, resulted disastrously for them, Berlin says, the British losing more than 2,000 men killed and nearly 500 were made prisoners.

Floods Prevent Advance.

Floods on the Dneister prevent any advance further into Galicia from the south and east for the time being. The Russians are driving in the Austro-Germans toward the northern Galician border below Vladimir-Volynsk.

Petrograd asserts the retirement of the Austro-Germans was the result of an impetuous attack, in which more than 1,600 prisoners were taken. Berlin and Vienna say the withdrawal was made in the expectation of an enveloping movement.

In addition to capturing Gumnakh, forty miles northwest of Baidar, the Russian armies in Turkish Armenia are advancing in other sectors.

Rotarians Will Meet Next Year in Atlanta

Cincinnati, July 22.—Atlanta, Ga., was selected as the convention city in 1917 of the International Association of Rotary clubs here yesterday by the new and retiring officers who are to leave the city in the selection.

C. R. Perry of Chicago was re-elected secretary.

This concluded the work of the international convention which had been in session here since last Monday.

It has been the intention of the officers to accompany the other delegates to Dayton, O., but shortly before the special trains were scheduled to leave the officers met and decided to remain in Cincinnati and conclude their business.

Knox Democrats Would Clear The Field of Pop Candidate

Niobrara, Neb., July 22.—(Special.)—The Knox county democrats held their convention at Center July 20. Sixteen delegates were chosen to go to the state convention at Hastings.

Many Chinese Schools Have Closed From Lack of Funds

(Correspondence of The Associated Press.) Peking, June 7.—Lack of funds has resulted in the closing of many government schools. The Peking High Normal School for Girls has been closed by order of the government, and teachers in many of the colleges and secondary schools and colleges have not been paid for several months.

Fugitive Pardoned.

Frankfort, Ky., July 22.—A fugitive for twenty years, Milton Franklin, under sentence for life for murder, was pardoned today by Governor Stanley within a few hours after he appeared at the Frankfort reformatory and reported to Warden Wells.

Self-Styled Elijah the Second Starts Trouble

(Correspondence of The Associated Press.) London, June 7.—Nigeria has trouble on its hands in the person of a negro who styles himself Elijah the Second. Ostensibly a convert to Christianity, he has cut adrift from the missionaries and is running a spurious form of Christianity on his own account.

RECORDS SMASHED AT NORTH RANDALL

All Seasons' and Two World's Marks Go by the Boards at Grand Circuit Meet.

GREATEST SPEED DISPLAY

Cleveland, O., July 22.—All seasons' and two world's records went by the boards in the free-for-all pace at the last day of the North Randall grand circuit races, in which Single G created a sensation after Russell Boy had won the opening heat in 2:00 1/4 by coming on and nosing out. Murphy's pacer in the second heat, duplicating the time of the first mile and then taking the race by tramping the third heat in 2:01 1/4.

The World's Records.

The world's records were: The fastest three heats ever paced, the three heats averaging 2:00 92-100. The fastest second and third heats ever paced by the same horse, averaging 2:01. The season's record—fastest first heat, 2:00 1/4; fastest second heat, 2:01 1/4; fastest third heat, 2:01 1/4; fastest three-heat race average 2:00 92-100.

It was a wonderful race and fully lived up to early predictions and the only reason that the two minutes was not beat was that Murphy took back and saved Russell Boy at the finish of the first heat. Curt Gosnell did the same with Single G in the second mile. Otherwise both miles would have been below the two-minute notch.

Single G crowned himself as one of the greatest pacing machines in the history of the harness sport. He raced like a real horse—trailed, burst out and when compelled to, make a pace that killed off those that tried to follow in his path.

Can Come Back.

That they can come times come back was shown in the 2:06 trot, when Joan, beautifully driven by Mike Devitt, romped off with the race in straight heats and looked like the Joan of two years ago, when she was practical unbeatable.

Castaway, the Cleveland pacer, won the 2:18 pace, by taking the first and third heats, while Contention B was the winner in the second mile.

Donna kicked everything wide in the 2:13 trot, when Charley Valentine piloted her to first money by winning the first and second heats and trimming the heavy favorite Worthy Prince. Summaries:

Georgian Says Wilson's Book Right, But Wilson Wrong on Child Labor

Washington, July 22.—The child labor bill which President Wilson is urging for passage before adjournment of congress, got into the naval bill debate in the senate today, when Senator Hardwick of Georgia, charged that it evidently was the purpose of the republicans of the senate to "play party politics with this great measure."

"I had no such purpose," Senator Gallinger replied. "I made the statement because the people of the country want the bill passed."

Senator Hardwick said the measure was unconstitutional, and recalled that Senator Gallinger had said so last February. Mr. Gallinger replied he had doubt about its constitutionality, but was willing to vote for it and leave the question to the courts.

"There has been a great deal of change of mind about the constitutionality of this bill," said Senator Borah. "The leader of the Georgian senator's party has changed his mind on that."

"Who is that?" asked Senator Hardwick, arousing laughter from his colleagues.

"The president of the United States, Senator Borah replied. "In one of his books Woodrow Wilson said such legislation was unconstitutional."

"Well, his book was right," Mr. Hardwick asserted.

HUGHES SEES G. O. P. AND MOOSE AS ONE

Nominee Considers Breach Between Republicans and Progressives Healing Fast.

Bridgehampton, N. Y., July 22.—Charles E. Hughes today told callers that he considered the breach between republicans and progressives and between republican factions in various localities to be healing fast and that he looked forward with gratification to having a virtually reunited party behind him by the time his campaign opens in Detroit, August 7.

No attempt was being made to bring pressure on progressives to join the working forces for his election, Mr. Hughes said, the program being to appeal to their judgment.

It was announced that W. Cameron Forbes, former governor general of the Philippines, has been elected chairman of the National Hughes alliance. Philip J. McCoak, recently named chairman of the New York State Hughes alliance, will be executive officer under Mr. Forbes, it was stated.

Named Illinois Law Dean.

Chicago, July 22.—Dr. William Ballentine, formerly professor of law in the University of California and Wisconsin, was chosen dean of the law school of the University of Illinois by the trustees of the institution at a meeting here today. He will succeed C. K. Harker, who resigned two months ago.

Republicans Organize.

San Francisco, Cal., July 22.—Party members from various parts of the state organized here today a league of republican clubs of California, pledged support to Hughes and Fairbank, made campaign plans, and listened tonight to an address by Nicholas Murray Butler of Columbia university of New York.

AMERICAN ARMY LETS VILLA ESCAPE

Wounded Bandit With Small Escort, Eludes Pursuers Day Behind.

COULD HAVE CAUGHT HIM

El Paso, Tex., July 22.—Villa with his band is camped at Inde, thirty-five miles south of the Chihuahua-Durango border, according to a private dispatch here tonight. The dispatch continued that on his retreat from Parral after being defeated by General Ernesto Garcia, ten days ago, the bandit chieftain stopped at Cu Curvas, where he murdered Garcia's only son and his brother-in-law.

As a result Garcia is said to have taken the "blood oath" and is pursuing the bandits with 1,500 cavalry in co-operation with the command of General Matias Ramos, whose uncle was killed in a recent clash with the Villistas.

Villa Escapes Americans. A new story brought here today by an American from Parral was that Major Frank Tompkins, commander of the detachment of American cavalrymen, which was fired on by Carranzistas in Parral in April, was within twenty-four hours' march of the bandit chief.

Villa, wounded and hauled about in a wagon and accompanied by less than fifty men, was then just a few miles south of the Las Nieves road and it was certain that the Americans would have overtaken the small band if they had proceeded.

Sanitary Conditions Good. San Antonio, Tex., July 21.—All district commanders along the border have been instructed by General Funston to make special reports on conditions under which the troops, especially the state troops are serving. Preliminary reports that have reached headquarters indicate that at no point are the sanitary conditions bad and that in most cases conditions are exceptionally good.

Rumors that Francisco Villa, with a force of 18,000 is preparing to attack Torreon were forwarded to the War department today by General Funston. He said the story had been brought to General Pershing by "secret service agents." Officials were inclined to give it little credence, pointing out that the agents mentioned probably were Mexicans who could not be depended upon for accuracy.

HIBERNIANS GLAD OF TEUTON VICTORY

Order Congratulates German Alliance on "Conquest Won by Fatherland."

Boston, July 22.—The Ancient Order of Hibernians today adopted resolutions denouncing "the military murder of leaders of the Irish republic" and extending congratulations to the German-American alliance "upon the conquest won by the fatherland."

The resolutions, presented by John O'Dea of Philadelphia, were adopted unanimously and without discussion.

After alluding to the fraternal understanding that unites the Hibernians and the alliance, the resolution says: "The congratulations of those who live under the flag of the United States are extended to our German-American fellow citizens upon the conquests won by the fatherland, and we assure them of our unshaken confidence that the German empire will crush England, and aid in the liberation of Ireland and be a real defender of small nations."
