If you have about \$500 in cash, we will show you how you can quickly establish a permanent bisiness of your own, which will pay you a good income at once, and which will grow larger and more profitable from month to month. The business involves the sale of two devices which will eventually be used by practically every farmer and thousands of others. Sales are made direct to the user at a high profit and through local agents established in each county. Our selling plan is no experiment, but is in successful operation. Pitner Company, \$ E. Kinsle Rt., Chicago.
