Saved Her Daughter's Life.
"Chamberlain's Colic, Cholera and Diarrhoea Remedy saved my daughter's life when she had cholera morbus at the age of 14 months. She vomited every few minutes and we were unable to keep any medicine down long enough to benefit her until I gave her this remedy. The doctor being at our house I asked him what he thought about our using it, and he said as he was unable to do the child any good, I had better use it. The second dose she kept down and in a short time the bowels were checked and she improved rapidly after that," writes Mrs. Jennie Moyer, Lima, Ohio. Obtainable everywhere.—Advertisement.

WOMEN ARE STRONG FOR OUTDOOR SPORTS

Rest After Tournament Only to Prepare for Others That Are to Follow.

PLAY THE GAME FOR KEEPS

By MELLIFICIA—August 3.

Women golfers who played in the recent tournament are taking a rest. They haven't discontinued golf permanently, but now, instead of getting up at 5 in the morning to follow the elusive spheroid over the green meadows, they are napping and dreaming of the time to come when they will feel like playing again.

For the Friday women's golf day at the Field club Mrs. Allan Parmer, chairman, is planning something different. Perhaps it will be a game of rotary golf, that is, the continuous use of clubs, irrespective of their appropriateness. At the luncheon which Mrs. Karl Linsinger gave today at the Happy Hollow club, followed by cards, the matter was under discussion "informally."

The municipal women's monthly golf tournament, which was to have been held last Monday at Seymour Lake, was postponed until next Monday because all the golfers were "done to death" after the tournament. This month's tournament, the August event, will be held at the Country club, and the last one will be at the Council Bluffs Rowing association.

By the way, that tournament was a huge success, the forerunner of a long line of successful tournaments, it is hoped. The finish was truly exciting, and when you consider that men, who grudge a woman success in any sport, applauded the great finale you can appreciate just how good it was. The course was dry, of course, making god playing more difficult, but that it was an excellent exhibition every one agreed.

The links are in fine condition after the recent rains. A heavy course is the test of a good player, I am told. It steadies the player and insures cleaner putts and more accurate drives. Lots of golfers are not hindered by such little things as pouring showers. At least one Omaha woman can tell how she played golf when her shoes were squashing water and she had to turn her hat down to let the water run out.

An eastern paper the other day told how President and Mrs. Woodrow Wilson were caught in a heavy shower while playing golf, but like true sportsmen they only hesitated long enough to don raincoats before finishing their game.

Are you surprised that women play golf? You shouldn't be, because it is the best thing in the world for "nerves." Mrs. Allan Parmer has won herself a nickname which precludes the possibility of nerves, by playing golf. The women golfers call her Charlie Chaplin and laugh all the time that she is in the crowd. A great many society women have forsaken cards for golf, tennis and swimming.

Johnson-Huberle Wedding.

Miss Clare Johnson of Nebraska City and Mr. Paul C. Johnson, son of Mr. and Mrs. D. L. Johnson of this city were married at the home of the bride's parents in Nebraska City Tuesday. The marriage was a charming home ceremony, replete with sentiment. The young people met while attending school at Bellevue college, and their old pastor Dr. Stephen Phelps of Bellevue performed the ceremony.

The colors, yellow and white, were used in all the decorations and appointments. The room in which the ceremony was performed was banked with fragrant white phlox, and the living room was sunny with masses of golden glow.

The bride wore a gown of white satin and embroidered net with a short veil held by orange blossoms.

She carried a shower bouquet of bride's roses and lilies of the valley. Miss Adys Huberle, sister of the bride also wore white and carried Mrs. Ward roses.

The bridegroom was attended by an old school friend, the Rev. Raymond V. Kearns of Oswego, Ill.

Mr. and Mrs. D. L. Johnson and Miss Mary Johnson of Omaha, Miss Lucile Betz of Bellevue and Miss Jeanette Godwill of Tekamah, were among those present at the wedding. Mr. and Mrs. Johnson left immediately for Chicago from where they will go to Lake Brownwood, Mich., for the summer. Mr. Johnson graduated in April from McCormick Theological Seminary, and has been chosen pastor of the Presbyterian church of Goodland, Ind.

For Mr. Penfield.

Mr. Roger Keeline entertained at the Country club last evening for Mr. Walter Scott Penfield of Washington, D. C., who is visiting the Frank W. Bacons. Those present were:

Misses—Mollora Davis, Lucile Bacon, Elizabeth Davis, Moore—Roger Keeline, Walter Penfield.

This evening Dr. and Mrs. Charles O'Neill will entertain at a chicken supper and swimming party at Valley for Mr. Penfield. Among their guests will be Mr. and Mrs. Frank W. Bacon, Mr. Stockton Heth and Miss Queenie Spencer of Chicago, who arrived this afternoon to spend a few days with Miss Lucile Bacon. Miss Spencer is a school friend from Chevy Chase, who has been visiting for two or three weeks on a ranch near Sheridan, Wyo.

Tomorrow Mr. Roger Keeline will be included in a luncheon party and later in the week Mrs. Howard Baldrige will give a dinner for Mr. Penfield.

The Bacons and their guest are very fond of swimming, and scarcely let a day pass without a dip. Yesterday morning they swam at Carter lake, and soon a party at the Manawa Boat club will be given.

At Seymour Lake Country Club.

The main feature of the children's day amusements will be a picnic from 5 to 7 o'clock this evening.

Several reservations have been made for the Friday evening dinner-dance.

Mrs. Kenneth Phillips had five guests at luncheon Wednesday.

Mr. and Mrs. H. M. Anderson are the parents of a new baby daughter.

Miss Helen Patterson, who will leave shortly to make her home in Denver, was the guest of honor this
