Appeal Made for Serum. An appeal was issued today to per-sons who had suffered from infantile paralysis and who have recovered to give small quantities of their blood so that a serum could be obtained and administered to those now victims of similar attacks. It was stated that this appeal was made at the request of the department of health and physicians, who are foremost in the inght against the plague. Physicians said that owing to a lack of serum with which to make numerous conclusive tests, its value has not yet been fully proved, but in-dicated that there was a possibility

has not yet been fully proved, but in-dicated that there was a possibility that, if administered early enough, it would prevent paralysis and save the patient from becoming crippled There has been much discussion of this claim and it has been questioned by other physicians.

Led Into Trap by John Bull's Cavalry.

## PRISONERS REACH CAIRO

London, Aug. 7 .- A description how the Turks were drawn into a trap at Romani by British cavalry is given in a Cairo dispatch to the Exchange Telegraph company.

The dispatch says the cavalry was sent out to entice the enemy, who had shown a disposition to assume the offensive. The British horsemon fought an admirable rear guard action, says the dispatch, drawing on

the Turks until their flanks were turned by the mounted division. A whole brigade was compelled to sur-render. Among the prisoners were seventy Germans, including thirty-six officers. A complete battery of German guns was also taken.

The number of unwounded Turks captured by the British at the battle at Romani was 3,145, according to an official statement issued by the war office today. The statement says that the Turks were pursued for eighteen miles. The pursuit contin-ued beyond Katia, which is twenty-three miles east of the Suez canal. The statement follows: "In reference to the fighting in the Katia district the general officer com-manding in chief in Egypt reports that our artillery, rifle and machine gun fire was most effective and that 

that our artillery, rifle and machine gun fire was most effective and that the Turkish losses in killed or wounded appear from all accounts to have been very heavy. Late on the evening of August 5 territorial infan-try gallantly carried a strong rear guard position. Our pursuit of the Turks has been continued for a dis-tance of eighteen miles, and they are now well clear of the Katia-Umnich.
