MAKES FAST MILE**

**Directum Marks Up a New
Record on the Columbus
Track.**

EARLY DON WINS THREE

Columbus, O., Aug. 16.—Free-for-all pacing at the Grand circuit meeting this afternoon produced the fastest racing time of the year. In the first heat Napoleon Direct won in 1:59 1/4, with Peter Stevens, the second horse, doing his mile in 2 minutes flat. In the next heat the pace was slower through the first half, and Napoleon Direct was four lengths back at the far turn. He finished a head in front of Single G. Separate timing caught Napoleon Direct the last half in 56 1/2 seconds.

In a time trial Directum I became the world's champion pacer for one and one-sixteenth miles. The old record was 2:14 1/4, made in 1904 by Ceery Lass. Off to a slow start, Directum I did the distance in 2:09 1/4. The last mile was paced in 2:00 1/4.

Falls to Lower Record.
Miss Harris M., 4-year-old pacing mare, failed in an effort to lower her mark of 2:01 1/4. She was tired when the final quarter was commenced and finished the mile in 2:02.

Napoleon Direct was one of three winning favorites. In the 2:09 pace, second choice Beth Clark won the first two heats. Thereafter Baby Baby Bertha, highest in public favor, was in command and took the next three heats. The Eao won the 2:11 trot in straight heats. In the first one he was but a head in front of McClosky and cut his record to 2:06 1/4 in keeping clear of the field the second mile.

Early Don, Valentine's first winner of the meeting, captured all three heats of the Devereux stake, for which Brisac of the Murphy stables was favored. Early Don equaled his record of 2:06 1/4 in the first heat and was not so hard pressed in either of the next two. The results:

**Down to the Fourth
Round of Singles
On Newport Courts**

Newport, R. I., Aug. 16.—Players left to compete in the fourth round of the singles tennis play for the Casino cups, as a result of today's matches, are W. M. Johnston, San Francisco, who will meet William Washburn, New York; Harold A. Trockmorton, Elizabeth, N. J., who will play N. W. Niles, Boston; I. Kumagai, whose opponent will be Douglas S. Watters, New Orleans, and Clarence J. Griffin, California, who will try conclusions with R. Norris Williams, Philadelphia.

Williams today had a difficult time in defeating another California player, Rowland Roberts. In the first set Williams was clearly outplayed, but he took the second with ease. From then on through three sets both men played brilliant tennis. Roberts tired toward the last and with the score tied in the final set at five-all, Williams won the next two games largely on the Californian's errors.

The match between William Johnston and Richard Harte ran second in interest to the Williams-Roberts match. Harte won in straight sets. H. Mikami, one of the Japanese players fell before the strokes of young Trockmorton, but his fellow countryman, Kumagai, managed to wrest victory from Harry C. Johnson, Boston. Kumagai won in straight sets, but took forty-three games to do it.

The first round of doubles was completed and several matches were played in the second round.

**Schumann-Heink Popular
With Hastings Audience**
Hastings, Neb., Aug. 16.—(Special Telegram).—A promise to return to Nebraska next spring to give a benefit concert for the Nebraska Children's Home society of Omaha was made by Mme. Schumann-Heink before her recital here Monday. She made the offer conditional on the success of the engagement and as 4,000 persons went through a mile of mud to hear her in a park pavilion, it is supposed she was satisfied.

Mme. Schumann-Heink gave the promise to Miss L. D. Kyle, traveling representative of the society. The noted singer is supporting four war babies and she has seven children of her own. She gave Miss Kyle an unsolicited donation of \$25 for the children's home.

No singer was ever given such an ovation in Hastings as was Mme. Schumann-Heink. Several hundred people took seats in the pavilion five hours before she appeared.

D., Aug. 16.—The grain growers' division of the Society of Equity, an organization of farmers in several northwestern states, today sent out an appeal to its members to hold their wheat this season until \$1.60 a bushel is offered at terminal for No. 3 northern. Equity leaders charge that grain manipulators have forced down the price of wheat in other years.

Whether it should be a semi-private tribunal organized by agreement by the railroads and men was not made clear, but there seems to be some sentiment in favor of having it created by act of congress, somewhat in the nature of an enlargement of the present board of mediation and conciliation.

Brotherhood leaders would not say whether a compromise might be reached by putting an eight-hour day into effect for six months for a trial and allowing pro rata pay for overtime as has been suggested.

**RUSSIANS CAPTURE
358,000 TEUTONS**

**Petrograd Reports More Than

MORE HEIGHTS STORMED

Petrograd, Aug. 16.—(Via London).—Between June 4 when the Russian offensive was inaugurated, and August 12, General Brussiloff's forces captured more than 358,000 men, the war office announced today. Counter Attacks Near Brzesany.
The official statement says: On the River Zlota Lipa, in the region south of Brzesany, our troops occupied at some places the western bank of the river. The enemy, having resumed his counter attacks, is checking our further advance.

In the region between the Zlota Lipa and the Dniester our troops are fighting their way forward. The enemy here is also making a desperate resistance.

"On the river Bystritsa we have occupied Solotvina and Griava, southwest of Solotvina. In the regions of Delatyn and Vorokhta the enemy, owing to our pressure, is retiring to the west. Our troops have captured a series of heights west of Vorokhta and Ardremoy. In the direction of the Kirilbaba region, at Capul mountain, attempts by the enemy to resume the offensive were frustrated by our fire."

Germans Announce Gains.
Berlin, Aug. 16.—(Via London).—German troops have won a success in the Carpathian region, according to the war office announcement today, capturing Starawipozyna height, north of Capul.

North of the Dniester, in Galacia, says the statement, the Russians still attacked weakly and were repulsed.

Brotherhood leaders would not say whether a compromise might be reached by putting an eight-hour day into effect for six months for a trial and allowing pro rata pay for overtime as has been suggested.

Under that plan a man earning \$4 in ten hours would make the same amount in eight hours and overtime would start at 50 cents an hour instead of 40. Thus at the end of ten hours he would have earned \$5 instead of \$4, as he now earns, and getting one and one-quarter pay for overtime.

**Insurance Board
Wants Inspectors
To Watch Agents**

(From a Staff Correspondent.)
Lincoln, Aug. 16.—(Special).—The recent hearing before the State Insurance board covering the matter of misrepresentation by insurance solicitors of policies handled by them in an endeavor to write business has brought up the question of greater protection to the people from the dishonest solicitor by having inspectors of the department appointed whose duties would be to investigate reports and secure evidence.

Speaking of the matter today, one of the board said that the board had for some time been considering making a recommendation to the next legislature that that law be changed so that one, or two or more, if needed, inspectors could be appointed to look after the particular business of securing evidence against insurance solicitors who go out into the country and make all sorts of representations in order to get a man's application.

The car coasted to the bottom and turned over, pinning both occupants under it. The windshield fell across Mrs. Schoemaker's neck and she was strangled. A boy found them and secured help. Mr. Schoemaker was saved but apparently not injured. Funeral services will be held at Scotia tomorrow.

For All Pain

"The efficiency of any drug," says Dr. C. F. Robbins, "is known to us by the results we obtain from its use. If we are able to control pain and distress by means of any preparation, we certainly are warranted in its use. One of the principal symptoms of all diseases in pain, and this is what the patient most often applies to us for, is a something to relieve his pain. If we can arrest this promptly the patient is more liable to trust in us for the other remedies which will effect a permanent cure. One remedy which I have used largely in my practice is anti-kamnia tablets. Many and varied are their uses. I have put them to the test on many occasions, and have never been disappointed. I found them especially valuable for headaches of malarial origin, where quinine was being taken. They appear to prevent the bad after-effects of the quinine. Anti-kamnia tablets are also excellent for the headache from improper digestion and especially for women subject to pains at certain times. They are also very prompt in relieving, and in a short time the patient is able to go about as usual." These tablets may be obtained at all drug stores. Ask for A-K Tablets. They are also unexcelled for headaches, neuralgia and all pain.

**CALCUTTA MAN IS
MARRIED IN OMAHA**

Secrecy Surrounds Wedding of Man from India to Girl from Sioux City.

SUITE AT THE FONTENELLE

Leaning on the strong arms of two stalwart friends, Peter C. E. Paul, who came all the way from Calcutta, India, to wed Miss Lu Tessa Wielenga of Sioux City, Ia., hobbled to the residence of the Rev. Mr. Gust Harvalis of the Greek Orthodox church, 1709 South Sixteenth street, took the marriage vow and as mysteriously dropped from sight.

During the last week mystery has shrouded the movements of Mr. Paul, his prospective bride and these intimately associated with them.

Saturday morning, bright and early, T. A. Smith of Sioux City appeared before Marriage License Clerk Herbert H. Stubbendorf and applied for a license permitting Peter C. E. Paul and Miss Wielenga to wed. The license was granted without the appearance of Paul or the lady of his choice, but not until Tuesday evening was the marriage ceremony performed. Friends of Mr. Paul assert that he was unable to appear before that time. The cause of his injury is held secret.

Clothed in Secrecy.
The Paul suite at the Hotel Fontenelle has been besieged by newspaper men without avail. Inquiries have failed to elicit the information shedding light on the assumed secrecy surrounding the marriage ceremony and movements of the principals.

James Harvalis, son of the officiating minister, and John Givomas, both Greeks, were witnesses at the marriage ceremony of the Calcutta capitalist and his Sioux City sweetheart.

According to the marriage license Paul was born in Calcutta, is 42 years of age and a white man without a strain of foreign blood, while his bride is 28 and a native of Iowa.

**BRENNER IS SENT
TO JAIL AND FINED**

Proprietor of Irvington Country Club Violates Restraining Order of Judge Leslie.

DOESN'T RUN MORAL PLACE

Ninety days in the county jail and a fine of \$200 is the penalty meted out to George Brenner, proprietor of the Irvington Country club, for violation of a restraining order issued by Judge Charles Leslie forbidding him from operating his resort for immoral purposes. Brenner was led from the court room in the custody of Deputy Sheriff Hogan and lodged in the county jail. Habeas corpus proceedings were immediately started and notice of appeal to the supreme court given by Attorney J. E. Von Dorn.

Motions for the arrest of judgment, for the dismissal of the defendant and attempts to halt action of the court were overruled by Judge Leslie after a lecture in which the court reviewed evidence secured by the Rev. Thomas Evans of the Irvington Congregational church, F. A. Anderson, member of the school board, and other members of the church who sleuthed about in the early-morning shadows.

Expert Chicken Chef.
When the case was called Wednesday morning, Brenner, who was surrounded by his bondsmen, took the witness stand in his own defense. Cross examination by County Attorney George A. Magney disclosed the fact that Brenner is known as an expert chef and that he makes a specialty of serving chicken dinners after midnight, these dinners being ordered by automobile parties from Omaha and vicinity.

In reviewing the evidence justifying finding Brenner guilty, Judge Leslie said:

"Evidence presented has not been as specific as desired, yet it is conclusive. The hotel is not conducted along the lines on which respectable hosteries are operated. It is an insult to the intelligence of this court to ask that stories tending to show the respectability of the place be taken as truth. Brenner has not shown that he had not violated the restraining order. Mr. Sheriff, take him to jail."
