STATE TAX LEVY IS FIXED AT 6.1 MILLS

Board of Assessment Makes Reduction of Seven-Tenths of Mill in General Levy.

STATE HOUSE IS SINKING

(From a Staff Correspondent.) Lincoln, Aug. 16.—(Special.)—A reduction of the state levy seven-tenths of a mill was made by the State Board of assessment this morning, making the total state levy six and one-tenths mills.

This will reduce the amount to be raised by general taxation about \$212,300, on an assessed valuation of approximately \$501,000,000, or about \$30,000,000 more than last year.

In considering the matter of a reduction of the levy the board took a report prepared by State Auditor Smith showing how much money would be needed and estimating the amount which would come in under the reduction compared with what might be spent.

POLITICIANS ARE YET MARKING TIME

Committees of Both Parties in Headquarters, But Not Going Fast.

BIG NEED IS FOR FUNDS

(From a Staff Correspondent.) Lincoln, Aug. 16.—(Special.)—Politics is not expected to take on a very strenuous appearance until the republican and democratic state committees have got the full forces under arms and have settled down to business.

Republican headquarters at the Lindell opened this morning, but there will be nothing doing of very much consequence until Secretary Beebe arrives on the job, probably next Monday.

At the Lincoln hotel, where the democrats expect to hold forth, matters are being left open until the arrival of Secretary Sprague of the committee, who will not be here until Saturday or Monday.

With both committees money is needed to make the wheels turn round and any patriotic citizen who desires to donate to either cause may rest assured that contributions will not be turned down.
