

Nebraska SCHOOL MEETING AT THE STATE FAIR

Superintendent Thomas Completes Plans to Get Patrons Together at Lincoln.

DELEGATES FROM DISTRICT

Superintendent Thomas is preparing for educational work during the state fair along rural school lines and has issued the following regarding the work during fair week.

Plans are laid for a monster mass meeting of rural school patrons, September 6 and 7, in conjunction with the state fair. A preliminary meeting convened in Lincoln May 25, at the office of the state superintendent, at which interested patrons from all parts of the state were present.

Meeting Places. The forenoon sessions will be given over to work in the committees, committee reports and general discussions. Meetings held in the forenoon will begin at 9:30. The chancellor and board of regents of the university have very kindly offered the use of the Temple theater in connection with the university for these forenoon meetings.

Delegates. Each district organized under subdivision III and known as a common school district, is entitled to representation. Delegates were not selected at the annual meeting, special meetings may be called or local boards of trustees may appoint. Each county is entitled to as many delegates as there are districts in the county, and if the districts fail to make provision for representation, the county superintendents may appoint. It will be well to make sure that the delegate appointed will be in attendance.

County Superintendents. All county superintendents are regularly appointed delegates and it is hoped that many will attend and participate in the councils of the convention.

Special Committees. The committee on committees announces the following list of subjects for special consideration and the committees in charge of the same:

1. Committee on courses of study and industrial education: State Superintendent A. O. Thomas, W. H. Campbell, Central City; C. H. Gustafson, Mead; O. J. Shroyer, Humboldt; E. Von Forell, Scottsbluff.

2. Committee on finance: W. J. Taylor, Meria; J. W. Parton, Morrill; J. M. Matzen, Fremont; E. D. Howe, Table Rock; D. H. Hummel, Nelson; M. F. Rickard, Guide Rock; H. D. Lute, Paxton.

It is hardly possible for these committees to get together before the dates announced. At the first session at 9:30, the morning of the 6th, meet-
