

HAPPENINGS IN THE MAGIC CITY

Enthusiastic Meeting of Young Republicans for Election of Officers.

HENRY BEAL IS PRESIDENT

REPUBLICAN CLUB OFFICERS.

President—Henry J. Beal. Secretary—John C. Schultz. Treasurer—Alvin Johnson.

These were elected to office at the meeting of the Young Men's Hughes and Fairbanks club held in the office of The Bee, South Side, last evening. The gathering was one of the most enthusiastic of political meetings held in several years.

Representative members from each of the precincts of the South Side were present with the work of the coming presidential campaign solely at heart.

A constitution was adopted, the principal articles providing for the total exclusion of the prohibition issue, the election of an executive committee to take executive charge of the affairs of the club and the adoption of resolutions of campaign procedure throughout the fall and winter.

Guy C. Kiddoo presided throughout the session until after the election of officers and in clear cut language directed the proceedings, reviewing what had already been accomplished and what was in order for the organization.

Henry J. Beal, labor worker and rising young attorney, who was elected to the presidency, took the chair and with a few brief remarks pledged himself to attend diligently to the progress of the institution.

The executive committee was elected by the board of governors to include the president, secretary and treasurer and also two other appointed members.

President Beal took under advisement the appointment of a committee of three men who will look after the campaign program.

The attendance last evening was large. Members of the board of governors who attested to the adoption of the constitution last evening are:

- John Martin, Max Tarasowski, Guy Kiddoo, Leo Kowalski, Louis Johnson, Fred Mann, Henry Beal, Edward Hampel, John Lane, John Schultz, Alvin Johnson, Paul Rowe, C. W. Carlson.

These men represent every nationality, packing house and residence district of the South Side.

Hog Men Go South. Definite assurance by President F. G. Steck of the Kansas City Hog Salesmen's association received at the last hour yesterday that there would be no "kangaroo court" when the Omaha delegation arrives in the Missouri town to be entertained this morning served to increase the enrollment.

At the last minute last evening Bert Anderson, chairman of arrangements, announced that there will be a least forty-three local men in the delegation.

The delegation boarded Pullmans in the Burlington yards at 10:30 o'clock last evening. The train left at 11 o'clock.

There were forty-three men in the party, representing banks, hog commission firms and other agencies of the stock yards, including the Union Stock Yards company and the Live Stock exchange.

Accused of Taking Car. Caught taking a valuable touring car which had been standing before the Rockaway restaurant at 2314 N. street yesterday noon, two young men, Ed Burns, chauffeur, 1616 Chicago street, and A. V. Chambers, 2055 L. street, South Side, are under arrest awaiting trial on a serious charge. They were arrested a quarter block from where they had taken the car, at the corner of Twenty-fourth and N. streets.

Fred Parks, a boy who saw the men drive away with the machine notified a policeman, who immediately made the arrest.

Another touring car was recovered by the South Side police earlier in the morning on the O street viaduct. The thieves had just left the machine and were making their getaway when the police arrived. They escaped.

Ed Gibbons, a switchman, was arrested late in the afternoon by the police, suspected of having stolen an automobile from in front of the Exchange building at the stock yards. He is being held awaiting investigation.

Detective to Make Trip. Meeting old-time cowpunchers of western Nebraska, the boys who were former pals, Eddie Fleming, detective on the South Side, who was formerly a Colorado cowboy here and a friend, Elmer Peyton of the North Side, will start on a 1,000-mile automobile trip this afternoon, going by way of the Lincoln highway.

The ultimate destination is Spencer, near which town Detective Fleming has a ranch. The Indian reservation at Nebraska will be visited and old acquaintances.

Lithuanians Will Talk. The Lithuanians of the South side have arranged for A. V. Bulota to deliver speeches tonight and tomorrow at New Serrillo's hall. Mr. Bulota is an attorney of recognized standing in Russia and will tell of the war conditions and make a plea for funds and clothing for war victims.

Held as Fugitives. Brady Bell and Germain Craig, two negroes wanted by the sheriff of Guthrie, Okl., on a charge of shooting to kill, were arrested by detectives at Twenty-eighth and Q streets yesterday. One of the men had several bullet scars on his back, showing where he had received a full charge of shot from a shotgun. They were booked as fugitives from justice and are awaiting the coming of the Oklahoma sheriff.

Want Car Line. Members of the West Side Boatmen's club met last Wednesday evening and appointed a committee of three, P. C. Caldwell, B. F. Marshall and E. G. S. Collins, to go before the board of directors of the Omaha & Council Bluffs Street-Railway com-

pany and attempt to persuade them to consider the installation of a street car line on Thirty-sixth street south from Q street to the county line.

Pet Show at Morton Park. The pet show held at Morton park, Forty-fourth and V streets, Friday afternoon was more of a success than even the promoters had expected.

There were 134 pets in the show. The animals included several Shetland ponies, a ram and several baby pigs. The boys and girls had much pleasure watching the pets. Many older folks visited the show.

Dean Hancock of Trinity cathedral, on behalf of the Humane society, talked to the boys and girls on the care of pets and he received close attention.

Morton park is a new recreation center for the boys and girls of the southwest corner of Greater Omaha. Commissioner Hummel hopes to make more improvements in this park next spring.

Barneston Founder Dead After Eighty-Seven Years in State

Beatrice, Neb., Aug. 19.—(Special Telegram)—F. M. Barnes, founder of the town of Barneston, this county, and who conducted an Indian trading post on the Blue reservation in an early day, died this morning at his home at Barneston, aged 84 years. He leaves a widow and five children. Mrs. Barnes is the oldest person born in the state, being born at Bellevue, Neb., eighty-seven years ago.

Aged Columbus Man On Way to Soldiers' Home

Columbus, Neb., Aug. 19.—(Special Telegram)—Edward Clark, the aged man who disappeared Tuesday afternoon, was found at Valley last night, where he asked for something to eat at a hotel. The landlord, knowing of his disappearance, notified the sheriff here, and Earl Clark went to that place this morning and returned with him this afternoon. Clark said he was on his way to the Soldiers' home at Leavenworth, Kan.

Improvers Take Steps Against Wayside Resort

The Northwest Federation of Improvement clubs at their meeting last night approved a committee composed of H. C. Timme and E. Vance, to confer with Sheriff McShane about the closing of an objectionable resort just outside the city limits, at Forty-eighth and Redmond.

The place has been in operation for a long time, but Sheriff McShane has never molested it, improvers say.

SAVE BIG ON FUR WORK RIGHT NOW

Dresher Bros.' Summer Fur Prices Make Lively Selling Season Out of Summer Period.

Kish, Dresher's Expert Furrier, Lowers Fur Making, Altering and Repairing Prices If Work Is Done at Once.

FUR DEPT. MOST COMPLETE.

If you had in your employ a group of high-priced workers you would want to keep them fairly busy, wouldn't you?

Well, that's the case at the Fur Making, Repairing and Altering Department at Dresher Brothers' Mammoth Cleaning and Dyeing Plant at 2211-2217 Farnam street, Omaha.

You see, Dresher's have a group of fur workers under the able supervision of Mr. Kish, an acknowledged fur expert, and all of these people must be paid salaries, even though the fur business is never at its best in the summer season.

For that reason Dresher Brothers, through Mr. Kish, will reduce prices heavily on any piece of fur made to order here during the present hot season. The same applies to repair and alteration work. Dresher's are willing to lower the prices now so as to firmly entrench themselves when the actual cold wearing season is on.

And the ladies of Omaha should know for a certainty that Mr. Kish will make up positively stunning fur pieces for them—he knows how—and he has at his disposal as fine a lot of furs as has ever been gathered together.

The same, with repairing and remodeling. Mr. Kish knows how—and Dresher's reputation backs that of Kish. Bring in your furs and have them gone over; be assured that the work will be stylish, snappy and thorough all the way through.

And, by the way, even though late in the season, many are still sending in furs to be stored in Dresher's Cold Storage Vault, the most perfectly equipped and scientifically planned of any in the United States. No moths, no fire or burglar danger; absolute safety at all stages of the game.

Phone Tyler 345 or leave work at the plant, 2211-2217 Farnam street, at Dresher The Tailors, 1515 Farnam street, or the Dresher branch in the Brandeis Store, or the Burgess-Nash Co. Dresher branch.

Those living out of Omaha have the same facilities accorded them. For Dresher's pay express or parcel post charges one way on any sized bundle to any point in America.
