

Prepare now and you won't have to "Dodge the Dead Line"

A grim and grisly ghost trots along on the trail of the workman of the rented house. The older he grows the closer creeps the ghost. This ghost is called the "Dead Line." It is the time when a man is too old to hold down a job. The worst thing about this phantom is that at the fatal moment it gets in front of Mr. Man and trips him up.

In and near Omaha there are many such spots, ranging in size from good size lots to acres. A home and a well-planted plot of ground, paid for while the pay envelope is plump, is the proper upholding for the grand bungalow.

Then when the employe trips over the Dead Line he can grab the Life Line, jump on the Trolley Line, ride out to Live Acres and live happily ever after.

Don't wait till you lose your job before you get your home. Locate it now. Read the advertisements on this page, select those sounding most attractive—"Go and look at them Saturday."
