Why Multiplied Thousands Choose the Chandler

TOTHING has been added to the price and nothing taken from the car N to compensate for the higher production costs of the Chandler Six.

Before the prices asked for other cars were marked up, Chandler was the first choice of thousands of careful buyers. It is not to be wondered at, therefore, that with distinct price advantage added to distinct mechanical superiority, the Chandler is first choice today of multiplied thousands.

Chandler sales for the year 1916 are setting a new big record for high

In the midst of extravagant claims for new and uncertain theories, the Chandler Motor, refined and perfected through three years of development, remains free from any hint of experimentation. And Chandler bodies are the most beautiful of the year.
