"The Rescue of Princess Winsome" will have its premier Saturday evening at 7:30 o'clock in the Bardsley theatre—beg pardon—garage at 5010 Davenport street. The seat sale has already begun, best seats in the house being placed at 10 and 5 cents. It will rival the city's charity balls in prominence, for this, too, is a charity benefit for the Child Saving Institute. Miss Evelyn Peironnet, Brownell Hall student, is stage manager, director, business manager, mistress of the wardrobe and advance press agent. Eleven more little Dundees, belonging to the fourth and fifth grades in school, are the thespians. And don't you think for a minute they are amateurs. Not a bit of it. This is their second annual appearance.

Omaha Starts Good Roads Boom on Way

The message boosting for good roads legislation in Nebraska and a state highway commission is to be carried throughout the state, starting at Omaha the morning of October 11. The Commercial Club of Omaha is fathering the automobile tour through which the message is to be started on its way. A lot of pamphlets bearing in condensed form the good roads legislation desired by the State Association of Commercial Clubs, is to be carried out of Omaha in automobiles on that morning. The Omaha crowd will drive from here to Lincoln, on to Hastings, Grand Island and intervening points. At each place they will leave bundles of the pamphlets with the proper authorities, or the commercial clubs, who will then carry them by means of similar auto tours to the adjoining towns. By this means the proposed good roads legislation is to get wide publicity, and the booster tours are expected to impress upon the minds of all the importance of such legislation.
