

Nebraska CONFERENCE SEEKS PERMANENT PLACE

Will Meet Next at University
Place and May Locate There
Each Year.

TO DISTRIBUTE EXPENSE

Hastings, Neb., Sept. 18.—(Special Telegram.)—University Place without opposition was chosen today as the meeting place of the 1917 Nebraska Methodist state conference. If conditions, conveniences and entertainment prove adequate the home of Wesleyan university may be made the permanent meeting place.

The further recommendation of the committee that future conferences be made self entertaining, the personal expenses being apportioned among the various churches represented by the pastors, brought forth a lively discussion.

Opposition of the recommendation succeeded in preventing a test vote which promised to carry the new plan.

Selfish Prayers.

Bishop Stuntz today told the preachers that there were altogether too many prayers that go from human lips that are misdirected because they are inspired by selfish motives and seek for selfish ends.

The statistician made his report, showing a net increase in membership of 7,000. The conference immediately and with great enthusiasm set its goal at net increase of 10,000 for the ensuing year.

E. N. Littrell, F. H. Urwin, J. D. Walker, F. J. Aucock, R. O. Smith, F. E. Sala and Alfred Chamberlain were advanced in their studies, and S. J. Wilton was discontinued at his own request.

Collections Increase.

The treasurer made report showing an increase in benevolent collections of \$51,000. The total amount of special collections was \$280,000. The bishop informed the conference that the total increase of the Nebraska conference alone would offset the total decrease of twenty-seven spring conferences.

The conference will probably close tomorrow noon, although it is not certain. The assignments of ministers will not be read until the adjournment.

J. D. Priest was granted a retired relation. In addition to those reported on Saturday Sam McKivon was elected to the deacon's order.

Given Order of Elder.

G. A. Bolas, G. W. Bruce, A. H. Eggleston, W. O. Harrell, H. F. Martens, R. E. Martin, W. N. Nacy, W. O. Romick, J. B. Wylie, L. R. Hunsberry, C. E. Catlett and B. A. Bessire were graduated from the course of study and elected to elders' orders. The assignment of ministers will be announced at adjournment, which is not expected to come before tomorrow noon.

The German Lutheran Nebraska conference closed last night after selecting Hastings and St. Paul's church (North side) for the 1917 meeting.

Two Hundred Hit the "Glory Trail" at Wayne

Wayne, Neb., Sept. 18.—(Special.)—Approximately 200 people, men, women, children and students from the State Normal and high school, walked down the "glory trail" at the three tabernacle meetings yesterday in Wayne, where Evangelist Clyde Lee Fife and a corps of skilled assistants are holding a union revival. The estimated attendance was 5,300, a record crowd for Wayne.

The chorus of 300 trained voices is an outstanding feature of the meetings, and the special musical numbers by the members of the evangelistic party are especially attractive.

An unusual departure in evangelism will be the men's meetings, held in a different place of business in Wayne each morning for twenty minutes, beginning tomorrow.

Suffragists Undecided What Plan to Follow

(From a Staff Correspondent.)
Lincoln, Sept. 18.—Mrs. W. E. Barkley, president of the Nebraska Equal Suffrage association, returned from the east yesterday, where she has been attending the national suffrage convention.

"Nebraska women will attempt to secure suffrage as soon as possible," Mrs. Barkley said in reply to a question as to which method the association would take. "If it seems possible to secure the ballot first by state amendment then we will take that course, but if it looks as if we will have to seek recognition by federal enactment, the association will devote all its energies along these lines."

Mrs. Barkley said she had secured many valuable pointers to be used in the Nebraska campaign.

Suspected Kansas Man Turned Over to Officers

Beatrice, Neb., Sept. 18.—(Special Telegram.)—Chief of Police Hayden of this city, who last week arrested Fred Altermoot, supposed to be the man wanted at Stockton, Kan., for the murder of Louis Banks on August 23, returned today from Stockton, where he turned Altermoot over to the sheriff. He says Altermoot confessed to the crime. There was a reward of \$500 for the capture of the murderer and Chief Hayden says that if he gets it, the sum will be divided among the police officers of this city.

Many Saints at Reunion.

Logan, Ia., Sept. 18.—(Special.)—Latter Day Saints' reunion on the camp grounds here yesterday was largely attended, not only from the rural districts and towns of Harrison county, but Omaha, Council Bluffs, Sioux City, Underwood and Defiance, were also represented.

Bishop James Kiers of Independence filled the pulpit in the morning, F. A. Smith of Lamoni in the afternoon and Herman C. Smith in the evening. The song service was exceptionally good and one among the entertaining features of the reunion.

Big Fight to Come Over Installation of New Power Lines

(From a Staff Correspondent.)
Lincoln, Sept. 18.—(Special.)—A big legal fight between the telephone interests on the one side and the electric transmission companies on the other is expected over the question of who shall pay for changing the aerial equipment of telephone lines when it is necessitated by the placing of transmission lines on the same highways.

Transmission of power for long distances is a product of twentieth century advancement, it is now declared, and telephone companies must arrange to meet the changing conditions. As a result, both sides are preparing for a contest to determine who must pay for the cost of changing the lines underground.

Notes from Beatrice And Gage County

Beatrice, Neb., Sept. 18.—(Special.)—Fred Altermoot, supposed to be the slayer of Louis Banks at Stockton, Kan., August 23 last, and who was arrested here Friday night by Chief of Police Hayden, was taken to that place Sunday by the officer. There is a reward of \$500 for the capture of the murderer of Banks, and the chief says that if he proves to be the man wanted the money will be divided equally among the officers on the local police force.

Clarence Cain died at his home in this city Friday night after a prolonged illness, aged 31 years. He leaves two brothers and one sister.

"Rip" Monroe, who hurled part of one season for the Beatrice ball team in the Nebraska State league, and who has been with Memphis, Tenn., the last season, has been drafted by the Yankees.

Alber Close, an old resident of Beatrice, died at the home of his sister, Mrs. J. Dixon, aged 65 years. He is survived by his sister, Mrs. Dixon, and her daughter, Inez.

Railroads to Show Cause For Shortage of Box Cars

(From a Staff Correspondent.)
Lincoln, Sept. 18.—(Special.)—Nebraska railroads must show cause for the shortage of cars to haul grain, according to an order of the railway commission issued today. The order is directed especially at the practice of the roads of not returning cars from other roads.

A Burlington official wrote the railway commission a short time ago, declaring the present condition made it simply a game of grab, other roads retaining as many cars as they could. The commission will question the roads' representatives on why they don't ship the empty cars back to the companies that own them and make them available for immediate use.

Chadron Will Have Free Mail Delivery

Chadron, Neb., Sept. 18.—(Special.)—Free delivery of mails will begin at Chadron November 1. Work on the new federal building, which will be located on a site 50x150 feet at the corner of Third and Main streets, will start soon. The postoffice will occupy the lower floor and the United States court the upper floor. Congress appropriated \$125,000 for the building and \$15,000 was paid for the lot.

The city council is advertising for plans for the new city hall, bonds for which were voted a few days ago. The building will cost \$15,000.

Feud Leader Killed By Federal Marshal

Lexington, Ky., Sept. 18.—Ward reached here today from Perry county to the effect that Mose Felner, known throughout the country as one of the leaders in the Hargis-Cockrell feud in Breathitt county in 1906, had been shot and killed by United States Marshal G. A. Sizemore, while Felner was resisting arrest.

McKinley Club to Hold "Some Opener" Next Monday

The McKinley club of Omaha will have a campaign opener of its own next Monday evening. It will not be a little opener, either. President Byrne says it will be "some opener."

Henry J. Allen of Kansas, and President Rathbone of the Hamilton club, Chicago, will be the principal speakers.

Scottish Rite Masons Meet at Pittsburgh

Pittsburgh, Pa., Sept. 18.—Members of the supreme council of the Ancient Accepted Scottish Rite of Free Masonry, northern jurisdiction, expected to put in a busy day today preliminary to the formal opening of the 104th annual meeting here tomorrow. This morning the Pennsylvania consistory exemplified the proposed thirty-second ritual (1912), while in another part of the Masonic temple a meeting of the Royal Order of Scotland was held. The committee on charitable foundation held a conference later, which was followed by the exemplification of the proposed thirty-second degree (1915).

CITY PAVING BONDS POSSIBLY INVALID

Smaller Towns Vivaly Inter-
ested in Suit Now in Su-
preme Court.

STATE HOLDING THE PAPER

(From a Staff Correspondent.)
Lincoln, Sept. 18.—(Special.)—The validity of several thousand dollars of municipal paving bonds, which the state of Nebraska bought and holds as an investment for its educational trust funds, is involved in a suit from Buffalo county, argued before the supreme court at its first fall sitting Monday forenoon. The case is entitled Chittenden against Kibler, and was brought by the property owners in the city of Kearney who objected to paying for pavement on the streets fronting their real estate.

Many Cities Interested.
Private purchasers of the paving bonds issued by the other cities of 5,000 to 25,000 population are likewise affected by the suit. The law providing for the issuance of these bonds was passed in 1913. Nearly a dozen cities besides Kearney have laid pavement and assessed taxes under its provisions. Should the law be knocked out it would make all of the bonds which have been issued worthless. The state has bought \$180,000 of these bonds and another \$35,000 is in the hands of the state treasurer.

Bill Radically Altered.
The point of attack in the suit from Kearney is that the bill, as introduced in the legislature, was radically amended after being read two times and its title changed to such an extent that the measure was virtually a new bill. As first offered it applied only to first-class cities of 5,000 to 25,000 inhabitants, while the second-class cities were dropped out.

This, it is claimed, was contrary to the provisions of the state constitution, which requires a bill to state its subject matter in the title and does not permit amendments which are not germane to the title. In this instance, it is contended, the amendment was in reality a new bill, and could not legally have been incorporated in the one that was being considered.

Of such importance is the case held to be that city attorneys of Fremont, Nebraska City and Beatrice, where considerable paving is being done, appeared in the supreme court to hear the arguments and will assist the attorney general in preparing a brief in defense of the paving law.

Saloon Law in Same Fix.

Should the attack on the law prove successful it might pave the way for an attack on the daylight saloon law, which was passed in a good deal the same manner. The bill which afterward became the daylight saloon law was originally introduced as a simple measure requiring saloons to close on election day.

Work Begins on New Depot for Tecumseh

Tecumseh, Neb., Sept. 18.—(Special.)—Work was started in Tecumseh yesterday for the new Burlington depot. A crew of men began taking the platform away from the old depot. This is to be moved out of the way for the new track, and following the laying of the track work will begin on the new depot. Foreman Anderson is looking for laborers, giving out the word he could use thirty more men.

Pleads Guilty to Assault.

Beatrice, Neb., Sept. 18.—(Special Telegram.)—J. J. Gould, charged with criminally assaulting Gladys Burton, 13 years old, pleaded guilty today before Judge Ellis. He was held to the district court on bond of \$2,000, in default of which he was lodged in the county jail.

SPEAKERS COMING FOR REPUBLICANS

Congressmen Fordney, Ander-
son and Frear Will Make
Addresses in State.

DEVOTE TO PROGRESSIVES

(From a Staff Correspondent.)
Lincoln, Sept. 18.—(Special.)—Manager J. V. Craig of the republican speakers' bureau received information today that the following speakers will come to Nebraska for campaign speeches:

Congressman Fordney of Michigan, September 21 and 22, probably at Aurora and York.

Congressman Sidney Anderson of Minnesota, week of September 25, itinerary not arranged.

Congressman J. A. Frear of Wisconsin, September 23 to 28, first district and elsewhere.

Devote Accepts.
R. W. Devoe, republican candidate for attorney general, has sent a letter of acceptance to the progressive state central committee after being named as the progressive candidate for attorney general.

He says in part:
"I believe I voice the sentiment of my party when I say that the action of the progressive party in joining with the republican party in the national as well as in the state campaign, for the achievement of our common purposes is one of our country's finest examples of good citizenship—placing the progress and welfare of our institutions above individual preference or present partisan interest."

Minden Will Have Mid-Winter Fair

Thousands of people are expected. The cattle and horse exhibits promise to be good.

Section Hand Injured In Peculiar Accident

Tecumseh, Neb., Sept. 18.—(Special.)—Mike Boler, a Bohemian section hand on the Burlington, was seriously injured near Elk Creek. He was riding from work on a motor-driven car, with his fellow workmen. A special train ran the outfit down. The men had time to get off the hand-

car, but did not have time to remove it from the track. The locomotive struck the car, threw it in the air, and Boler was struck by it. Several bones were broken and he was otherwise injured. Boler was taken to hospital at Lincoln for treatment.
