

BEN EARL WINS HARTMEN PACE

First Choices Sweep Card of Three Events at Columbus Meet.

EDWARD GEERS IS INJURED

Columbus, O., Sept. 20.—First choices swept a card of three events at this afternoon's Grand Circuit races, Peter Stevens was successful in a trial to beat 2:02 1/4, and Edward Geers, veteran driver, was injured when Sir Anthony Carter, his Hotel Hartman stake candidate, went into a pile that was caused when Rythmaid fell. Mr. Geers is now in a hospital and may be kept there several days, as he is badly bruised. Peter Look was the only favorite to win in straight heats, he being easily the best of five-year olds starting in the Horse Reviews sturty pace. Rose Magee, second choice, made a break in the second heat and was distanced.

Ben Earl from Omaha, won the Hotel Hartman pacing stake, the second heat being taken away from him by Young Todd, from which Walter Cox got a mile in 2:02 1/2, the fastest ever done by a four-year old pacer. In the next heat Young Todd was not so good and was beaten for the place by Sir Anthony Carter, which Dick McMahon drove after the disabling of Geers in the first heat. It was on the far turn that Rythmaid fell. Sir Anthony Carter was too close to avoid a collision. Geers was pitched high in the air. In falling he alighted on his right shoulder. The problem, still farther back, was driven wide just in time to keep T. W. Murphy from being thrown. Rythmaid's driver was not hurt. Esperanza did not do so well in the first two heats of the 2:07 trot, there being a spill between Mirthful and Sister Strong. The California mare took the race by winning the next three heats. Sister Strong was a good contender in each. Peter Stevens, in his attack against 2:02 1/4 did the first quarter in 29 1/2 seconds, and reached the half in a minute flat. The third quarter was the fastest of all, being in 29 1/4 seconds. He tired coming through the stretch, but not enough to make his attempt a failure. The full mile was in 2:01 1/2.

THIRD DISTRICT IS IN LINE FOR WARNER

Reports Given at Meeting of Congressional Committee Are All Favorable.

HUGHES SENTIMENT SOLID

Norfolk, Sept. 20.—(Special).—The political fences of Congressman Dan Stephens appear to be badly broken down in many places in the Third congressional district, judging from the conversation one hears on the trains and from talking with men who have heretofore supported the democratic congressman. There appears to be a general feeling that William P. Warner, so well and favorably known all over the district, will give Mr. Stephens the fight of his life, and that he will poll a good majority. This is based on the fact that many democrats who have in the past supported Mr. Stephens boldly come out and pledge their support to the republican candidate.

Predict Victory. The Third district at the last election gave state candidates on the republican ticket around 3,000 majority in the district, which in the mind of republicans indicates that if republicans do their duty Mr. Warner will be elected. Republicans all over the district who have formerly supported Mr. Stephens now come forward with assurances that they are through with the Fremont congressman and will not only vote for Mr. Warner, but will get out and work for him. The republican congressional committee met here Tuesday evening with practically a full representation, and the reports justified the prediction that the Third district would be found represented by a republican in the next congress.

Revival of Republicanism. There appears to be a great revival of republican sentiment in this part of the state. Republicans feel the victory spirit in the air, and are putting on their old-time enthusiasm. Senator Hitchcock and his two publicity agents were in Norfolk yesterday, but in a quiet way, appearing to be aware that they are facing a losing fight and that a gumshoe campaign is about the only thing left for them to follow. Of course the senator is making some speeches whenever he can get a crowd to listen, but people are waking up to the fact that good crops and high prices cannot be claimed by democratic orators as due to the workings of a democratic tariff bill.

The Eight-Hour Law.

"Some of us are wise to the fact that the passage of the eight-hour Adamson bill was nothing more or less than an effort to corral the railway men's votes," said a railroad man yesterday on the train coming from Fremont to Norfolk, "and we don't propose to have the wool pulled over our eyes that way. I don't know what the rest of them are going to do, but as for me I shall vote for Mr. Hughes." This man said that he found a general Hughes sentiment among the men of his acquaintance, and he believed the young men of the country were going to get behind the New York man.

OMAHA SAYS HELLO TO THE NEW COACH

Dr. Stewart Is Guest of Omaha Alumni at Smoker at University Club.

IS PLEASED WITH NEW JOB

Some Omaha followers of the fortunes of Cornhusker foot ball may have had some misgivings last winter when it was announced that Dr. E. J. Stewart, coach of the Oregon Aggies, had been selected to succeed the successful E. O. Stiehm, who brought such gridiron fame to Nebraska. But if the Omahans did have those misgivings and then attended the smoker at the University club last night they quickly vanished into thin air.

Dr. Stewart was the guest last evening of the Omaha alumni of the Husker institution at an informal smoker and scores of Omaha foot ball fans were on hand to meet him and extend their well-wishes and assure him of their support.

Dr. Stewart has undertaken a difficult task. He won't have any Chamberlains, or Halligans, as did Stiehm. But Dr. Stewart's shoulders are broad. He looks like a man who can face his task in the face, fight to the end and return victorious if it is at all possible. Omahans was satisfied that Nebraska made an excellent choice when it asked Stewart to fill Stiehm's shoes. Dr. Stewart didn't promise to sweep the Missouri valley this fall. He did not promise to win every game on the schedule. It's easy to make promises. Anybody can make promises. But the new mentor did say a few good words for Nebraska. He was pleased with his reception in his new field, in fact, he was more than pleased, he was elated. There is no hospitality in the world like that of Nebraska, is Dr. Stewart's belief, and everybody agrees with him.

He said he was pleased with his charges. They are a bright, clean bunch of chaps, eager to work, willing to learn, never complaining, never shirking, the best bunch in the world to select an eleven from. Dr. Stewart is also pleased with the support and encouragement he has been given by the student body, the alumni, and by Nebraska. "I'm mighty glad I came to Nebraska," he said, "the new coach's parting words." Dr. Stewart, accompanied by Guy Reed, who is an old acquaintance in Omaha, came up from Lincoln after practice yesterday just to attend the smoker last night. He promises to come again.

ROUMANIANS WIN FIGHT IN DOBRUDJA

Bucharest War Office Says Teutons and Bulgars Defeated in Enigea Region.

SOFIA DISPUTES THE CLAIM

Bucharest, Roumania, Sept. 20.—(Via London.)—The official report issued today by the Roumanian war office announces that the Roumanians have gained a success against the German and Bulgarian troops in the province of Dobrudja. The fighting was in the region of Enigea, nineteen miles south of the Constanza-Tzernavoda railway. The battle in this region continues, the statement adds, "where the Roumanian efforts are directed against the principal enemy forces, according to movement prescribed by command."

Bulgars Driven from Florina. Paris, Sept. 20.—The last of the Bulgarians have been cleared out of Florina, near the western end of the Macedonian front, the war office announced today. After the occupation of the town by the entente forces, Bulgarian soldiers held out for a time in several houses, resisting with savage energy. One hundred prisoners were taken in completing the capture of these positions.

GREECE DEMANDS RETURN OF ARMY

Ultimatum to Kaiser Insists Upon Release of Division Kidnaped from Kavala.

WAR IS THE ALTERNATIVE

Athens, Tuesday, Sept. 19.—(Via London, Sept. 20, Delayed.)—There is reason to believe that the Greek government has sent an ultimatum to Germany and Bulgaria expiring Wednesday night, demanding the immediate return of the soldiers taken prisoners at Kavala.

London, Sept. 20.—A Reuter dispatch from Athens under date of September 19 says: "It is learned on good authority that this morning's conference of Premier Kalogeropoulos and the foreign minister with King Constantine resulted in a decision in principle for a departure from neutrality with a view to dissipating the entente's apparent distrust of the new cabinet. When the Greek seaport of Kavala was entered by German and Bulgarian troops the city was garrisoned by the Fourth Greek army corps. According to an official statement issued by Berlin the entire corps, consisting of 20,000 men, asked the German commander for food and shelter and protection against the entente forces. The statement said that to prevent any breach of neutrality the Greek soldiers would be transported to Ger-

many, to be kept there as guests of the nation. The German account of the affair differs radically from that given out at the allied capitals and from stories sent out from Athens. The number of soldiers transported to Germany, according to these versions, was less than a thousand, one account placing the total at seventy officers and 800 men. The remainder of the garrison is variously said to have been transported to Saloniki by the French authorities and to be encamped on the island of Thasos. A recent dispatch from Athens reported the arrival of some members of the Kavala garrison in the Greek capital, but no numbers were given. Persistence Is the Cardinal Virtue in Advertising.
