HAPPENINGS IN THE MAGIC CITY

Ten and Costs Is the Levy Made From All Road Violators in Sarpy.

MRS. REED IS NEAR DEATH

"This court is easy compared with that Sarpy county holdup," quoth a belated autoist who had been rounded up by Motorcycle Officer Pipkin at the local jail. He related how things were in Sarpy.

Eight speed cops patrol the roads within the county to the south, so it is asserted. The coppers are vigilant. Each constantly has with him a set of the state laws and amendments that have only recently been passed. They stand for no argument. Bright lights, violation of road rules and other minor offenses, besides speeding, are included in the indictment. "No Golden Rule down there," continued this man. "They have court already set up and there is one single standard, 'ten and costs,' to one and all."

Mrs. Reed Is Worse. Police court was not held yesterday. Mrs. Reed, wife of Judge Reed, is reported to be rapidly getting worse. Local physicians have given up hope of her recovery. The judge called in specialists from the North Side yesterday.

Plan for Campaign. At a conference of precinct leaders of the Young Men's Hughes and Fairbanks club to be held this evening at the club headquarters, plans for

the immediate campaign will be taken up. A committee will be appointed to meet with members of the South Side Republican club at its first meeting, which will be held the latter part of this week or the first part of next. The club will co-operate in arranging for two or three big republican rallies before November 4.

E. J. McGuire of Omaha will speak at the meeting tonight. President Beal plans to appoint a committee to work out the details of the big torch-light parade, which will be held through the streets of both the South and North Sides on the night of October 7.

A large number of Hughes and Fairbanks buttons are on the way. These, with pamphlets, will be distributed among the workmen at the local packing plants at noonday meetings some time in the near future.

Jacob Frahm Dead. Jacob Frahm, aged 77 years, died Wednesday evening at his home, 3726 South Twenty-third street. He is survived by a wife and two children, a daughter, Mrs. Tom Ferris of the South Side, and a son, Erwin Frahm of Prague, Neb. The body was forwarded to Prague, where the funeral will be held at the German Lutheran church. Interment will be made in the Prague cemetery.

Bridge Is Burned. Train service on the Burlington route between Omaha and South Omaha was tied up on a single track yesterday, due to the burning of the freight-track bridge Tuesday afternoon at the cut in the road near the cooper shops on the West Side. One South Side fire company answered the call but was unable to save the structure. The bridge was about sixty feet in length.

Veteran Robbed of Cash. Patrick Mills, Genevieve, Ill., was strong-armed at the corner of Twenty-fourth and N streets Wednesday evening at 5:45 o'clock by a

young negro who appeared to be about 25 years of age. Mills said he was an inmate of the Old Soldiers' home at Genevieve and was on his way to Hector, Wash.

Progressive to Speak. Henry J. Allen, former progressive candidate for governor of Kansas, will speak at the exchange building in the stock yards Monday noon under the auspices of the Young Men's Hughes and Fairbanks club of the South Side. President Beal and Guy Kiddoo of the South Side club completed the arrangements yesterday at the county republican headquarters.

A block of several hundred seats has been reserved by local committeemen at the big Hughes meeting in the city auditorium, when the candidate for the presidency appears in Omaha for the seating of first voters. Members of the Hughes and Fairbanks club will occupy the front rows of this reserved section.

Efforts are being made by the South Side club to hold a number of noon-day meetings all through the campaign in the stock yards and packing house district, with prominent republican leaders speaking.

SOCIAL CENTERS IN EIGHT SCHOOLS

Recreation Board Approves Program Worked Out by Superintendent English.

SUPERVISOR AT EACH PLACE

The Recreation board last evening approved Superintendent English's program for opening of social centers in the following schools, beginning about November 1:

Central Park, Monmouth Park, Miller Park, Kellom, Castelar, Deaf Institute, West Side and Dundee.

The program contemplates engaging a supervisor for each center, as was done last season; also an athletic director for men and boys, and another athletic director for girls and women. The centers will be open four evenings a week and the athletic directors will divide their time between the eight centers.

It is proposed to hold weekly conferences in the auditorium of South High school and an effort will be made to take advantage of the gymnasium of that school. It will be necessary to equip the West Side school, South Side, with lights and chairs. Superintendent Booth of the Deaf institute has offered to co-operate with the Recreation board in making the social center at his school a success.

The Dundee school is particularly adapted to social center uses, having a moving picture outfit, splendid auditorium and a gymnasium.

Three New Centers. The social centers will be opened the first time at the Dundee school, Deaf institute and the West Side school.

The board agreed to back Superintendent English in his effort to get the 1918 meeting of the National Association of Recreation and Playground Directors for Omaha. The Commercial club is interested in the project. Mr. English will attend the next meeting of the association, which will be in Grand Rapids beginning October 2. These meetings are attended by more than 3,000 recreation and playground directors of the United States.
