

Nebraska KENNEDY AND REAVIS SPEAK AT LEWISTON

Candidates for Senate and House Address Mass Meeting in Pawnee County.

STOPS AT OTHER TOWNS

Lewiston, Neb., Sept. 27.—(Special.)—After pointing out the great number of instances in which the democratic party had abandoned and failed to live up to platform promises, and after describing the manner in which President Wilson had failed to be governed by the promises of the platform on which he was elected, John L. Kennedy of Omaha, republican candidate for United States senator, stated at a mass meeting here today: "The platform of the democratic party is like the platform of a street car. It is used to get in on, but not to stand on." Mr. Kennedy and Congressman C. F. Reavis of Falls City visited here today in company with two automobile loads of candidates for county offices. E. H. Gifford of this place headed the reception committee here and introduced the speakers, and John Herold, prominent farmer and citizen, entertained the visitors at a noonday dinner at his farm home. Mr. Kennedy asked the farmers of Nebraska to insist on the dignity of the American constitution, even at the hands of the president of the United States, and he pointed out that during the last three years the democratic president had repeatedly usurped the function of the legislative branch. He added that if this was tolerated there was nothing to prevent the usurpation of the judicial branch also and the consequent violation of the underlying principles of the American government. Mr. Kennedy's good-natured and humorous treatment of his subject won to him an enthusiastic audience.

Reavis Charms Audience

Congressman Reavis charmed his audience with a telling address which was for the most part not political. However, in closing he said that the Underwood tariff legislation of the democratic congress and the rivers and harbors bill were the most sectional bits of legislation ever enacted. He pointed out that the Underwood tariff bill gave protection to the products of the states from which President Wilson and Mr. Underwood came, and left unprotected the products of the Nebraska farmer and the states of the north. He referred to the fact that all of southeastern Nebraska had been benefited by drainage districts which the Nebraska farmers built at their own expense and that the democratic congress had by its recent legislation appropriated \$9,000,000 to do the same thing for the south. Mr. Reavis said that he had always voted against this sort of legislation and that Senator Hitchcock and his opponent, ex-Congressman Maguire, had always voted for it. Mr. Maguire, he said, had stated that he would obey President Wilson. As for himself, Mr. Reavis said that he would not. He said that in England they stood by the king, and in Russia they stood by the czar, but that in America the sovereign power is the people of the United States, and that he would stand only by them and be governed by their needs. He added that, if he chose, it would be hard to stand by President Wilson, as President Wilson would not stand still. He referred to the vacillating policy of this administration in all important matters. Adam McMullen of Wymore, candidate for state senator, also spoke on matters of interest in state and county politics. His speech was well received. Much interest was aroused by the visit of the candidates today, and the statement by the speakers that the First district of Nebraska stands first in literacy in the United States, has caused much favorable comment. It is confidently predicted that the republican ticket will win in this county.

Talks to School Children

Bookwalter, Neb., Sept. 27.—(Special.)—Just after the dismissal of school here this afternoon John L. Kennedy of Omaha, republican candidate for United States senator, and Congressman C. F. Reavis of Falls City addressed a gathering of townspeople and farmers from this neighborhood in the public school building. Adam McMullen of Wymore, republican candidate for state senator, also spoke.

Johnson Dry Boosters Make Tour of County

Tecumseh, Neb., Sept. 27.—(Special.)—One hundred dry boosters, traveling in twenty automobiles, left Tecumseh early Monday morning and made a circuitous trip of the county, with a side trip to Burr, Otoe county. The towns visited were Vesta, Crab Orchard, Sterling, Burr, Cook, Graf and Elk Creek. Several short addresses were made at each stopping point, the speaking being by local talent, including Judge S. P. Davidson, Hugh LeMaster, J. C. Moore, the preachers of the county, F. Liphardt, John H. Howarth and others. Cordial receptions were the order, and at Cook and Crab Orchard the schools were dismissed and teachers and children were in the crowd.

Alleged Bootlegger Settles with Uncle Sam

McCook, Neb., Sept. 27.—(Special.)—Deputy Revenue Collector Cecil Matthews of Hastings was here yesterday in the discharge of his official duty and ran to earth a case of bootlegging which has been suspected by local authorities. "Little Bill" Escher squared the matter with the deputy collector by paying \$37.50. Escher admitted that quantities of booze were shipped here in his name and that he "split" the shipments with other parties. Just what action may be taken by the local authorities has not been determined.

Inquiry Begins Into Death of Mrs. Nichols of Laurel

Sioux City, Ia., Sept. 27.—(Special.)—Dr. Leonard De Vore, formerly city health physician at South Sioux City, Neb., has left his home in the Nebraska suburb and is being sought following an investigation of the death of Mrs. Katie May Nichols, 30 years old, which occurred at the physician's home on Monday, September 18. The body was brought to Sioux City and later taken to Laurel, Neb., the home of the woman's parents. Peritonitis was given as the cause of death, but relatives of the young woman were not satisfied and an autopsy was performed at Laurel. A condition is alleged to have been found that caused County Attorney Frum, Dakota county, to start an investigation. It came to a head last evening, when Miss Laura Nelson, Dr. De Vore's housekeeper, was taken into custody by Sheriff Caine. She was not held in jail, but is detained as a witness. Several days ago the doctor departed from his home and did not state his destination to his housekeeper. The parents of Mrs. Nichols, her husband and a brother reside at Laurel.

Railway Commissioners Hear Phone Controversy

Fairbury, Neb., Sept. 27.—(Special Telegram.)—Jefferson county rural subscribers of the Lincoln Telephone & Telegraph company thrashed out their grievances today before the Nebraska Railway commission. Ever since the first of the year, rural patrons have been up in arms at the increased rates and poor service and many of them have had their telephones removed. The patrons allege that representatives of the telephone company called on them and agreed to rebuild the entire telephone system and give them superior service. It is maintained that the company failed to keep its promise, that it was merely a scheme to get an increase in rates. A number of mass meetings were held early in the year and an organization was formed among the rural patrons. The railway commission was appealed to—which finally resulted in the hearing. The commission took the matter under advisement.

Evans Cowles of Los Angeles, president of the national federation of woman's clubs, and Mrs. Carrie Chapman Catt of New York, head of the international suffrage movement, and Mrs. William Jennings Bryan are among the noted women who will attend. Mrs. Bryan will address a public meeting Sunday afternoon. The suffrage convention opens Monday for a three-day session and the federation will convene on Tuesday.

Gothenburg Will Have Harvest Home Festival

Gothenburg, Neb., Sept. 27.—(Special.)—Gothenburg will celebrate its third Colt Show and Harvest Festival October 12 and 13. Fifteen hundred dollars has been donated by the business men for prizes and a big barbecue to be held the second day. A free foot ball game for farmers between Central City High school and Gothenburg High school has been arranged for. The Gothenburg concert band will give concerts during the festival. Last year 10,000 people attended the barbecue on the last day and it is expected that a larger crowd than that will be in attendance this year.

HARDY LAUDS BRYAN; DEMOS DISPLEASED

Small Gathering of Lincoln Bourbons Hears Displeasing Talk by Texan.

BEACH IS COVERING STATE

(From a Staff Correspondent.) Lincoln, Sept. 27.—(Special.)—The first democratic gun in the national campaign failed to arouse much attention in Lincoln last night, when Congressman Rufus Hardy of Texas addressed the voters at the city auditorium. A sparse hundred in the audience could not relieve the barrenness of the big hall nor pump up much enthusiasm for the speaker's remarks. Democrats, who had expected a strong eulogy of President Wilson were strongly disappointed. The democrats were sorely tried by the lukewarm expressions of the Texas congressman, who devoted more attention to singing the praises of W. J. Bryan than he did to telling of the work of Woodrow Wilson. The audience of Lincoln democrats had not come to be told of Bryan's services to humanity. Hardy said Bryan's place was safe in history—he did not see fit to assure his audience that Wilson had such a certain hold on a place in the hall of fame.

Beach in North Nebraska

Chairman Beach of the republican state committee is holding two district meetings at Norfolk and Emerson with county workers. Chairman Beach is spending most of his time out in the state looking after organization matters just now while Secretary Beebe is doing the heavy act at campaign headquarters. A large amount of literature covering the administration's record for efficiency and economy is being sent out now.

From reports reaching the republican state headquarters, it appears that Robert W. Devoe, candidate on the republican ticket for attorney general, is doing much good for republicanism in Nebraska. One of his best meetings in his whirlwind campaign of the state was at Geneva, Tuesday night, when he spoke at the court house to a large number of Fillmore county citizens. Devoe talked law enforcement from the standpoint of the attorney general and from reports coming in from Geneva he made a decided hit. Mr. Devoe will spend all of the time until the campaign closes in an automobile tour of the state.

Telephone Controversy Is Settled by Commission

(From a Staff Correspondent.) Lincoln, Sept. 27.—(Special.)—At a telephone and power company conference today before the Railway commission, the Gilbon Telephone company and the Kearney Power company controversy was settled by the agreement of the latter to pay several hundred dollars to assist in the canvass of phone patrons to secure their consent to the change in service necessary. The Gilbon company had asked the commission to force the Kearney company to pay all the expense of the changes in its wires made necessary by stringing transmission lines, but this was withdrawn. The settlement does not affect other cases of dispute between telephone and telegraph companies.

Kinkaid Makes Short Addresses at Thedford

Thedford, Neb., Sept. 27.—(Special.)—Congressman Kinkaid was in Thedford Tuesday and took very kindly to the program outlined for him by the leaders of his party at this place. Mr. Kinkaid had no intention of making a speech, but by request spoke to the High school students in the forenoon and to quite an audience gathered in the court house in the afternoon to hear him make a short address.

Anderson and Sloan Speak at Stromsburg

Stromsburg, Neb., Sept. 27.—(Special Telegram.)—The republican speaking campaign opened here last night with Congressman Sidney Anderson of Minnesota and Congressman Chas. H. Sloan as speakers. The meeting was held at the opera house and the speakers held the audience for two hours explaining national affairs. The talks that these gentlemen made is what will count in a farming community and Polk county will roll up a majority for the entire republican ticket.

Arraigned On Shooting Charge

Beatrice, Neb., Sept. 27.—(Special Telegram.)—R. L. Hall was arraigned today on the charge of shooting a Mexican in the Burlington yards here Monday evening with intent to wound. He pleaded not guilty and his case was set for hearing October 27. In default of bond he was remanded to jail. Hall says that he shot in self-defense after the Mexican opened fire on him. Hall's step-sister pleaded guilty to the charge of carrying concealed weapons and was bound over to the district court.

OMAHA TO LINCOLN INTERURBAN MOVE

Lincoln Men Ask Permission to Increase Stock and Bond Issue.

SAY OWN RIGHT-OF-WAY

(From a Staff Correspondent.) Lincoln, Sept. 27.—(Special.)—Interurban development in Nebraska is again foreshadowed in action taken by the Nebraska Railway commission here today. After a conference between President W. E. Sharp and General Manager Branlette of the Traction company, it was announced that a hearing will be held next Monday on the application of the Omaha, Lincoln & Beatrice interurban for permission to increase its issue of stock and bonds from \$3,200,000 to \$4,750,000. Affairs of the Lincoln Traction company and the interurban are now closely interlinked. Practically all of the right of way for the proposed line to Omaha has been ranged for, it is said, and work may start in the early spring.

Political Day at Fair. Beatrice, Neb., Sept. 27.—(Special Telegram.)—Today was democratic day at the county fair and a crowd of 5,000 was in attendance. Congress-
