CRANK REVEALS DEM BUNCO GAME

Colorado Speaker Cites Figures on Trade at Meeting at Alliance.

COMPARISON TELLS STORY

Alliance, Neb., Sept. 28.—(Special.)—W. J. L. Crank of Colorado aroused republican enthusiasm to the highest pitch at the meeting here. He tore the mask from the face of democracy and showed from facts and figures, the false pretense by which the democrats are trying to perpetuate their grafting administration on the people.

The Sale of Wheat.

"Our sale of wheat to Europe during the first year of the war compared with the first year of the present tariff law, in time of peace, increased from \$103,595,000 to \$316,262,000, a gain of 205 per cent. Our wheat is used to feed the armies of Europe. But what was wheat worth in this country at the time of the breaking out of the European war? To show the effect of this war on our prosperity, let us compare the year from September, 1913, to September, 1914, the year of peace, the first year of the present Underwood tariff law, with the year from September, 1914, to September, 1915, the year of war, and the second year of the present Underwood tariff law. From this comparison we can judge the cause of our prosperity.

Quantity of Breadstuffs.

"During the year of peace we sold in breadstuffs to Europe \$181,484,000; in the year of war we sold to Europe, \$367,607,000, a gain of 203 per cent.

"In the year of peace we sold to Europe horses to the value of \$3,177,000; in the year of war we sold horses to the value of \$82,276,000. In the year of peace we sold mules to the value of \$622,000; in the year of war we sold mules to the value of \$18,041,000. We sold hay in the year of peace to the value of \$790,000; in the year of war, \$2,263,000.

Figures for Peace.

"During the year of peace we sold meats and dairy products to the value of \$138,736,000. During the year of war we sold the same products to the value of \$243,098,000. We sold sugar to the value of \$4,341,000 in the year of peace, and during the year of war we sold sugar to the value of \$36,816,000.

"These figures might be carried out to a greater length, showing the same state of facts.

"Why should not the farmer be prosperous? Not on account of the democratic administration, but in spite of it."

Four Fires Started by Matches Hidden in Wheat

Friend, Neb., Sept. 28.—(Special.)—Threshing of the grain belonging to M. J. Murphy, in whose stacks large quantities of matches were found on Saturday and a fire started, was resumed this week. As a precautionary measure the blow stacker was lengthily examined and several people were on hand with fire extinguishers to protect the machine and stacks. Four distinct fires were started by these matches during the threshing and most of the straw was consumed.

Four Thousand See Races at Lincoln Fair

North Platte, Neb., Sept. 28.—(Special Telegram.)—A crowd of 4,000 shivered in the chill west wind to witness races here today. Last Chance finished first in the 2:15 pace; Nancy V. C., second; Hallie Wilkes, third. Time, 2:19 1/4. In the 2:18 pace, Ladie South was first; Gracho, second; Nell Hallaway, third. Time, 2:20. McMain's Pon-May-Too was first in the half-mile derby; Try (Kelly), second; Mayfield (Braydon), third; Elsie Weir (Lyson), fourth. Time, 1:50 1/2.

Typhoid Fever Develops On Farm Near Beatrice

Lincoln, Sept. 28.—(Special Telegram.)—A report was received from Beatrice today that fourteen cases of typhoid fever had developed in the country eight miles south of there, through the use of water taken from a well on a farm owned by D. L. Knight. State Bacteriologist Wild examined the water, found it contaminated and ordered the well closed. The typhoid cases are in the family of the tenant living on the Knight farm and in other families in the neighborhood.

Dr. Danielson Returns To Position in Illinois

Lincoln, Sept. 28.—(Special.)—Assistant Physician W. A. Danielson of the State Hospital for Insane at Hastings has sent his resignation to the State Board of Control, to take effect at once. Dr. Danielson will take a position in Chicago. He came to the state a few months ago from Chicago, at an initial salary of \$900 and was later increased to \$1,000. Now he returns to his former position at a salary of \$2,400, he informs the board of control.

Cure for Cholera Morbus.

"When our little boy, now 7 years old, was a baby he was cured of cholera morbus by Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Mrs. Sidney Simmons, Fair Haven, N. Y. "Since then other members of my family have used this valuable medicine for colic and bowel trouble with good satisfaction and I gladly endorse it as a remedy of exceptional merit." Obtainable everywhere.—Advertisement.

Cheap European Labor Will Flood Markets After War

Wahoo, Neb., Sept. 28.—(Special Telegram.)—Congressman Anderson of the First District of Minnesota addressed a well-packed house in the district court room last evening, flaying the administration for its weak Mexican policy, and citing facts and reasons why Charles Evans Hughes should be elected president next November.

"I have divided the exports of this country from 1913 to 1916 inclusive, into two classes," said Mr. Anderson, "and I want to show that this prosperity that democrats claim is due to their management is only a war-product prosperity. In 1913, thirty-six per cent of the exports were war material and sixty-four per cent non-war material and in 1916, seventy-four per cent of our exports were war material and thirty-six per cent non-war material, a complete reversal and still the democrats say that this is a natural prosperity."

Twenty-Four Short Course Schools to Be Held This Year

Lincoln, Neb., Sept. 28.—(Special.)—The number of short courses in agriculture and home economics to be given this year by the extension service of the college of agriculture is to be double the number held last year.

Last winter the service conducted twelve short courses; this year twenty-four courses have been signed up, an increase of 100 per cent. Last year the total attendance at all sessions of short courses reached the 15,000 mark. This year it is expected to exceed 30,000.

The first course for this season will be held at Cozad October 2 to 6. Page and Tilden are scheduled for the following weeks and then the short courses will be resumed December 4 and will last until March 2. Instruction is given by a crew of extension specialists consisting of two men and two women. This year two crews are being used so that two courses can be given simultaneously at different points.

Pearson Withdraws In Favor of Howard

Lincoln, Sept. 28.—(Special.)—Lieutenant Governor James Pearson of Moorefield has formally withdrawn as the populist candidate for that office, and a meeting of the populist state committee will be held within a few days to fill the vacancy. It is expected that the committee will endorse Edgar Howard, the democratic nominee, and request Secretary of State Pool to have his name substituted on the ballot for that of Pearson.

Mr. Pearson, who has been on the point of stepping down several times, sent his written withdrawal direct to the secretary of state and also wrote to Secretary E. A. Walrath of the populist state committee and to Chairman Langhorst of the democratic committee. He says he is withdrawing to permit fusion. This may spell the death knell of the populist party in Nebraska so far as appearing on the election ballot.

Madison Defeats Creston.

Madison, Neb., Sept. 28.—(Special.)—The attendance at the county fair today was larger than usual for the opening day. The program as advertised was carried out. Madison base ball team defeated Creston, 17 to 11. Hits: Madison, 19; Creston, 11. Strike-outs: Madison, 6; Creston, 6.

"Only 'Gets-It' for Me After This!"

It "Gets" Every Corn Every Time. Painless. Nothing More Simple. "I'll tell you what, I've quit using toasting salves for corns, I've quit making a package out of my toes with bandages and contraptions—quit digging with knives and scissors. Give me 'GETS-IT' every time!" That's what they all say the very first time they use "GETS-IT". It's because "GETS-IT" is so simple and easy to use—put it on in a few seconds—because there is no work or toe-fooling about it. No pacific that shoots up to your heart. It gets your corns off your mind. All the time it's working—little by little your corn peels right off, leaves the clean, corn-free skin underneath—and your corn is gone! No wonder millions prefer "GETS-IT". Try it tonight.

When You See These Pretty Girls in Your Druggists' Window It's a Good Thing. They use "GETS-IT". It's because "GETS-IT" is so simple and easy to use—put it on in a few seconds—because there is no work or toe-fooling about it. No pacific that shoots up to your heart. It gets your corns off your mind. All the time it's working—little by little your corn peels right off, leaves the clean, corn-free skin underneath—and your corn is gone! No wonder millions prefer "GETS-IT". Try it tonight. "GETS-IT" is sold and recommended by druggists everywhere. It's a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill. Get me "GETS-IT" every time!" Sold in Omaha and recommended as the world's best corn remedy by Sherman & McConnell Drug Co.

LENROOT COMING TO SPEAK IN STATE

Wisconsin Congressman Will Make Week's Campaign Tour of Nebraska.

REPUBLICANS FEEL GOOD

(From a Staff Correspondent.) Lincoln, Sept. 28.—(Special.)—Congressman I. L. Lenroot of Wisconsin, one of the national republican leaders in legislative circles, is coming to Nebraska for nearly a week of campaigning in behalf of republican national and congressional candidates. Congressman Lenroot will be here from October 9 to 14, inclusive. He is a forceful speaker and should prove a big asset to the republican state committee in the campaign. Arrangements are now being made by Jess Craig, in charge of the speakers' bureau in this state, for Mr. Lenroot's itinerary.

He will address a night meeting at Norfolk on Monday, October 9, at Wayne on Tuesday, October 10, and at Clay Center, Thursday, October 12. The remainder of his speaking engagements will be announced later.

Sydney Anderson, congressman

from Minnesota, spoke at Wahoo last night to a large audience. Reports from the meeting indicate that Anderson's remarks against the democratic administration were especially well received.

Devoe Making Hit.

Bob Devoe continues to arouse a lot of republican enthusiasm, the state committee reported. Devoe spoke at Hebron last night and the hall was packed. Writing to the state committee, a Hebron citizen remarks that "Devoe is a forceful speaker and gave one of the best republican speeches the writer ever listened to." "There is absolutely nothing but sunshine at state headquarters," Secretary Beebe said today. "Reports coming in from every section of the state show satisfactory progress."

Party Is United.

"We have a united party for the first time since 1910—the republicans are solid in the support of Hughes. It is really remarkable to find the unity of feeling. Practically the entire progressive vote is back in republican ranks, under the progressive leadership of Justice Hughes, and there is a certain feeling of victory ahead."

"On the other hand, there is serious dissension in the ranks of the democratic party of the state and the Bryan wing is refusing to stand for the dictatorship which Arthur Mul-len seeks to impose. We figure that

it will keep the democratic politicians busy straightening out the trouble in their own ranks between now and November 7, without paying any attention to anything else."

Hughes and Fairbanks Club Formed at Beatrice

Beatrice, Neb., Sept. 29.—(Special.)—The republicans of the city held a largely attended and enthusiastic meeting last evening and organized a Garge County Hughes and Fairbanks club. Carl Sonderegger was elected president and H. E. Sackett, vice president. The following executive committee was named: R. R. Kyd, chairman; Robert Pease, Charles J. McColl, S. D. Kilpatrick, Carl Sonderegger. The club starts out with an organization of 500. A number of candidates and leading republicans addressed the meeting.

Thomas Eaton, a pioneer of Beatrice, died last evening at a local hospital of typhoid fever, aged 71 years. He is survived by ten children, his wife having passed away a few years ago. He also leaves four brothers and two sisters.

Uriah Hawkins of this city and Miss Dollic Tays of Blue Springs were married last evening at the home of Uriah Swigart, Rev. B. F. Gabner officiating.

Rev. Theodore Ludwig and wife will open a series of revival meetings

in the tabernacle at the corner of Fourth and Ella streets next Monday.

Mrs. Hettie Campbell of Wymore yesterday began suit for divorce from her husband, George Campbell. Mr. Campbell is postmaster at Wymore and was formerly a member of the board of supervisors.

See Want Ads Produce Results.

Kearney County Fair. Minden, Neb., Sept. 28.—(Special.)—The Kearney county fair and fall festival is now in full swing. The auditorium is set aside for the merchants' display and the Watt sale barn is arranged for live stock and agricultural exhibits. The exhibits have scarcely been exceeded in beauty and arrangement by the state fair, except in magnitude.

Backache? Run Down? Tired? Clean the Kidneys with Hot Water and "Anuric"

When run-down after a hard winter when life indoors has brought about a stagnant condition in the circulation—most everyone is filled with uric acid—especially in this so of people past middle age. This uric acid in the blood often causes rheumatism, lumbago, swelling of hands or feet, or a bag-like condition under the eyes. Backache, frequent urination or the pains and stiffness of the joints are also often noticed. Dr. Pierce says that everyone should have a good sweat every day—should drink plenty of pure water and exercise in the open air as much as possible. This helps to throw out the poisonous uric acid thru the skin and the "water." But for such persons as are past middle age it's often impossible to do this and lime salts are deposited in the arteries, veins and joints, causing all kinds of distressing conditions. An antidote for this uric acid poison is to take hot water before meals and "Anuric." Ask your druggist for Doctor Pierce's Anuric, or send Doctor Pierce's Invalids' Hotel and Surgical Institute in Buffalo, N. Y., a dollar bill for a full treatment, or ten cents for a trial package. "Anuric" is a recent scientific discovery by Dr. Pierce. "Anuric" drives the uric acid out of your body. It is a uric acid solvent so effective that it eliminates these poisons, cleanses the system, allows your over-worked kidneys to resume their normal functions, and just a few days' treatment with "Anuric" will convince you because it brings lasting relief to your painful, aching rheumatic joints—no more backache or dizziness. Try it NOW and be convinced.—Adv.
