MANY PRESIDENTS HAVE VISITED CITY
Wilson's Coming at Carnival Time Recalls Crowd Which Greeted McKinley Here.

With a past and future (get that "and future") vice president here this week and the present president of the United States in our midst next week, it is interesting to note that Omaha has entertained many presidents.

Jurors' Chivalry Shields Women in Criminal Cases
"Records of criminal courts of Douglas county show that it is almost an impossibility to convict a woman of committing crime," said County Attorney Agency in discussing the acquittal of Mrs. Ada Weatherly, the white wife of a burly black man. Mrs. Weatherly admitted factually stabbing Minnie Wilson, her rival for the affections of her common law husband, but claimed self defense. The jury was out but eight minutes.

Despondent, Old Man Tries to Kill Himself
Despondent because he was too old to work and worried lest he prove a burden to his son-in-law, Joseph Stillmonk, 68 years old, 2117 F street, attempted suicide Wednesday night in a South Omaha alley. He shot himself in the abdomen and in the neck and lay in the alley all night. He was found huddled on the back door-step of the McMillan home, 4411 South Twenty-first street, and was rushed to the South Side hospital. Attendants there report his condition critical.

Despondent, Old Man Tries to Kill Himself
Stillmonk felt the home of his son-in-law, F. E. Hydock, at 7 p. m., saying he was going to take a short walk. A few hours later, Claire McMillan heard two shots ring out. Neighbors searched the alley near Twenty-first and I streets, but in the darkness found nothing.

Despondent, Old Man Tries to Kill Himself
The bullet into the abdomen did not penetrate the vitals, but took a circuitous course. The greatest fear from the wound is blood poisoning. But the shot in the neck went up through the old man's mouth and out through his nose.

Despondent, Old Man Tries to Kill Himself
Stillmonk first told the police that he was the victim of highwaymen, who shot him when he refused to give them his money and watch, but later he admitted that he tried to take his own life.

"Catnip Kid" in Telephone Mystery
"Day catnip me kid and take him to jubilee court," complained an excited voice over the telephone when County Attorney Magner took down the receiver. "Dem jubilee officers dey bus up me home. Please, Mr. Lawyer-man, you fix it for me."

"Catnip Kid" in Telephone Mystery
Despite efforts of the prosecutor to secure head or tail of the troubles of the complainant, the county attorney failed to get enough information on which to investigate the activities of juvenile authorities under the guidance of Probation Officer Miller.

Firemen Called to City Hall To Find Fire in Stove
A pedestrian was strolling by the city hall yesterday morning at 7 when he saw smoke issuing from a window on the fifth floor of the municipal building. He went promptly to a fire box and sent in the alarm. The firemen came with alacrity, and then some, bolted quickly to the fifth floor to find a merry fire doing its duty in a little stove in the office of the superintendent of schools.

Firemen Called to City Hall To Find Fire in Stove
The black smoke which the alarmist saw had its origin in some fresh soft coal. The firemen did not find the property frontage affected and when the street was graded her 1/2 cent frontage, occupied by three cottages, was left twelve to fifteen feet below the street line. She alleges that the earth piled in has blocked her orchard and damaged her property.

York, Pa.—"I have used Lydia E. Pinkham's Vegetable Compound and found it to be all you say it is. I was so sick that I could not stand at my sink to wash dishes and I could not sit under a pillow under me. I had the doctor every few days but since I have taken the Compound I don't have to send for him. I have had three children and could not raise any of them, but since I have taken the Compound I have a bright baby boy. I advise every suffering woman to try it and get relief. It has done wonders for me."—Mrs. CATHERINE GOODLING, 138 E. King Street, York, Pa.

To Regain a Healthy Girlish Complexion
If you would have a clear, fresh, girlish complexion, one ounce of ordinary mercurial wax will aid you in this. It contains more than shelves full of cosmetics. It produces a natural beauty. This wax, procurable at any drug store, completely absorbs a bad complexion, revealing the healthy young skin underneath. Its work is done so gradually, day by day, that no inconvenience is caused. The wax is applied at night, like cold cream, and removed in the morning with soap and water.

To Regain a Healthy Girlish Complexion
Another valuable rejuvenating treatment—this for wrinkles—is to bathe your face in a solution of powdered salicylic acid, dissolved in 1/2 pt. witch hazel. This has a remarkable action in smoothing out the lines and wrinkles. The prescription can be prepared at home, and is made as follows:

To Regain a Healthy Girlish Complexion
Secure from your druggist 1 oz. Permanganate of Potassium (Double Strength), about 7c worth. Take this home and add to it 1/2 pint of hot water and 4 oz. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

BARBER FINDS SIMPLE WAY TO EASE HIS FEET
Barbers are great foot sufferers, as a rule. One barber who has been for years a victim of this trouble recently discovered a simple way to relieve his foot aches, pains and discomforts. He is telling all his friends and clients about it and wants to get relief among those who formerly suffered terribly from this trouble. This barber discovered a preparation called "W-N-T" in the corner drug store. He bought a 25-cent package and taking it home, dropped two tablets in a basin of hot water and bathed his feet for a few minutes. His foot felt every ache and pain disappeared and his feet no longer trouble him. You can do the same. You can use W-N-T with delightful effect in your body bath. Leave skin soft and antiseptically clean. If your druggist hasn't W-N-T, send us 10 cents and we'll mail you a sample package prepaid to your address. L. C. Landon, South Bond, Ind.
