### Sewing Machines.

Sewing Machines.

SPECIAL SALE
OF SINGER SEWING
MACHINES.

On account of water main breaking in our basement, 76 drophead Singer Sewing Machines, (most of them new), were slightly damaged. These machines have all been put in fine shape by cleaning, remissing and replacing wood work wherever necessary. Now they could be sold for new machines if it were not for the fact that it is against our policy to misrepresent merchandise. However, the usual Singer guarantee goes with every machine the same as if it were new.

We have made a satisfactory settlement with the water district and are in a position to give the public the benefit of GREAT BARGAINS and these 76 machines will be sold at prices ranging from \$18 to one-half the regular price.

Sale starts Monday morning. The best machines will go first.
