A MAN WORTH \$10,000

A YEAR Recently such an advertisement appeared in a metropolitan newspaper. There were two applicants for the position.

In the same issues of the same paper was an advertisement for freight handlers at \$2.15 per day. Three hundred and ten men an-swered the latter advertisement.

The old saying, "There is pienty of room at the top," is just as true today as it was when it was first written. Men who can DO THINGS are in demand—men who can perform superior service are always WANTED; men who are TRAINED never beg for a JOB.

A good business education promotes efficiency mightily; right new who have hundreds of young people earning good salaries, who never, before coming to us, who never, before coming to us, who even a fairly good position. The demand for TRAINED boys and girls is far greater than the supply.

Our free catalogue gives much aluable information about our ork. Write for it.
