MIDDLETON IS NO TERROR FOR OMAHA

Leading Hurler of American Association Is Hammered From Mound.

NORTH-HURLS A GOOD GAME

The Rourkes drew first blood in th post-season series now being staged by the Omaha Western league pennant winners and Louisville, leaders of the American association. Krug's crew scattered the gore of the Clymer clan all over the lot yesterday morning and copped the combat. Il to 7.

The 11-to-7 score-is misleading. The seven runs for Louisville would ordinarily indicate that the enemy clouted Lou North soundly. On the contrary, they didn't. Six of the seven runs and seven of the ten hits were gathered in the ninth inning. Three of the hits

the ninth inning. Three of the hits were outfield flies that Earl Smith lost in the sun. They all went for two-baggers. But one of the Louisville runs should have been counted, and but three of the hits made.

Jimmy Middleton led the hurlers of the American association this year. It was largely through his superior box work that the Kentuckians captured the American association flag. He performed so well that John McGraw gave aix players for him. But Jimmy looked like a rank busher yesterday. The Rourkes hammered him for nine runs and twelve hits in aix innings.

Chicago, Oct. 5.—The American leaguers made it two straight from the fourth artiflery opened fire and before it quit five runs-was the toll. Forsythe drew a walk and Kewpie Kilduif lined a long triple into left, scoring Thompson and Cyrus. Joe Burg delivered another triple, this time to center, scoring Kewpie, and Lou North capped the climax by poling a home run drive into the right field bleachers. Earl Smith ended the agony by grounding out.

Midlleton was nicked for five more safeties in the sixth, but they only netted two runs. Shag Thompson cracked a triple to left after Krug went out, and scored on Miller's double to right. Miller counted on Krueger's single to center. Forsythe and Burg also made hits, but they couldn't push a run across.

Middleton was yanked at the end of the sixth and Lefty James was asked to assume the twirling burden. Lefty found the going rough in the seventh and eighth, when the Rourkes put over three and one runs, respec-tively.

In the seventh Miller beat out a

bunt, Krueger walked and Forsythe was punctured in the slats, choking the runway. For the second time Kewpie Kilduff cracked a triple to left, this time sending three men home.

Kewpie Kilduff cracked a triple to left, this time sending three men home.

A walk to Thumpson, Shag's steal of second and Krueger's safety to left scored one in the eighth.

Bunt Goes Safe.

The Colonels failed to make a hit off North in the first three frames. In the fourth Burg failed to catch Platte's popup bunt and the dinky fly went for a hit. In the seventh McCarthy and Roach made singles, but couldn't score.

Thus until the ninth Lou was only nicked for three hits. In the ninth after Corriden flew out McCarthy and Roach singled. Williams flew out, but Sniper Billings delivered a hit, scoring McCarthy. Then Compton, Whiteman and Platte all hit flies to left field.

And Earl Smith lost every one in the sun, and every one went for a two-base hit. Kirke came through with a real two-bager and the six runs were over.

Notes of the Fray.

Wednesday's battle, which ended in a 1-to-3 tie, will be resumed this afternoon at Rourke park at 3 o'clock. About 2,000 fans turned out for the con-flict yesterday morning, and they went home entirely satisfied.

Lou North evidently was out to win that horning contest. He not only made a home un, but a double too. The home run was line drive into right field which jumped to the bleachers on the first bounce. into the pleachers on the first bounce. Kewpie Kilduff made a lot of noise with a brace of triples, one with two on base and the other with three on. And against a guy who is going to be his teammate next year,

Shag Thompson didn't waste any time when he got on the bases. He scored three times, every time he got on.

That Roach-McCarthy combination around the keystone sack worked two swell double plays that cut down Rourke runners at dangerous periods.

Pete Compton almost made a one-handed catch of North's double, but the ball bounced out of his hand stretched far above his head. Whiteman made a long running catch of a drive by Thompson.

whiteman made a long running catch of a drive by Thompson.

Just before the game Red Corriden suffered a ray in the face by a batted ball. One of his mates hitting fungoes to the outfield sent one low and Red stopped it with his none. He sustained a had cut that bled all during the game.

A smart dopesier bet his hat on Louisville with a farmer boy in town to see the Ak-Sar-Ben stunts. He left at the end of the seventh inning and the farmer lad found himself in possession of a swell new gray lid. The farmer boy was a boaster and he went home with two hats, while the other chap had nothing to protect his curly locks from the chill October breeze.

The officers' mess was not prepared for Haig's reply to the quartermaster who asked him during the Colesberg operations in the Boer war if, in a brush with the Boers, he had lost anything. "Yes," confessed Haig, solemnly, 'my Bible!" Not once did his countenance relax its gravity as he gazed at the grinning faces in his vicinity. Marquard Reported to Have Been Selected to Pitch First Game Against Red Sox.

SAY ROBINS GOING TO WIN

New York, Oct. 5 .- Wilbert Robinon, manager of the Brooklyn National league club, pitted his regulars against New York in the game in Brooklyn this afternoon as a final vorkout for the opening of the world's series at Boston on Saturday.

We are going out to win, and I think we can do it," said Robinson. "Our team has played good ball all season, and we held the lead almost all the way through, except for a day or two here and there. We measure up to the Red Sox, and with our team playing its best ball right now there is no reason why it can't win. We'll show the fans some real playing. Marquard, Coombs, Cheney, Pfeffer and Smith will show them some pitching, and we are not worrying."

"Rube" Marquard, who is reported to have been selected to pitch the opening game for Brooklyn, said he was in top form now and that Brooklyn is going to win.

"We will be right at their throatsall the time," declared Jack Coombs. "If anyone believes Boston is going to ride right over us he is reckoning without men of the stamp of Jake Daubert, Pfeffer, Marquard and Chief Meyers."
