# CENTRAL WARRIORS BEAT SOUTH HIGH

Victors Show Team Play and "Chuck" Morearty Does Some Stellar Work.

#### VANQUISHED FIGHT GAMELY

"Chuck" Morearty, ably assisted by ten other stalwarts of Central High, succeeded in humbling the husky South High eleven yesterday afternoon by a one-sided score of 25 to 0. Things in general looked very bad for Central High during the first quarter, which ended with neither side having scored, but with Central on the defensive. Dworak, who was continually ripping off gains during

continually ripping off gains during this quarter, took the ball to Omaha's five-yard line, but Central's line held for four successive downs and Central punted out of danger.

After five minutes had elapsed in the second quarter Central obtained the ball in the center of the field on downs. Morearty then sprited around right end and with perfect interference succeeded in eluding the entire South High team, placing the ball behind the goal posts for the first the ball to the three-yard line. Three downs remained to cover the distance when the half ended.

Morearty Again.

Morearty Again. The second half was barely under way when Morearty duplicated his former run, but secured a little more competition in this race for the goal and was tackled immediately after he crossed the goal line. Maxwell kicked out to Morearty, but Smith missed the try for goal. Score: Omaha, 13; South High, 0.

South High, 0.

Following a succession of line smashes by Smith, Morearty and Phillips, Central again brought the ball within range of the goal and Harper was sent across for thethird touchdown. Smith missed the try for goal. At this stage a youngster by the name of Hunter was inserted into the South High lineup and showed to considerable more advantage than some of the regulars, setting away. some of the regulars, getting away for several good gains, but the rally

#### And Once More.

And Once More.

At the beginning of the fourth quarter South High seemed to be convinced that they would be on the short end of the score and were never dancerous the remainder of the game, but contented themselves with playing on the defensive. Toward the close of the quarter Morearty, not intending to leave a job half done, ripped off another run for forty yards and a touchdown. Six substitutes were then inserted in the lineup, but South High had lost their punch and could not shove across a touchdown with this advantage.

advantage.

Every man on the Central team showed up to better advantage than in the Commerce game a week ago. Smith and Morearty proved big ground gainers, and, with good interference, which was woefully lacking in the Commerce game, gained regularly. Phillips at tackle proved a bear on the defense and carried the ball for several good gains.

Central High will play the Council Bluffs High school on the latter's field next Saturday.

New Haven, Conn., Oct. 6.—The movement to abolish the system of athletic coaching by highly paid ex-perts took definite form here today with the publication of the report of the special committee in charge of

Yale athletics.

This report, signed by Robert N.
Corwin as chairman of the committee, asserts that "unless Yale can

cowin as chairman of the committee, asserts that "unless Yale can from its own resources, graduate and undergraduate, develop its own teams without such artificial stimulants so that it can reasonably compete with its rivals, it would be best to eliminate intercollegiate athletics altogether until the dawn of an area of reasonableness in such things."

"The intensity of this rivalry, if unchecked, may so increase as to make intercollegiate athletics an unprofitable scramble for the raising of huge sums of money for the payment of the disproportionate salaries demanded by expert coaches," adds the committee. "It may be urged that Yale cannot forego such advantages unless its rivals follow its example, but present practices must, it would seem, lead to still greater lengths of extravagance and absurdity."

### Peru Normal Wins From Grand Island By Small Margin

"McGraw already has gone over the plans for next year with President Hempstead," said Mr. Foster, "and has high hopes of leading the New York club to a pennant. His contract with the New York club has another year to run and it is not fair to him or the club to have rumors spread that he will not be with New York next year."

Despite the roasting he gave them in the game with Brooklyn Tuesday, the players of the New York club are seeking McGraw to present to him a collection of Shakespeare's works which they had purchased before his flare up. There will be no public presentation ceremonies.

Grand Island, Neb., Oct. 6.—(Special Telegram.)—A drop kick and a goal, with failure to to kick, netted Peru 9, Grand Island scoring only one goal and kicking successfully for a total of 7 points.

The teams were evenly matched but Peru was more fortunate in forward passes, Grand Island failing repeatedly to make her passes good.

Jones of Peru was mainly responsible for the Peru wictory, making an end run of forty yards when Grand Island was not on the aiert. Peru made the first score on the drop kick. Grand Island the second on goal and kick, Peru the third on a touchdown. Johns of Grand Island, who suffered a broken nose early in the game re-entered later, but was again forced to retire. Taylor, Lowry and Goldenstein played the stellar roles for Grand Island. Umpire, Beb Taft, Referee, McGill.

## METHODISTS TRIM DAKOTA WESLEYAN

Nebraska Wesleyan Eleven Proves Too Much for Players of the North.

#### TWENTY-ONE TO NOTHING

the game. A strong wind made the kicking and passing game uncertain. Only one goal was scored by the visitors in three trials.

A safety gave the Nebraska Wesleyans two points, which was the only score of the first half. There were no spectacular runs, the scoring being done through consistent puncturing of the Dakota line in the second half. The Nebraska backfield showed considerable superiority over that of the local team. Steeves, the Nebraska tackle, was shifted back and carried the ball for good gains.

The visitors made downs fourteen time, while the local men were able to make their downs but twice. During the first half, Nebraska Wesleyans covered distances aggregating 157 yards, adding 226 yards in the second for a total og 383 yards, against a total of fifty-seven yards for the northerners, lifty-one of which were covered in the first half.

Dakota returned punts eight-five yards, part of the difference being accounted for by the short distances punted by Spear of the local team. The visitors attempted thirteen for forward passes, completing three for a total of seventy-five yards. Dakota Wesleyans made three attempts, completing one for nine yards.
