A Frank Message From Jay Burns

I've got to quit the baking business, or give you poor quality bread, or raise the price. I can't quit; I have too much money tied up in buildings and equipment.

I don't intend to lower the quality of my bread, for that would be unfair to you.

So there's only one thing left for me to do—raise prices.

Bread Prices Must Go Up

But, here's a ray of hope for you! If we can quit making 5c loaves and make only the 10c loaf, we can reduce our manufacturing costs and thus make the 10c loaf larger than we otherwise could. In other words, madam, we can give you more bread for your money if you will take it in 10c loaves instead of 5c loaves.

HAIR GRAY? THEN APPLY Q-BAN

It Darkens Gray Hair Evenly

If your hair is gray, streaked with gray, prematurely or just turning gray, or if your hair is dry, harsh, thin or falling, simply shampoo hair and scalp a few times with Q-Ban Hair Color Restorer. Soon every strand of hair (whether gray or not) becomes evenly dark, soft, glossy, fluffy, full of life and health, full and heavy and fascinating, and entire head of hair is so beautifully and evenly darkened no one could suspect you had applied Q-Ban. It is absolutely harmless and no dye, but Q-Ban acts on roots, restoring color glands. Hold on a money-back guarantee, 10c for big bottle at Sherman & McConnell's Drug Store, Omaha, Neb.
