

MORE ROUMANIANS CROSS THE DANUBE

Fresh Expedition Invades Bulgaria, According to Wireless Message from Rome.

BATTLE ON IN MACEDONIA

London, Oct. 7.—A fresh Roumanian expedition is said to have crossed the River Danube into Bulgaria, according to a wireless message from Rome. Field Marshal von Mackensen the German commander, is said to have sent troops to attack the Roumanian force, but without success.

Petrograd, Oct. 7.—(Via London.)—The Russia-Roumanian offensive in Dobruja is being successfully pressed, the war office announced today. The capture of two towns on this front and a ridge connecting them is reported.

Entente Shells Dedeghatch.

Sofia, Oct. 6.—(Via London, Oct. 7.)—An attack on the Bulgarian port of Dedeghatch on the Aegean Sea, by an allied fleet is reported in today's communication from the war office which says no great damage was done. Bulgarian aeroplanes attacked the fleet, causing it to withdraw. The announcement follows:

"On the Aegean coast enemy vessels are cruising actively. A fleet shelled Dedeghatch and the railway line, causing only unimportant damage. Our seaplanes attacked the fleet and forced it to retreat to the high seas.

"Roumanian front: After the failure of the Roumanian attempt to cross the Danube river near Rahovo our artillery destroyed the bridging material, which the Roumanians drew across to their bank of the river, while the material on our side was saved. We captured much war material.

"In Dobruja repeated attacks by the enemy from the line Karagadj-Amzacea-Perveli broke down."

Entente Gains in Macedonia.

Paris, Oct. 7.—The French troops on the Macedonian front have joined the offensive with the British and Serbians. The war office reports the occupation by the French of the town of German on Lake Presha.

The Serbians, continuing their advance north of Kaimakalan height, have reached the valley of the Bela Voda, a tributary of the Cerna.

The British troops which crossed the Struma and occupied Nevojen, have repulsed a violent counter-attack of the Bulgarians.

London, Oct. 7.—British forces operating on the east bank of the Struma, on the Macedonian front, have pressed the Bulgarians farther back, the war office announced today. Several additional villages have been occupied by the British.

Teutons Gain in Transylvania.

Berlin (via London), Oct. 6.—Teutonic troops have made progress on the entente front in eastern Transylvania, according to an official statement issued today by the German army headquarters. Ground has been also gained by the forces of the central powers near Orsova.

The meeting was well attended and Dr. Hunsberger delivered a telling speech, urging the election of Hughes. His address was punctuated with hearty applause.

BOSTON DEFEATS ROBINS IN FIRST GAME OF SERIES

(Continued From Page One.)

36,117 and paid into the coffers of the world's series funds \$76,489.50. After the camera men had photographed Managers Carrigan and Robinson, three members of the national commission and the four umpires, Center Fielder Myers stepped to the plate, and the game was on at 2:06.

The first ball pitched looked good to Myers and he swung on it, lifting a high foul fly behind the plate which fell into Cady's bat mitt. There was a wild Boston shout. Daubert struck out on three pitched balls and Stengel grounded out, Janvrin to Hobbilzeit, with one ball and one strike on him. The side was thus retired on seven pitched balls.

Victim on Strikes.

Hooper, the first man up for Boston, let the first two go by for balls; the next two were pitched; then he fouled one off and finally was struck out quickly. This performance earned the Brooklyn supporters, but Walker, next up, with one strike and no balls, smashed a mighty drive to left center for three bags. He was left on third, as Hobbilzeit grounded out, Cutshaw to Daubert.

Can't Put Runners Across.

Boston got three runs in its half of the second, but was also unable to put a runner across the plate. Lewis opened by waiting out four bad balls. Gardner, trying to sacrifice, laid down a beautiful bunt toward third. Both Mowrey and Chief Meyers tried to field the ball, with the result that neither was able to pick it up and both runners were safe. Scott sacrificed, Meyers to Cutshaw, Lewis and Gardner advancing.

Meyers stepped to one side and Cady was purposely walked, filling the bases. Shore struck out. Hooper, with two balls and no strikes, slammed a high, long fly to center field. Meyers ran back and made a great catch on the full run.

Chief Meyers grounded out in Brooklyn's half of the third, Shore to Hobbilzeit, Marquard struck out. Meyers drove a single to center and was left at first, as Daubert struck out. Boston tallied its first run in the third, after two were out. Janvrin struck out and Meyers dropped the third strike, but threw the batter out at first. Walker also struck out. Hobbilzeit hit to right field for three bases and came home when Lewis hit the first pitched ball down the left field line for a two-bagger. Lewis was caught off second by a perfect throw. Meyers to Olson, ending the inning.

Ties Score in Fourth.

Brooklyn tied the score in the fourth inning. Stengel singled down the left field foul line and came home on Wheat's terrific hit for three bases to the right field bleachers. Cutshaw struck a hot liner to Hooper, who lost his balance in making a difficult catch after a run, and fell. Wheat dashed for the plate the instant the ball was caught, but Hooper quickly regained his feet and made a remarkable throw to the plate. Cady took the throw directly over the plate and touched Wheat out on the ankle for a double play as he came sliding in. It was easily the feature play of the game. Mowrey was thrown out by Janvrin.

In Boston's half of the fourth Gardner struck out. Scott sent a high fly into the Wheat. Cady was given his base on balls. Shore sent up a high fly to Meyers.

Loses Fly in Sun.

Shortstop Olson opened the fifth inning for Brooklyn by grounding out on the second pitched ball. Gardner to Hobbilzeit, Walker lost Chief Meyers' high fly in the sun and the ball rolled to the center field fence.

Meyers reached third. Marquard hit a sharp grounder to Janvrin, who threw him out while he held Meyers on third. Center Fielder Myers hoisted a high fly to Scott. Boston in its half of the fifth again went into the lead. Hooper, with two balls and two strikes, raised what would ordinarily be an easy out, but Myers lost the ball in the sun, and did not see it until it struck the ground. Hooper got a two-bagger. Janvrin advanced him to third on a sacrifice. Mowrey to Cutshaw, who covered first. Walker singled down the left field foul line and Hooper scored.

Argues With Umpire.

With Hobbilzeit up, Carrigan got into an argument with Umpire Con-

nolly, the Boston manager claiming that Marquard wasalking, but the chief umpire waved him aside. The game here dragged, Marquard frequently shooting the ball to first in an attempt to nip Walker. Finally Hobbilzeit grounded to Daubert for an unassisted out. Lewis pushed a grounder at Mowrey, who, after starting to throw the runner out at first, changed his mind and touched out Walker, sprinting for third. This closed the inning.

The National league champions went out in order in the sixth inning. Daubert was thrown out, Gardner to Hobbilzeit. Stengel struck out and Wheat hit a slow grounder to Janvrin, who made a quick throw to first.

The first error of the game was recorded in Boston's half of the sixth. Olson made a mess of Gardner's easy grounder and the runner was safe. On the hit and run play, Gardner was forced at second by Scott, the play being Mowrey to Cutshaw. Scott went to second on the only passed ball of the game. Cady got to first base for the third time on balls. Shore sent a fly to Daubert and Hooper lifted a high one, which Olson gathered in, leaving Scott stranded on second base.

(Official box score and play-by-play account of the game will be found in the sport section of The Sunday Bee.)

Sheep and Chickens From Nebraska Win

Grand Island, Neb., Oct. 7.—(Special.)—James Millar has just returned with the Robert Taylor show, flocks of sheep from the Wyoming State fair held at Douglas, Wyo., where Taylor Hampshires and Leicester flocks made a clean sweep of the blue ribbons and that in strong competition. Also the Rambouillet flock won several blues against one of the strongest flocks in America. A Taylor Rambouillet ewe was champion, beating the champion ewe of the Panama exposition. Nebraska exhibits were very strong at the Wyoming fair in cattle and horses, and even in chickens. Two Nebraska exhibitors with two carloads of chicken won \$1,800.

Yellow Pine and West Coast Fir Compete Here

Omaha occupies the peculiar position of being the point in the United States at which yellow pine and west coast fir come into the closest competition. Frank D. Lee, manager of the pine department of the Oregon-Washington Lumber company of Seattle, made this plan in his conversation today, while stopping off in Omaha on his way to Chicago.

"Omaha is the swapping place," said Mr. Lee, "where the dealers swap from fir to yellow pine, and from pine to fir, in accordance as the market on one or the other fluctuates. The yellow pine, however, has an advantage in the matter of freight rates over our western stuff in reaching Omaha."

Mr. Lee says the lumber business is still somewhat dull on the coast. The cause, he says, is overproduction, due to lack of export trade, which has been hampered by the war.

Ten Thousand Attend Howard County Fair

St. Paul, Neb., Oct. 7.—(Special.)—The Howard county fair was brought to a close here this evening, after three days, and without any exception it was the best fair ever held in this section of the state. More than 10,500 people attended the fair during the three days.

The displays in the different departments were above the average unusual seen in county fairs. The live stock display was the cause of much favorable comment from the many farmers and stock raisers present.

The aviator, who was engaged to make two flights each day, was unable to fly until the last day, owing to stiff breezes and treacherous winds. St. Paul defeated Dannebrog, 5 to 4, the first day in the best ball game of the fair. St. Paul defeated Boston the following day, 8 to 5. Scotia defeated Greeley on the last day, 10 to 4.

TRAFFIC RULES NOT LIKED IN AUGUSTA

People of Town Chase Cops Away, Smash Jail and Liberate Prisoners.

STREETS SUCH ROUGHNESS

Wichita, Kan., Oct. 7.—A mob of 1,000 citizens tonight ran Marshal Crowe and his three deputies out of the city of Augusta, an oil town, twenty miles east of here, wrecked the city jail and liberated six prisoners, held on petty charges.

The mob resented the arrest of several citizens on charges of violating traffic ordinances. The citizens said the rough streets made it impossible to follow ordinary rules of the road. It has been a common joke that the bumps in the thoroughfares were of such size and frequency that they jarred out the tail lights of motor cars.

Tonight when William Peel, candidate for the legislature, rode down Main street on a white horse, with a lantern held behind him, the jest delighted the crowd on the streets, but angered the officers. Peel's arrest caused a mob to form, which soon began to express its disapproval in threats. The proposal to wreck the jail gained ready attention. After the structure had been damaged beyond immediate use the crowd marched to

"Gold Dust" Dietz Is New Sobriquet

Mayor Weidlein's home to demand the discharge of the entire police force, but the mayor could not be found.

Omaha Indians encamped at Fort Omaha on Friday afternoon gave Gould Dietz the sobriquet of "Gold Dust," due to the fact that he brought them the money which they received for participating in the semi-centennial celebration, and for the further fact that his real name suggested the new name conferred upon him.

Mr. Dietz was accompanied by City Commissioner Kugel on his pay-day errand. William "Billy" McCune introduced the Ak-Sar-Ben paymaster as "Gould Dietz." Several braves got their heads together and concluded that the name of the pale-faced man of money was in fact "Gold Dust."

Eight-Hour Law Is Attacked by Taft

Indianapolis, Ind., Oct. 7.—The eight-hour law recently enacted by congress was attacked by William H. Taft tonight when he addressed thousands of persons at the coliseum discussing the development of constitutional government of the state Mr. Taft's speech was a part of the county day program in connection with Indiana's centennial.

Reynolds, Shumway And Devoe Visit All Franklin Towns

Franklin, Neb., Oct. 7.—(Special.)—A crowd of 300 people turned out here last night to the big republican rally, ending the tour of Hon. H. P. Shumway, republican candidate for lieutenant governor; Hon. W. H. Reynolds, republican candidate for state treasurer, and Hon. Robert W. De Voe, republican candidate for attorney general, over Franklin county, where they made addresses at every town in the county. The republican county candidates and the candidate for state senator, Dr. J. S. Butler of Superior, occupied the platform with the speakers.

Messrs. Shumway and Reynolds made short talks, leaving the main talk of the evening for Mr. De Voe, who certainly made a hit with his audience in the masterly manner in which he handled his subject. He took up the history of the republican party from its beginning, telling of the beneficial legislation passed by the republican congresses and signed by republican presidents. He then compared the record of the last democratic congress in placing the products of the northern farmer on the free list, while protecting the products of the southern farmer by tariffs. The foreign policy of President Wilson was attacked in a way that showed up its weakness.

Mr. De Voe, who was once a student in Franklin academy, was received as an old friend here and his address won him many new friends.

Hoagland Goes to Capital to Argue Water Power Case

North Platte, Neb., Oct. 7.—(Special.)—W. V. Hoagland, former state senator and two years ago republican candidate for lieutenant-governor, left here yesterday for Washington, where, under an appointment by Attorney-General Reed, he is to represent Nebraska in the case of the Beaver River Power company against the United States, which has been appealed to the United States supreme court.

This case, which is recognized as one of the most important constitutional cases to come before the court in years, will come to trial next Tuesday. It originated in Utah where the Beaver River Power company sought to restrain the United States officials from collecting revenues for the use of non-navigable streams. Defeated in the federal district court at Salt Lake City, the corporation appealed. It was at this point that the states of Utah, Colorado, Idaho, Nevada and Nebraska intervened, contending that under the constitution the states alone had power to regulate streams and collect revenue therefrom.

The case effects Nebraska irrigation territory and is being watched with great interest by all persons in the state interested in the question of irrigation.
