

... 1 75 PIGA. Sheep-The supply of sheep and lambe just about duplicated yesterday's, the run being estimated at 136 leads, or 35,000 head. This makes the receipts for the week so far Ta711 head, which is 13,000 head target that has week but smaller than two weeks are by 37,000 head and 18,000 short of the corresponding days heat year. Bellem estimated that something like

that hast week, but smaller than two weeks get by 37,000 head and 15,000 short of the corresponding days last year. Sellers estimated that scorething like three-fourths of the lamb offerings were of seeder class again today and cones again real after higher prices. Other point re-ported stronger values in force and pack-ter did not put up so much of a fight against the uptarn as they did yeaterday, not astronger values the two set 160 like lighter. Feeder demand also was good, and while they had another pretty fiberal as-writes to into action in good season. Uses to 100 like advances were in force. Armours May Increase Firm's Capitalization

Firm's Capitalization Chicago, Oct. 9.-R. J. Dunham, vice president of Armour & Co., an-nounced tonight that at the next meeting of the board of directors an increase in capitalization from \$20,-000,000 to \$100,000 will be con-sidered. A stock dividend of 400 per cent is said to be planned. Mr. Dunham's statement gives the information that the \$80,000,000 sur-plus involved in the increase capi-talization was earned in the period from 1901 to 1912, when but few dividends were paid and the earnings were allowed to remain in the busi-ness and were invested in plant ex-tension.

American Telephone & Telegraph Co.

A dividend of Two Dollars per share will be paid on Monday, October 16, 1916, to stockholders of record at the close of bun-mess on Saturday, September 80, 1916. G. D. MILNE, Tressurer.
