

SAYS HOT WATER WASHES POISONS FROM THE LIVER

Everyone should drink hot water with phosphate in it, before breakfast.

To feel as fine as the proverbial fiddle, we must keep the liver washed clean, almost every morning, to prevent its sponge-like pores from clogging with indigestible material, sour bile and poisonous toxins, says a noted physician.

If you get headaches, it's your liver. If you catch cold easily, it's your liver. If you wake up with a bad taste, furred tongue, nasty breath or stomach becomes rancid, it's your liver. Sallow skin, muddy complexion, watery eyes all denote liver uncleanness. Your liver is the most important, also the most abused and neglected organ of the body.

Every man and woman, sick or well, should drink each morning before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, to wash from the liver and bowels the previous day's indigestible material, the poisons, sour bile and toxins; thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Limestone phosphate does not restrict the diet like calomel, because it cannot salivate, for it is harmless and you can eat anything afterwards. It is inexpensive and almost tasteless, and any pharmacist will sell you a quarter pound, which is sufficient for a demonstration of how hot water and limestone phosphate cleans, stimulates and freshens the liver, keeping you feeling fit day in and day out.

TOO WEAK TO FIGHT

The "Come-back" man was really never down-and-out. His weakened condition because of over-work, lack of exercise, improper eating and living, demands stimulation to satisfy the cry for a health-giving appetite and the refreshing sleep essential to strength. GOLD MEDAL Haarlem Oil Capsules, the National Remedy of Holland, will do the work.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect 10c and 25c per box. All druggists.

SOLDIERS GOT RELIEF FROM SORENESS

Boys on the Border Relieved Their Pains and Aches with Sloan's Liniment.

Once upon a time Norman Jones, serving in the National Guard at El Paso, returned to camp after a strenuous 15 mile hike foot-sore and leg-weary. He had not been long in active service and his shoulders, back and limbs felt the after-effects of marching.

Remembering Sloan's Liniment, Jones applied it to the sore spots and went to bed. He writes: "I awoke the next morning feeling fine; in fact I had entirely forgotten about the hike and went out for a four-hour drill in the sun as spry as ever."

Private Jones passed the experience along, and many a boy on the border relieved the agony of sprains, strains, bruises, insect bites, cramped muscles, rheumatic twinges, etc., by the use of Sloan's Liniment.

Easily applied without rubbing. At all druggists, 25c, 50c, and \$1.00.

Gets Divorce When Wife Does Not Cook Steak to Suit Him

Tribulations of one-legged Fred Hunt are increasing.

Filipinos shot the left leg from under Mr. Hunt during the Spanish war. It was only a few days ago that he filed suit against the American Smelting and Refining company for damages resulting from the theft of his drift-wood at his house boat at the foot of Douglas street on the Missouri. The row culminated in the arrest of the furrier, soldier, magazine solicitor, fisherman and house boatman.

"I walked all they way from Paducah, Ky., to Denver on my one leg to avoid trouble with my wife," complained the fisherman when he appeared before Judge Leslie in his appeal for a divorce decree.

After listening to an hour's recital of the clashes between husband and wife the judge granted the decree. "I bought a steak at a perfectly sanitary market and took it home to be cooked," said Mr. Hunt. "My wife had informed me that she had been educated in a cooking school and that her mother had given her instruction along culinary lines. I took her word and lost. When I gave her the steak she placed it in the frying pan without grease and without seasoning it. She fried the blooming thing until it was black and seared and then dished it out to me and expected that I would eat it."

Judge Leslie considered this the last straw and granted the decree without further argument. Mr. Hunt has a son aged 18.

Nonclub Autoists Will Be Outlawed

The Omaha Automobile club has joined the nation-wide movement started by the auto clubs in the larger cities to do away with the nuisance of furnishing free service to cross-country tourists who do not belong to any motor organization.

"One hundred thousand motorists are touring the country today," explained S. E. Smyth, assistant secretary of the Omaha Automobile club.

"They buy no guide book or road map. They belong to no automobile club. They make their trips a pleasure by stopping in every town and asking the local club for road information, trip slips or road maps, which they expect free gratis."

"They expect, and sometimes receive, the same information and courtesies extended to members of clubs who show their membership cards. Is it fair to local club members to make them pay for a touring bureau for the benefit of all motorists?"

Quit Meat When Back Hurts or Kidneys Bother

Says Uric Acid in meat clogs Kidneys and irritates Bladder.

A glass of Salts is harmless way to flush Kidneys, says Authority.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority, who tells us that meat forms uric acid, which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.—Adv.

The Scarlet Runner

Then things happened. Adventures came thick and fast. C. N. and A. M. Williamson have written most fascinating stories of these adventures. The Vitagraph Company has produced them in Motion Pictures.

EARLE WILLIAMS was chosen for the part of Christopher Race, the owner of the "adventure" car. His winning personality, great popularity and intrepid daring won this honor for him when the leading man for this important series was under consideration. Earle Williams has been seen in many great pictures but he considers the Scarlet Runner the greatest of all.

TWELVE HEROINES Each episode of the Scarlet Runner revolves around a different girl. The parts of the twelve heroines will be played by such well known favorites as Edith Story, Lillian Tucker, Marguerite Blake, Adele Kelly, Betty Howe, Zena Keefe, Billie Billings, Jean Stuart, Gypsy O'Brien, Louissetta Valentine and others.
