A short time ago we advertised the last real estate holdings of three Omaha estates. After putting a price on same of 25 per cent below the surrounding values, four-fifths of the property was sold at once. The remainder is now going at the best offers we secure. Look especially at the 16th and 24th streets lots in Kountze Place, and consider the prices which are from \$20 to \$23 per foot when there is nothing else on either street under \$30.00 to \$40.00 per foot.

105 feet north of Wirt St., west side of 16th street, 52.8x124.
50 feet south of Pinkney on the west side of 16th St. 50x124.
79 feet north of Wirt, west side of 16th street. 24.4x124.

24TH STREET LOTS 114 feet north of Spencer on east side of 24th St. 50x124. S. E. corner 24th and Spencer, 52.8x124. Next lot south, 52.8x124. SCATTERED LOTS

We can sell any of the above lots on 1-10th down, 1 per cent per month, and once again reiterate that these lots are to be sold for the best offer we can secure. It is very seldom we have such a list as this and do not fail to take advantage of same.
