

Nebraska KENNEDY WAKES UP VOTERS TO ISSUES

Tour from Wayne to David City Brings Out Good Crowds and Much Interest.

FARMERS ARE INTERESTED

David City, Neb., Oct. 12.—(Special.)—Coming from Wayne, where he, Judge A. L. Sutton, and William P. Warner addressed an audience of 2,000 persons, enlivened by two brass bands and the male quartet from Wayne college, Congressman I. L. Lenroot of Wisconsin, a progressive republican, addressed a meeting here last night in the district court room of the Butler county court house. John L. Kennedy of Omaha, republican candidate for United States senator, divided with Congressman Lenroot three hours in speaking, and during this time the audience sat in rapt attention except when responding in bursts of applause to the patriotic appeals of the speakers. Prior to the meeting the David City band played patriotic and popular airs in the public square here. R. D. Fuller, secretary of the Butler county republican central committee, presided and introduced the speakers. Tonight's meeting was noteworthy because of the presence of Matt Miller, leading democrat and prominent citizen, who indulged with the others in the patriotic response, which was made by republicans and democrats alike to the appeals of the speakers. Mr. Miller is a warm personal friend of Mr. Kennedy.

Kennedy Stands for Loyalty.

Mr. Kennedy said that the United States had the right to insist on the loyalty of every citizen under even the most trying conditions, and as a foreign-born citizen himself, he stated that he was ready and willing to give that loyalty at all times. Mr. Lenroot urged the election of Mr. Kennedy because he is the republican nominee, and because he is a rare man, a man with a broad and deep understanding of the needs of mankind and the kind of man of whom the United States might be justly proud as a senator. He spoke in glowing terms of the record of Congressman Sloan and urged his reelection.

Busy Day for Kennedy.

Mr. Kennedy visited five towns and made four speeches yesterday. At Benedict he spent an hour shaking hands with the voters, and then continued on to Gresham, where a meeting was arranged in the town hall. Although this was a morning meeting, the hall was filled to the doors and many were standing on the walk outside. Mr. Kennedy was introduced by F. C. Williams of Gresham. Much interest was shown here in the coming election and the address made by Mr. Kennedy.

Accompanying Mr. Kennedy today in York county were Jay Miller, candidate for county superintendent; R. O. Allen, candidate for clerk of the district court; G. W. France, candidate for county attorney; T. E. Sedgwick, editor of the York Republican, and M. B. Stream and John Lett, vice president of the York County Hughes and Fairbanks club. They returned to York tonight. L. E. Ludden accompanied Mr. Kennedy from Gresham to David City.

Democrats Take a Stand.

At surprise a meeting was held in the opera house immediately after noonday lunch. This was attended by both republicans and democrats. Many democrats present stated that they would vote for Mr. Kennedy and Judge Sutton. Other democrats asserted that they could not vote for Mr. Hitchcock and that they would vote for Mr. Kennedy to express their disapproval of the manner in which Senator Hitchcock had treated the Bryan brothers in the primary campaign.

At Rising City Mr. Kennedy addressed a lively crowd of citizens on the street.

Many in the audience remembered Mr. Kennedy by his famous speech delivered in Rising City in the campaign of 1896, when he was there speaking for money and the protective tariff. He stated that when he talked protection in 1896 the democrats ridiculed the proposition. Now he pointed out that they were using it for the benefit of southern products, but not for the benefit of the products of Nebraska and the rest of the north. The farmers were much pleased with Mr. Kennedy's reference to the tariff.

Butler County Lining Up.

There is a large vote all through Butler county which will go to Mr. Kennedy, and a great many votes which will go to Judge Sutton regardless of party lines. Much satisfaction was expressed throughout the county today by republicans who are pleased with the manner in which Mr. Kennedy has campaigned for the entire republican ticket.

J. P. Stoltz of Milford, candidate for state senator, and A. Campbell of Gresham, candidate for float representative, have campaigned with Mr. Kennedy all day today.

HYMENEAL.

Eklund-Whitford.
Miss Bessie E. Whitford, daughter of William Whitford and George Arthur Eklund, both of Kennebec, S. D., were married by Rev. Charles W. Savidge Wednesday evening at the residence of Mr. and Mrs. Homer C. Charles, 1556 North Sixteenth street.

Sloan Points Out Effects Caused by Underwood Tariff

Beatrice, Neb., Oct. 12.—(Special.)—Congressman Sloan at Liberty, Tuesday, discussing the tariff as relating to the farmer, stated in part: "Since the passage of the Underwood tariff law two influences have operated to affect the price of the leading farm products. One was the passage of the act and its operation; second, the opening of the European war and its progress.

"Much is said about the present very high prices. That they are war prices should be understood by all. The most potent influence fixing a day's market is the result of a great battle, the organization of a great campaign or the rumored coming into or the going out of war by some power.

"Roumania's entrance into the war reduced the price of wheat 11 cents a bushel. It can from this be well understood what effect an actual cessation of hostilities would cause. If political advantage is looked for then the party in power should at once claim responsibility for the passage of the Underwood law and assume responsibility for the depressed prices following. And if they would claim credit for the high prices now, they should assume responsibility for the war, which I do not anticipate they will do.

"I submit the farm prices of corn, oats, barley, potatoes, hay and flaxseed for the month of May, 1912, this compared with May of 1914, one being under the Payne law and the other under the Underwood law:

	1914-May-1912	Dec.
Corn, bushel	\$ 0.721	\$ 0.764
Oats, bushel	.395	.416
Barley, bushel	.491	.469
Potatoes, bushel	1.274	1.239
Flaxseed, bushel	12.847	12.811
Kansas City	12.52	12.64
Hay, ton	17.64	17.62

"To further illustrate, I submit the prices of wheat on several markets on July 11, 1912 and 1914:

	July 11, 1912	July 11, 1914
Chicago	\$ 0.72	\$ 0.72
Omaha	1.044	.804
New York	1.16	.874
Kansas City	.984	.714
Minneapolis	1.074	.864

Thieves Steal \$100 Worth of Silk

Gretna, Neb., Oct. 12.—(Special.)—Burglars broke down the door of Smith Bros. store here today and stole \$100 worth of silks. The thieves did not go near the cash register and thus passed up a tidy sum. The break occurred in the early morning. Police think the culprits are the same who broke into Diers' store in Louisville and Peters' store in Millard last week. The robbers left no clues.

MRS. CLEAVER IS GRAND CHIEF D. OF H.

Spirited Contest With Miss Hempel of Plattsmouth Ends in Latter's Defeat.

FINANCIAL SKY CLEARED

(From a Staff Correspondent.)
Lincoln, Oct. 12.—(Special Telegram.)—Mrs. Mayme Cleaver, for ten years grand chief of the Degree of Honor, was re-elected here this afternoon after a spirited scrap. She defeated Miss Theresa Hempel of Plattsmouth. Additional fire was put into the election by the action of Henry Gering of Omaha, a member of the laws committee, in reading a letter which attacked the management of the finances of the order. He read the financial report, showing affairs to be in a most prosperous condition, in reply to the charges in the letter, which had been circulated among the membership.

Other officers elected were: Christina Yager, Hastings, grand lady of honor; Mrs. Katie Schmitt, Omaha, grand treasurer; Dr. Ada Wiley, Ralston, grand medical examiner; Lena Herre, Fremont, member of the finance committee.

Representatives to the superior lodge, Dr. S. R. Patton, Omaha; Mrs. Mayme Cleaver, Grand Island; Mrs. Augusta Anton, McCook; out watch, Mrs. Hansine Burk, Grand Island. Hastings was chosen as the meeting place for the 1918 biennial session.

Will Save You Money—That's A Reason

"I Couldn't Have a Prettier Suit If I Were the Richest Girl in Town!"

"And I surely am very far removed from the conveniences of wealth! Not that I don't get a good enough salary, but you girls who dress on salaries and moderate allowances know how quickly money goes for this and that and how almost impossible it is to save a big enough sum for a new suit until the season is pretty far advanced.

"That's why I was so joyous when I learned that Beddeo's Credit Emporium—that popular place at 1417 Douglas street—would not insist on having the price of my Fall Suit paid in advance, but would gladly allow me to pay the greater part of it week by week, WHILE I'M WEARING THE SUIT.

"Oh, you can't imagine what a rapturous time I had deciding which particular suit of Beddeo's many beautiful models I wanted for my own! If you haven't visited Beddeo's ladies' dept' yet this Fall girls, you surely ought to make up for lost time and take them in tomorrow.

"You'll gaze at Beddeo's Suits with admiration and longing—and you need not gaze in vain. When you've found YOUR Suit among the hundreds shown, you may buy it on easy weekly payments. And Beddeo's Credit System is so liberal that practically any woman in Nebraska may use it and wear stylish clothes without hardship or worry. You owe it to yourself to visit Beddeo's, at 1417 Douglas street.—Advertisement.
