VALLEY ELEVENS WILL TEST METTLE

Huskies Meet Kansas Aggies and Jayhawkers Iowa State.

HASKELL AND NOTRE DAME

The foot ball teams of the Missouri Valley conference, excepting Drake, which has nothing on schedule, will have their mettle tested today on contests that should eliminate three of them from the championship chase. All of the contests are between conference teams. Nebraska meeting the Kansas Aggies in Lincoln, Kansas playing Iowa State at Ames and Missouri contesting at Columbia, with Washington, its ancient enemy, who for the first time in many seasons, triumphed last year over the Tigers by the score of 13 to 0.

The Cornhuskers will be met by what is probably the strongest squad the Kansas Aggies have turned out since they joined the conference. Each team undoubtedly will be driven to the limit. Kansas and Ames have not played for many years and the game today promises a hard fight. Neither of the squads has shown well this season.

Missouri will go against Washington as the favorites. Coach Edmunds is without the stars with whom he defeated the Missourians a year ago, and Schalle and Brewer of the Tigers should take the long end of the tally.

Bill Carrigan Bids Adieu to Champions Of All the World

Boston, Oct. 13.—Today the Boston Americans divided the winners' spoils of the world's series, which they closed with a victory over the Brooklyn Nationals here yesterday. Full shares of \$3,826.25 each were given to twenty-two players, including several who had figured but little in the team's success.

Creighton Plays Methodists Today

Nebraska Wesleyan invades the Creighton camp this afternoon, confident of victory. Coach Kline has shifted the lineup and strengthened it from every viewpoint and the Methodist team has the "pep" that to a considerable degree will overbalance any lack of knowledge of the finer points of the game. The Wesleyan team this year is made up entirely of new material and after the 0-to-0 game with Peru, gloom invaded the school, but Coach Kline so materially strengthened his lineup during the following week that when the team met South Dakota they rushed them off their feet with a 21-to-0 score. Blodgett, the Drake half, is being played at full and the backfield work is being built around him. Owing to an injury in practice Blodgett will play his first game for Wesleyan today.

NORFOLK TOO MUCH FOR COMMERCE LADS

Uptate High School Eleven Wins, Twenty-Seven to Nothing.

SCORE IN THE EARLY PART

Norfolk, Neb., Oct. 13.—(Special Telegram.)—The Norfolk high school defeated the Omaha Commercial High school foot ball team here this afternoon, 27 to 0. The first Norfolk touchdown was made in three minutes of play and while the Leavenworth Street eleven was outclassed in many plays, Captain Reeves, backed by M. Rakusek, Dewey and Conhiser, was able to hold the Norfolks without a score in the last two quarters. Simpkins, the Norfolk star left half, did the plunging for Norfolk, breaking through the Commercial lines at will, making several sensational end runs, one for a thirty-yard gain.

The last three minutes of play was sensational, the ball being on the Commercial five-yard line. Holding the line Reeves aggregation punted back to the thirty-yard line. Norfolk's touchdowns were made in the first two quarters of the game. Captain Reeves declared that the Omaha Central High which comes here next Friday would be about evenly matched with Norfolk, the Omaha backfield probably being slightly heavier than the Norfolk squad. The lineup:

Ames Expects Big Crowd at the Game

Ames, Ia., Oct. 13.—(Special.)—The seats for the Kansas game tomorrow are going fast. The new concrete stands hold about 6,000 comfortably, and the gymnasium office expects a capacity crowd if the day is good for cars to travel. The coaches have decided not to give out the lineup. There may be a change or two and there may not be. Several candidates who are second string men now have excellent chances to get on the first string.

Chicago and Hoosier Elevens Will Clash

Chicago, Oct. 12.—Foot ball teams of the middle west will swing into action tomorrow for the real test of the season. The Colgate eleven of Hamilton, N. Y., will oppose the Illini at Urbana.

Chicago and Indiana will furnish the only contest having a direct bearing on the "Big Nine" championship. This game probably will eliminate the loser from the western conference race. It is the only contest on tomorrow's schedule bringing "Big Nine" teams together.

Minnesota will have North Dakota as its foe and is regarded as a certain winner.

Wisconsin is expected to triumph over South Dakota State, which lost to Minnesota last week, 7 to 41. Notre Dame will take on the tricky Haskell Indians at Notre Dame.
