DOC STEWART HAS TOUGH JOB AHEAD

Nebraska Mentor Will Make Self Miracle Man if He Repeats Stiehm's Success.

"PUNCH IN PINCH" LACKING

By FRED S. HUNTER.

Doc Stewart, the new Nebraska mentor, has something of a task ahead of him if he hopes to lead his Cornhusker charges through a successful season as his predecessor, Jumbo Stiehm, did for three years, with the able assistance of Vic Halligan, Guy Chamberlain, Dick Rutherford and one or two others.

Lack of weight in the backfield and the absence of an individual star upon whom he can depend in the pinches are the problems most seriously confronting the coach and he is scheduled to spend many a sleepless night and many a tedious day before Thanksgiving rolls around. That "punch in the pinch" which characterized Nebraska eleven in 1913, 1914 and 1915 is missing this year. In 1913 whenever Nebraska had the ball under the shadow of the enemy's goal posts, a touchdown, or at least a good kick for three points, was practically assured, because Vic Halligan wore the rags of Nebraska that year. In 1914 there was no deliver Halligan and Chamberlain who both in the pinch and in 1915 there was Chamberlain. If one would study the records of these three great Nebraska years he would find that Halligan and Chamberlain were largely responsible for all of the Huskers' big victories.

Breakers Ahead.

But Stewart hasn't got any Halligan or Chamberlain, he hasn't a man anywhere near their class and his problem is going to be a lot stiffer than any Stiehm ever tackled. Twice Saturday in the game against the Kansas Aggies the Cornhuskers had the ball within a few inches of the Aggie goal. One time they had four downs to make a yard. It took them three. One time they had two downs to make a yard. They failed to make it. That's the big defect Stewart must remedy in order to give the Cornhuskers another championship.

Defense Is O. K.

Stewart has made wonderful progress in working out a defense. Scoring against the Cornhuskers is going to be a tough job this year. The Kansas Aggies Saturday, with a good team, never had a chance. If the Huskers continue to exhibit the same superior brand of defensive foot ball no apprehension along these lines need be felt by Cornhusker supporters. But the offense needs bolstering up, and as his material can only be described as fair, Stewart will make himself a miracle man if he repeats the successes of the fortunate Stiehm. That the Cornhuskers will probably, with an even break in the luck, capture another Missouri Valley championship is conceded by the greater part of valley gridiron followers, but it's nothing more than an even bet on the Oregon Aggies and the odds are on Notre Dame for the big Thanksgiving climax.

Stiehm Gets Lacing.

The lacing administered to the protégés of one E. Stiehm by the warriors of Alonzo Stagg caused something of a titter throughout Nebraska. When Stiehm went to Indiana predictions that he would gain against a stonewall without the services of such as Halligan and Chamberlain were frequent. And they proved out Saturday, for the Chicagoans had it easy, and Chicago got a blackeye a week ago when Carleton walloped the Maroons.

That Ames will be Nebraska's strongest contender for the Missouri Valley title was evidenced by the defeat given Kansas. The Iowa farmers have assembled a formidable array of gridiron talent this fall and give promise of putting up a stiff battle against the Cornhuskers when they clash the first Saturday in November. Kansas does not appear to be as strong as last year. Missouri, heralded as a world-beater, only defeated Washington, which never is very strong, 13 to 0, and apparently has not the class it has been said to possess.

Gophers Hold Edge.

Minnesota continues to hold the edge in the Western conference by its overwhelming defeat of North Dakota. The Gophers look like the best bet in the west this year. Illinois showed it is much weaker this fall by succumbing to Colgate. Notre Dame found the Haskell Indians easy pickings. Harper's crew looks mighty good this year, even better than last, and is going to make trouble for everybody it meets, Nebraska included.

The "Big Three" of the east barely upheld their colors by the narrowest of margins Saturday. Princeton, with the aid of a sub who made a phenomenal, and probably lucky, goal kick of forty-five yards, only beat Tufts 3 to 0. The Tigers, by thus defeating Tufts, which in turn defeated Harvard, are the ranking favorites in the east. Harvard ran up a score of 21 to 0 on

American Athletes Take the Lion's Share

Stockholm, Saturday, Oct. 14 (Via London, Oct. 15).—American athletes took the lion's share of the honors on the opening day of the track events at the stadium here. Competing against athletes of the Scandinavian countries, the Americans won their three races—the 100 and 400-meter runs and the 800-meter relay race.

In the 400-meter run Ted Meredith, the former quarter-mile American national champion, defeated J. Bolin, the holder of the 800-meter Swedish record. Time, 49.7-10 seconds. Americans took first, second and third places in the 100-meter event, the winner being Joe Loomis of Chicago. The high jump was won by the Swede, Kulterstrand, Loomis being second and Fred Murray of Chicago third.

Purdue Whips Little Giants From Wabash

Lafayette, Ind., Oct. 15.—The Purdue boiler-makers defeated the Little Giants, from Wabash, on Stuart field, yesterday by a score of 28 to 7. Purdue showed an increase in form over their game a week ago with Depauw. The line held like a stone wall and the ends and backs were fast. For Purdue, Vanaken, Huffine and Hake carried off the honors, while Bacon was the bright star for Wabash. The features of the game were long end runs by Vanaken and Hake and the line plunging of Huffine.

Socialist Candidate for President Is Entertained

From 1893 to 1897 Mr. Benson himself was employed as a reporter on a San Francisco newspaper, and he renewed acquaintance today with a number of his former coworkers. This is the candidate's first visit to San Francisco since he gave up his reportorial position twenty years ago.

ATHLETICS SPRING ON THE NONPAREILS

Hold Heavy Champs Down to Fourteen Points in Good Gridiron Game.

BATTLE AT LUXUS PARK

By FRANK QUIGLEY.

Yesterday afternoon down at Luxus park, before a large gathering of foot ball devotees, the Solomons were treated to a nonpareil surprise when the underestimated Athletics held the heavy Nonpareils down to 14 points. The Athletics fought gamely throughout the contest, and the fans were apparently well pleased with the game.

The Nonpareils hoisted the oval to the Athletics, and after a few downs it was apparent that an excellent battle would be staged. The Nonpareils scored in the first quarter. They regained the leather on a fumble by the opposition and by straight, ordinary foot ball pushed the pigskin across. Kiery plunged over for the initial touchdown and also kicked goal.

In the second and third quarters, the Athletics played the champs to a standstill. The Nonpareils were on the offensive most of the time and they kept the pigskin in the Athletics' territory, but were unable to register a point.

During the final quarter the champs oozer over another touchdown when, after a bitter fight to reach striking distance, Phillip Tracey, placed the leather over the line and Kiery kicked goal. Wide and runs, tricks and different fake formations were utilized quite frequently by the Nonpareils, and although they gained plenty of ground by these methods, the Athletics seemed to produce the impene-trable stuff in the pinches. The Nonpareils at present are gameless for next Sunday, but on the following Sunday they will play the All-Stars.

Chicago Aspires To Foot Ball Title In the Conference

Chicago, Oct. 15.—Championship aspirations are budding in the camp of the University of Chicago foot ball eleven as a result of its victory over Indiana Saturday.

The triumph re-establishes Chicago as a strong candidate for the Western conference honors, although critics agree that Minnesota still has the edge. The Maroons were 50 per cent improved over a week ago. The defeat of Indiana means its elimination as a possible contender for the Big Nine championship. The game was the only one on Saturday's schedule having any bearing on the conference title.

The defeat of Illinois at the hands of Colgate was a shock to supporters of the Illini. Illinois must prepare to face next Saturday a high-powered eleven in Ohio State, which buried Oberlin under a 128 to 0 score yesterday. Minnesota, showing steady improvement, rolled up another big score yesterday, trouncing North Dakota, 47 to 7. Captain Baston signaled his return to the game by brilliantly executing forward passes for long gains. Wisconsin's victory over South Dakota revealed that the Badgers are strong contenders for the Big Nine honors.

The leaders outside the conference, Notre Dame and Michigan, came through their games with comparative ease the victors.

Bellevue Team Faces Hard Week of Practice

The hardest week's work of the season for the Bellevue foot ball squad begins this afternoon. Bellevue students are of the opinion that the 3-to-0 victory over Cotner should have been larger by at least twelve points, and that only fumbling kept the Indians from scoring at least twice more than they did. Benjamin has been working the boys hard to eliminate this feature.

North Loop Still Champion. North Loop, Neb., Oct. 15.—(Special.)—North Loop High school defeated Greeley 25 to 0. North Loop was faster and worked the forward pass to advantage. North Loop has won three games for a total of seventy-one points, without being scored against this season. The team has had the Loop valley championship two years.

Defeat for Arapahoe. Cambridge, Neb., Oct. 15.—(Special.)—The Cambridge High school girls defeated the Arapahoe girls yesterday 20 to 2. The game was played at Arapahoe and was a little slow on account of dust and heat. Arapahoe plays a return game November 10.

AVERS CONDITIONS BETTER IN MEXICO

Arredondo Says Reforms Are Being Inaugurated as Fast as Possible.

BACK FROM SEEING CHIEF

Washington, Oct. 15.—Elizeo Arredondo, Mexican ambassador designate, told here today for the first time of his recent visit to Mexico City to confer with General Carranza. The ambassador is convinced that the exchanges of views which took place will contribute materially toward bringing about a better understanding between the two governments.

Conditions in Mexico show steady improvement, Mr. Arredondo said, despite the destructive effects of the revolution. Economic, military and civic reforms are being inaugurated as rapidly as possible, he said, adding that published reports of suffering among the natives because of hunger were greatly exaggerated, the government having received complaints on that score only from localities where bandits were operating, confiscating foodstuffs and other property. Activities of Legalists. The ambassador said there was no question but that a "legalista" movement had been started to overthrow his government.

Mr. Arredondo described the legalista movement as another attempt on the part of anti-Carranza interests to injure President Wilson's prospects for re-election.

"They believe that if Mr. Hughes is elected," the ambassador said, "they will have another opportunity to present their case to the United States, and seek assistance for it from the American people."

No Reflection on G. O. P.

Mr. Arredondo said that in making that statement he did not intend to reflect upon the republican party or its policy toward Mexico in any way, expressing confidence that if the party were brought into power by the November election it would be just in its dealings with the Carranza government.

Lincoln Looms Up As Dangerous Among High School Elevens

WEEK'S RESULTS.

Central High, 7; Council Bluffs, 0. South High, 14; Blair, 7. Norfolk, 27; Commerce High, 0. Beatrice, 23; York, 0. Lincoln, 26; Grand Island, 0. North Platte, 13; Curtis Aggies, 12.

All but one of the High game conference teams donned the moleskins in regular battle Friday. The circle of games reached the sustained strength of the Lincoln team. Coach Reese's eleven can now be considered as dangerous competitors for the title, perhaps on a par with Beatrice.

The victory of the Capital City over Grand Island in such overwhelming terms as 26 to 0 indicates that Central and Beatrice High schools will have their hardest battles when they meet the Lincoln team. It is possible that these games will prove the deciding games in the championship race. At least they will determine Central's standing. Beatrice will first be met by the local eleven and if defeat results there will be still one more chance for the local lads against Lincoln the week following. Beatrice still retains the edge in the conference, according to the dope.

North Platte Baffles.

North Platte apparently made a baffling if not a poor showing against the Curtis Aggies, a team that has already been defeated by a minor eleven. The score of 13 to 12 indicates that the western town is weak. Authentic reports show an apposite situation. North Platte's two touchdowns were made in the first half and in the second Coach Ohman played second string men entirely on his line regardless of the slaughter he was causing on his own men. North Platte has a light, fast team, with a much faster backfield, according to an eye witness of the game Friday.

Norfolk's win over Commerce High means little in the conference, except to show that regardless of injuries incurred the team is able to withstand the assault of a healthy opponent. Captain Blakeman, half-back, broke his nose in the Lincoln game, a week ago, and was not in the play Friday. Central's strength in the conference will be gauged greatly by the outcome of its game with Norfolk at that town Friday. Walker's men have been practicing the entire season with but one object in view—to beat Central, and it will be a battle to a finish.

KENNEDY ROUSES PATRIOTIC FERVOR

Republican Candidate for Senator Addresses Foreign-Born Citizens.

BELIEVES THEM LOYAL

Wymore, Neb., Oct. 15.—(Special.)—John L. Kennedy, republican candidate for United States senator, closed his campaign in the Fourth congressional district last night when he addressed a meeting here, after an all day automobile tour across Thayer, Jefferson and Gage counties. A. D. McCandless presided and introduced Mr. Kennedy.

Last night's address dealt with Americanism and the loyalty of foreign-born citizens to the United States. Mr. Kennedy spoke as one foreign-born citizen to another and expressed the conviction that the foreign-born Americans would as readily respond to the call of their adopted country as those of American birth. He said that the fact that a foreign-born citizen loved the land of his birth indicated that he was capable of being loyal to the land of his adoption. Becomes True Citizen. He stated, however, that he believed the foreign-born citizen should leave every notion that was inconsistent with American institutions at the water's edge on entering the United States. He urged that when a nation insisted on loyalty from its citizens, as it had a right to do, it should guarantee to that citizen absolute security and protection at all places in the world when his claim was proper.

Mr. Kennedy was accompanied here yesterday by H. W. Munson, editor of the Beatrice Express, who joined the party at Fairbury, where Mr. Kennedy addressed the monster crowd which was awaiting the arrival of Mr. Hughes. They were entertained here at the home of Adam McMullen, candidate for state senator.

Join Hughes Party.

They left for Beatrice last night and continued to Lincoln today, where Mr. Kennedy will join the Hughes party and accompany them to Hastings. Mr. Kennedy speaks in Superior tomorrow afternoon, and at Harvard tomorrow night.

The Kennedy party left Hebron early yesterday morning and were piloted as far as Fairbury by H. E. N. Dodson of Hubbell. At Chester a street meeting was held, and another at Hubbell, where Dr. Wilcox acted as chairman. At Williams, Mr. Kennedy stopped to call on Charles Lugenbeel. The party reached Fairbury at noon and were met by Frank Rain, county attorney, and R. B. Steele, chairman of the Hughes reception committee. At the request of the committee Mr. Kennedy spoke for a half hour preceding the arrival of Mr. Hughes. He was greeted by frequent bursts of applause and yells from the audience.

Welcome at Odell.

From Fairbury the Kennedy contingent proceeded to Odell, where a street meeting was held. Mr. Kennedy was royally received there. He spoke to an audience in which there were numerous citizens of foreign birth. He was asked as to his attitude on world affairs, and stated that he wished the same treatment accorded to each European nation that was accorded to every other. From the crowd a friendly German voter answered, "That's all we want." After his address he was surrounded by foreign-born voters of every nationality, who freely expressed their admiration for his expressions of true and actual neutrality. There were many assurances from the voters that Mr. Kennedy had warmed them in their feelings for the United States.

Boston Americans Play Tie With Colonials

New Haven, Conn., Oct. 15.—The champion Boston Americans and the semi-professional Colonials played an exhibition base ball game here today, the contest being called at the end of the ninth inning with the score 3 to 3. The Red Sox had their regular lineup with the exception of Hooper and Gardner. Ty Cobb of the Detroit Americans played first base for the locals and had the unusual record of making eight assists. He made two hits. Score: R. H. E. Boston ..... 1 0 0 3 0 0 0 — 3 4 5 Colonials ..... 0 0 0 3 0 0 0 — 3 4 5 Batteries: Ruth and Cady; Falvey, Keating and Kollifer.

Cured of Indigestion After Twenty Years of Suffering.

"After suffering for over twenty years with indigestion and having seen some of the best doctors here tell me there was no cure for me, I think it only right to tell you for the sake of other sufferers as well as to your own satisfaction, that a twenty-five cent package of Chamberlain's Tablets not only relieved me but cured me within two months," writes Jul. "WE HAVE GERMANS BY THE EARS NOW"

General Castelnau, Chief of Staff of All French Field Armies, Exults.

NEVER SLAVES OF TEUTONS

(From a Staff Correspondent of The Associated Press.)

Chantilly, France, Oct. 15.—"We now have the Germans by the ears, and will continue to shake their heads until their brains are added and they will be compelled to give in." This declaration was made today by General Eduard Castelnau, chief of staff of all the French armies in the field, to the American and British war correspondents.

"The great question at issue," continued General Castelnau, "was whether we should be the slaves of the Germans. We shall not be. We will die on the battlefield, but we shall never be their slaves."

General Castelnau had just witnessed a review of the First infantry regiment, after the regimental flag had been decorated by General Joffre. Many of the officers and men were personally decorated by General Joffre, who embraced them.

General Castelnau, who has a more intimate knowledge of General Joffre's

plans than any one else and knows every branch of the army thoroughly, spoke with great feeling of the fraternity between the officers and men. He pointed with pride to the veteran soldiers who had just passed, saying:

"It is to men like these that we owe thanks for causing the disastrous failure of the great effort of the Germans at Verdun. Encouraged by the immense efforts made by our British comrades we shall go on to the end, and to the final victory, which is certain."

Admires the British.

Admiringly General Castelnau referred to the new British armies, saying:

"They are formed of splendid material and have become a feature of overwhelming importance in the war. The main preoccupation of the Germans at present is the British armies. They already know the French army. They had hoped to exhaust its strength, but they have learned otherwise. Now they find themselves faced by strong, well trained British armies, which they find too much for them."

Hays Precinct Club.

Minden, Neb., Oct. 15.—(Special.)—The Hays Precinct Republican club was organized here Thursday night. A good crowd was present. Arvid Peterfen was elected president.
