

Nebraska

THIRD DISTRICT IS
ACTIVE FOR HUGHESSpeaking Campaign of Ken-
nedy and Warner Stirs En-
thusiasm.

MANY AT THE MEETINGS

Pender, Neb., Oct. 18.—(Special.)—Riding along on the crest of the great wave of republican enthusiasm caused by the visit to Nebraska of Charles E. Hughes, republican candidate for the presidency, John L. Kennedy, Omaha, republican candidate for United States senator, and William P. Warner, Dakota City, republican candidate for congress from the Third district, made a whirlwind campaign yesterday across Dodge, Cum-
 ing, Burt and Thurston counties and arrived here for a meeting last night, which was well attended and characterized by the spirited applause which has met all republican speakers during the last three or four days.

All over this section of the state there has been a marked revival of political activity and the election of Kennedy and Warner has been confidently predicted at numerous points along the itinerary. Everybody is talking Hughes.

Messrs. Kennedy and Warner commenced the campaign of the Third district by starting from Fremont yesterday morning. They were conducted to Scribner by an automobile party consisting of candidates and citizens.

Talk to the Farmers.

At Scribner A. H. Shultz, president of the Dodge County Farmers' union, presided at a morning meeting in the opera house, at which nearly 200 voters were present. He introduced J. C. Cook of Fremont, republican candidate for county attorney, who spoke briefly. He then introduced William P. Warner, former United States marshal and state senator, and predicted that he would be the next congressman from the district. He introduced Mr. Kennedy and said that by the "grace of God and the vote of the audience Mr. Kennedy would be the next United States senator."

Dan Swanson and George Wolf of Fremont were along and Sheriff Condit acted as scout for the party. G. D. Meyer of Scribner acted as color bearer and headed the procession from Fremont to Scribner.

From Scribner to West Point the Kennedy-Warner party was headed by E. M. Baumann, chairman of the Cummings county republican committee. With him rode W. M. Stuefer, C. A. Bernhardt, J. T. Baumann, W. L. Smith, Joseph Drahos and Louis Zobel. W. E. Kelso of Wisner, who is home from the Mexican border warfare on a furlough and a candidate for sheriff of Cummings county, joined the party at West Point. Mr. Kennedy and Mr. Warner addressed an audience of about 200 people on the street at West Point.

All for Hughes.

Before they had finished, the reception committee from Oakland arrived in an automobile gaily festooned and decorated in Hughes banners declaring "Oakland for Hughes" and "Burt County for Hughes" and bearing Kennedy and Warner posters. In the party were A. L. Cull, cashier of the First National bank; H. E. Priest, prominent Oakland citizen; R. C. Johnson and A. B. Wagner.

Near Oakland the procession was joined by numerous citizens in their automobiles, who followed into the city. Street speeches were delivered to a large audience. Much enthusiasm was manifested. C. O. Stoffer presided and introduced the speakers.

From Oakland to Lyons the procession was joined by C. G. Carlton, editor of the Oakland Independent-Republican; Hennard Hallen, David Rosen and C. W. Johnson. John F. Nesbitt, republican candidate for representative also joined the party.

At Lyons R. E. Lyon presided at a street meeting and introduced Messrs. Kennedy and Warner. Mr. Warner's cousin, M. M. Warner, democratic editor, who runs the Lyons Mirror, was an interested member of the audience. He gave his cousin a hearty greeting.

At Bancroft a street meeting was held and a band concert given in honor of the speakers. Allen G. Burke, attorney of Bancroft, introduced the speakers. The speakers finished the day with the night meeting held here. They will continue the campaign in this district tomorrow.

Aldrich at Newman Grove.

Newman Grove, Neb., Oct. 18.—(Special.)—Ex-Governor C. H. Aldrich spoke to 500 voters at an old-time republican rally at Newman Grove last night. The band played and the crowd cheered Mr. Aldrich as he took the platform. "War prosperity" was fully analyzed and explained, as was also the Mexican situation. He praised Hughes and predicted his election. He endorsed the republican state candidates, and gave convincing reasons why they should be elected. He spoke highly of John L. Kennedy. H. Halderon spoke at some length.

Notes from Beatrice
And Gage County

Beatrice, Neb., Oct. 18.—(Special.)—At a meeting of the stockholders and officers of the German Lutheran church it was voted unanimously yesterday to build a new hospital in South Beatrice to cost about \$75,000. The building will be a fireproof structure, and it is the intention to begin work on the building as soon as possible. The hospital will be erected just north of the present one, which will be used for sanitarium purposes.

Mary Bohlman yesterday instituted suit for divorce from Henry Bohlman. The plaintiff charges the defendant with cruelty and desertion.

J. C. Penrod, county clerk and candidate for re-election on the republican ticket, is suffering from ptomaine poisoning, caused by eating some stale cheese while making a campaign trip through the county.

The Spiegel-Overland company gave a banquet at the Paddock hotel last evening for dealers. There were about fifty out-of-town guests in attendance.

Wheat took a jump of 4 cents a bushel on the local market yesterday, boosting the price to \$1.54 per bushel, and many farmers are taking advantage of the raise by disposing of their wheat.

The Council Bluffs and Beatrice

High school football teams will meet at Athletic park Saturday afternoon, and Coach Rathbun expects a hard battle. The Beatrice boys are practicing hard for the game and will be in fine shape to take on the Iowans when they step on the field.

Golden Wedding
Of the Smoyers

Syracuse, Neb., Oct. 18.—(Special.)—Tuesday in Syracuse occurred the golden wedding anniversary of Mr. and Mrs. Louis B. Smoyer. Louis B. Smoyer and Miss Adelaide V. Sawtelle were married at the bride's family home northeast of where this village now stands, October 17, 1866, and have resided in this community continuously ever since.

It was the intention of this pioneer couple to spend their anniversary in a quiet manner, but in the evening a host of the neighbors and friends gathered at a nearby home and marched in a body, completely surprising them. They were presented with a pair of fine rockers and a most beautiful bouquet of yellow chrysanthemums.

A. E. Studd's annual Duroc Jersey sale was held Tuesday and thirty-seven of the best Duroc boars that have been put in the sale ring in this part of the country for some years. They averaged \$36.25 per head, the high sale being a Golden Model Again pig to William Beecham, Palmyra, for \$66. Six head sold for better than \$50. Hogs from this sale went to all parts of Otago, Cass and Johnson counties.

Bi-Partisan Meeting

Is Held at Harvard

Harvard, Neb., Oct. 18.—(Special.)—Fine weather favored the second day of the Harvard bi-partisan revival, but was not conducive to large attendance in the afternoon. The program was planned for the judiciary and the railway commissioners. None of the candidates for the supreme court were present, nor was any representative. Candidates Brubaker of Superior and Brown of Crete, for judge of the Seventh district, made short talks. Victor Wilson of Stromberg, and Henry T. Clarke of Omaha, candidates for state railway commissioner, were given an hour each to present their cases. Partisan friends of Mr. Wilson condemned his speech here in no uncertain terms.

In the evening the big tent was filled to its capacity and the program opened nearly on time, all the speakers being on hand. First, candidates for the state senate—L. D. Evans of Kenesaw, republican, and Walter E. Hager of Hastings, democrat, were presented and spoke for about twenty minutes each. J. W. McHugh, republican candidate for county treasurer, was also presented and made his acknowledgments. Several of the county legislative candidates were present and occupied seats on the platform, and were in turn presented to the audience. Candidates for congress, A. C. Shaferberger of Alma, present incumbent, and S. R. Bar-

Garage Destroyed,
Motor Cars Burned

Silver Creek, Neb., Oct. 18.—(Special Telegram.)—Fire starting from gasoline vulcanizer completely destroyed the Brown & Lucas garage here about noon today, together with seven motor cars stored there by local residents. Strenuous efforts by the firemen saved the light plant adjoining. No one was seriously injured, but several had narrow escapes while trying to remove their autos. Brown & Lucas estimate their loss at \$10,000 with no insurance. Even their hooks were destroyed. Losses on the cars destroyed were easily amounting to \$5,000; none of them insured.

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which, if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and ptomaine-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quarter pound of limestone phosphate from the drug store and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

Remember, inside bathing is more

important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the bowel pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.—Adv.
