

Blacksmiths Consider

Raise in Price List
Hastings, Neb., Oct. 20.—(Special Telegram.)—The proposed price list including several increases is the big question which faces the convention

of the Nebraska Association of Blacksmiths, Horsehoofers and Wheelwrights, now in session at the court house. It is maintained by the supporters of the proposed changes that the advance in the prices on iron and wood have made increased prices on the work of blacksmiths imperative. The

convention opened this morning with about 350 members in attendance.

Potatoes at Hemingford Are Bringing High Price
Hemingford, Neb., Oct. 20.—(Special.)—At a public sale of potatoes

and live stock held at Hemingford Monday field run Ohio brought \$1.05, Triumphs \$1.25 and Eurekas 96 cents per bushel.
The entire crop of John Mabin's farm was sold, about 8,000 bushels. Potatoes here are about one-third sold and there are about thirty-five

cars in process of loading all the time, with shipments running about twenty-five cars a day. Only two days so far has there been any car shortage. While the crop is not unusual, the price is very much above the average. Several new fifty-car storage cellars are being built.

Guardsmen Bound Over for Stealing Two Automobiles

Douglas, Ariz., Oct. 20.—Six members of the Fifth New Jersey infantry and two regulars from the Sixth field artillery waived preliminary

hearing today and were bound over to await action of the superior court in Tombstone on the charge of stealing two automobiles. Friends of the soldiers say they took the cars for a "joy ride."
