

Nebraska
**NEBRASKA VOTERS
STRONG FOR HUGHES**

Sutton Tells State Committee
of Successful Meetings
Over the State.

RESULT OF TRAIN POLLS

(From a Staff Correspondent.)
Lincoln, Oct. 21.—(Special.)—Changes which mean a great deal to the chances of Hughes carrying Nebraska are apparent all along the line, according to Judge A. L. Sutton, republican candidate for governor, who was in Lincoln today and called at republican headquarters. "The republican ticket will surely be elected from top to bottom," said the judge. "I have been especially pleased with the sentiment in favor of taking the state out of democratic hands and putting it in the hands of the republicans. The Hughes sentiment is gaining every day and should be sufficient to carry him across as far as Nebraska is concerned, when election day comes."

Crowds at Meetings.

"We have been drawing good crowds in most of the places where we have spoken. The voters are beginning to take more interest in the campaign than was at first apparent, which in itself is an indication that the republican ticket is gaining." Polling of trains, according to reports coming to the republican state headquarters is continuing to show a decided Hughes trend. A train from Lincoln to Harvard on the Burlington polled Wednesday, showed Hughes twenty-eight and Wilson twenty-two. A smoking car on the line from Oxford to Beaver City, showed Hughes thirteen and Wilson nine. Another smoker on the same line returning showed Hughes six and Wilson four.

What Train Polls Show.

As an indication that Judge Sutton for governor and Kennedy for the senate are coming in good shape, as is also the prohibition amendment, the following polls were taken this week on different trains and on different cars:
Burlington, Lincoln to Harvard—Sutton, 87; Neville, 13; Kennedy, 32; Hitchcock, 7; dry, 44; wet, 4.
Burlington, Hastings to Lincoln—Kennedy, 37; Hitchcock, 13; Sutton, 46; Neville, 17; dry, 84; wet, 14.
Smoking Car, Oxford to Beaver City—Kennedy, 2; Hitchcock, 3; Sutton, 3; Neville, 1; dry, 8; wet, 1.
Smoker, Beaver City to Oxford—Kennedy, 11; Hitchcock, 3; Sutton, 11; Neville, 1; dry, 12; wet, 2.
Smoker, Not Given—Kennedy, 4; Hitchcock, 9; Sutton, 4; Neville, 9; dry, 11; wet, 8.
The total for these five polls gives Sutton, 103; Neville, 23; Kennedy, 47; Hitchcock, 24. The dry side, 128 and the wet 27.
