Liver Trouble.

Liver Trouble.

"I am bothered with liver trouble about twice a year," writes Joe Dingman, Webster City, Ia. "I have pains in my side and back and an awful soreness in my stomach. I heard of Chamberlain's Tablets and tried them. By the time I had used half a bottle of them I was feeling fine and had no signs of pain." Obtainable everywhere.—Advertisement.

## Started in Waverly

The construction of four residences has already begun in Waverly Park addition, which was placed on the market by the local real estate men for the International Realty Associates Saturday, October 14. Other houses are soon to be started there. Byron Hastings made a report on the addition and the progress of the sale of lots at the last meeting of the Omaha real estate board. He said that while the entire addition did not sell out in a single day, this after all was not to be expected, but that people are going out to look at the addition every day and prospects are good for closing out the entire addition by the first of the year.

Avacado Pear, New Fruit,

Being Raised in Florida Being Raised in Florida
The Avacado pear is a new fruit
cultivated extensively now in Palm
Beach county, Florida. This in a
highly palatable and valuable fruit,
much sought on the market. Its success depends, it is said, on a climate
where froat is unknown. The market
value of the Avacado is said to be
five times that of grape fruit. Parson

Omaha, which company handles a lot
of Palm Beach county land, is much
impressed with this new fruit, and

with the rapid development of that county in general.

"Some of the finest of America's husiness men are making their homes in Lakeworth and Palm Beach," said a planting Avacado groves, which groves are fine money makers during the winter months."

"Since the county was organized in 1909," says the Tropical Sun of West Palm Beach, "the amount of money invested in, and authorized for roada, canals, drainage orperations, and harbor work by the state, county, cities and private corporations, approximate a grand total of \$10,000,000.
