

WARNS AMERICANS OF RACE HATREDS

Pastoral Letter of Episcopal Church Tells Members "To Sanctify Wealth."

"OFFER TO GOD'S CAUSE"

St. Louis, Oct. 28.—Warning Americans against "the danger of race antipathy flaming into hatred" and against "unconsecrated prosperity which is bound to cause manhood to decay," the pastoral letter of the Protestant Episcopal church was read at the final joint session of the triennial convention here Friday.

The letter is the message of the 108 bishops of the church to its communicants and, under the church law, will be read in every Episcopal church in the country.

Unlike most previous pastoral letters it dealt with secular rather than ecclesiastical. It reviewed conditions in the United States and Europe and in the Orient and pointed out to this country the threat that lingers in a nationalism which assumes the "ugly" role of group-selfishness or false patriotism.

"Whatever dangers may lie lurking beyond our western horizon," is asserted, "can surely be averted by a spirit of justice which has not always prevailed in our dealings with the Orient."

Members of the church were admonished to "sanctify their wealth by offering freely of the substance to God's cause," it being added that "the wounds of Armenia, Poland and Belgium still lie gaping to the sky and offer their dumb appeal to God and man."

Plunges Head First Into Corn Sheller

Broken Bow, Neb., Oct. 28.—(Special.)—Mitchell Harbaugh, a 17-year-old boy and a son of T. C. Harbaugh of this city, was frightfully mangled in a corn shredder Friday forenoon on the farm of Lige Willis, about nine miles southwest of here. The shredder was a new one and as Harbaugh drove up with a load of corn it became clogged. The operator was below trying to clean out the machine while it was running and Harbaugh, thinking to assist, jumped from his wagon to the top of the shredder. In some way his foot slipped and he went head first into the hopper.

Fred Oliver, the operator, saw the body coming through and immediately threw the machine out of gear. It took half an hour to get Harbaugh out of the machine. Two physicians got to the scene as quickly as possible and operated on the boy. They found that the right arm had been torn off and it had to be amputated near the shoulder. The shoulder was crushed, the right ear torn off, there was a large hole in the right breast and the back was lacerated and bruised nearly to the waist.

The lad is still alive and has a fighting chance for his life. When he was released the boy stepped off of the machine alone.

Rabbit Breeders Will Form Permanent Society

There are about 200 rabbit breeders in Omaha and they are all invited to attend. M. H. Fowler was elected temporary president of the organization and will preside Monday.
