HUGHES' ELECTION ASSURED BY STAND OF PIVOTAL STATES

**New York Will Give Republican
Candidate Majority of
Hundred Thousand
Votes.**

JERSEY AGAINST WILSON
Michigan, Wisconsin and New
England States for
Hughes.

OHIO RETURNS ARE NOT IN

New York, Nov. 7.—The state of New York has been carried for Hughes by a plurality of more than 100,000. The indications are that he also has carried Illinois and Indiana by a like plurality.

The returns from Ohio are insufficient to determine the result in that state.

All of the New England states and New Jersey, as well as Wisconsin and Michigan, have been removed from the list of doubtful states.

Unless there is a landslide for President Wilson on the Pacific slope the election of Hughes seems certain.

Trend Early Seen.

Although President Wilson's secretary at the summer White House, and Chairman Vance McCormick of the democratic national committee, made statements that the complete returns would show the re-election of President Wilson, the trend on the face of the returns was toward Hughes and early in the evening some of the New York newspapers which have supported President Wilson conceded his defeat, although they made no statement in figures.

Early in the evening a great majority for Hughes in New York was evident and the state was conceded by the democrats. Soon afterward democratic supporters conceded the loss of all New England to the Hughes column, and the incoming returns from the middle-west, although far from complete, showed the Hughes figures growing fast.

An early estimate of the Hughes electoral vote without Ohio placed it at 277, eleven more than necessary for a majority in the electoral college. The Hughes majorities were reported from Indiana and Illinois were regarded by the republican leaders as an indication of what might be expected from the states farther west when the figures began coming in. The difference in time and the fact that the polls in some of the western states closed later than in the east, made figures early in the evening impossible.

Nothing definite as to the complexion of the next congress was available early in the night. The democratic majority in the house had been decreased by one. It was conceded that the majority in the senate had been decreased by two—one by the republican victory in Maine last September and the other by the election of William Calder from New York, who defeated William McCombs.

Arkansas.

Little Rock, Ark., Nov. 7.—Scattering early returns indicate that Arkansas has gone democratic by about the usual majority. First reports indicate that Pulaski county, which includes Little Rock and Argenta, will roll up a big majority against the proposed amendment which would repeal state-wide prohibition.

California.

San Francisco, Nov. 7.—A plurality of 200,000 for Governor Hiram W.

Chairman Willcox Says New York and Illinois Make Hughes a Cinch

New York, Nov. 7.—William R. Willcox, chairman of the republican national committee announced at 8 o'clock that from returns received up to that hour Charles E. Hughes was sure of election. Chairman Willcox made this statement after receiving reports which he said indicated that both New York state and Illinois had gone for Hughes:

"It is a little early for remarks," Chairman Willcox said, "but from news received thus far it seems as if Mr. Hughes was elected. It is a great victory and gives us great satisfaction. It shows that the people can be trusted."

Chairman Willcox of the republican national committee at 8:50 o'clock gave out the following statement:

"The victory is greater than we had hoped for and it shows that the American people can be trusted to settle the issues of the campaign. The present outlook seems to indicate a clean sweep. That means Mr. Hughes is elected and that both houses of congress will be republican. The American people are to be congratulated."

The City News Bureau, analyzing returns from 50 out of 2,191 city precincts, issued a bulletin to the effect that maintenance of this ratio would give the city to Governor Dunne, democrat, by 12,000 over Lowden, republican.

Fades.

NEWS HURRIED TO WILSON

Long Branch, N. J., Nov. 7.—When the New York newspapers began conceding the election of Mr. Hughes, there was a perceptible lessening of optimism at the White House executive offices, but the view was expressed that the chances of Mr. Wilson still were good. Anxiety to hear from western and middle-western states was shown. All the important news was telephoned immediately to the president.

Illinois outside of Chicago, Frank O. Lowden (republican) had 12,354, and Edward F. Dunne (democrat) 6,690 for governor.

NEBRASKA VOTE COMING LATE, AS COUNT IS SLOW

Long Ballot and Late Hour of
Closing Polls Holds Back
Returns From the
State.

WETS LEAD IN DOUGLAS

Few Precincts Reported Deal
With Vote on the Prohibi-
tory Amendment.

NOTHING ELSE IS KNOWN

Nebraska is repeating the experience of all recent years in the matter of long ballot, slow count and late returns. All that is positively known at the hour this edition goes to press is that an election was held on Tuesday.

Reports received from various parts of the state during the day indicated a very heavy vote being cast, with most of the public interest centered on the prohibitory amendment. Four precincts from Douglas county, reported at 9 o'clock gave the wets 730 and the dries 445.

One precinct in Merrick county had reported at that time on the vote on United States senator, giving Hitchcock 68 and Kennedy 52. The same precinct gave Neville 61 and Sutton 69; wet 61 and dry 65.

The polls did not close until 8 o'clock, and the long ballot had the usual effect on the returning boards. The returns will be as late as ever.

Rain, which commenced falling on Monday night, spread over the eastern part of the state during the day, and by 8:30 in the evening had developed into a downpour that drove people off the streets in Omaha, and this will hold back the reporting of the result, as it will interfere with the communications in the country.

amendment providing for home rule was losing by a similar ratio.

Albert F. Sleeper, republican, and the whole republican state ticket were increasing their leads.

Missouri.

St. Louis, Nov. 7.—Returns from twenty-one precincts out of 3,459 in Missouri give Wilson 2,341; Hughes, 2,124.

Kansas City, Mo., Nov. 7.—The partial returns from twenty of the precincts of Jackson county show Wilson 2,697 and Hughes 1,469.

New Hampshire.

Manchester, N. H., Nov. 7.—Returns from forty precincts out of 694 in the state: Hughes, 3,292; Wilson, 2,774.

Manchester, N. H., Nov. 7.—Returns from seventy-six precincts out of 294 in the state give Hughes 6,031; Wilson, 4,972. Fifty-one precincts give for governor: Keyes (republican) 4,837; Hutchins (democrat) 3,270.

New York.

Buffalo For Hughes. Buffalo, N. Y., Nov. 7.—City of Buffalo complete: Hughes, 40,652; Wilson, 36,915.

For governor: Whitman, 40,620; Seabury, 34,687. Calder, 40,540; McCombs, 32,054, for United States senator.

In 1912: Witman, 38,957; Glynn, 19,714; Davenport, progressive, 2,671. Concede New York to Hughes.

New York, Nov. 7.—The New York American claims Hughes has carried New York state by from 150,000 to 160,000, and that Whitman has been re-elected governor by from 165,000 to 175,000.

The New York Times, which supported Wilson, concedes New York state to Hughes, estimating his majority at from 125,000 to 175,000.

The New York Evening World announces that Hughes has carried New York state and that Whitman is elected.

The New York Herald flashed the election of Hughes at 7:30 o'clock.

Albany For Hughes. Albany, N. Y., Nov. 7.—Albany city complete: Hughes, 16,684; Wilson, 11,038. In 1914 for governor: Whitman, 16,333; Glynn, 7,194; Davenport, 245.
