Imported  
**DOLLS**  
In Abundance

Last year we were very fortunate in securing thousands of dollars' worth of Imported Dolls.

Half the joy of a Christmas Doll lies in the fact that the little girl can dress and undress Dolly—and please remember that you simply cannot do this with an American Doll.

That means that a Foreign Doll brings the most pleasure to your little girl. Place against this the fact that very, very few Dolls have arrived from abroad since last year and then you will see the full significance of our statement.

While the assortment is complete, we haven't half as many as we wish we had.
