GAME CLEAN AND WARM

By FRED S. HUNTER.

Lincoln, Nov. 11.—(Special).—By reason of passing up two perfectly good chances to score touchdowns, Harold Mulligan's Central High warriors from Omaha were held to a 6-to-6 tie by the Lincoln High school eleven here this afternoon and the state interscholastic football championship continues in statu quo.

Twice in the third quarter the Omaha athletes had the ball under the shadow of the Lincoln goal posts, but failed to take advantage of either opportunity, once by pulling a "Merkle" and once because of a fumble.

Lincoln Line Too Good.

On the first occasion which broke the hearts of the Central rooters Mulligan's men rushed the ball to within a yard of the Lincoln goal line. They had four chances to push the pigskin over. Four times Quarterback Maxwell signaled for line drives. And four times the Lincoln line, which had been holding like a stone wall, hurled the Omaha chargers back. The Omaha backs could not gain an inch against the center of that line, in fact they were thrown back every time. An attempt to start an end, especially if Morearty were given the ball, probably would have netted the desired score.

A few moments later the Central athletes carried the ball to the Lincoln fifteen-yard mark. A forward pass was attempted. Morearty's throw was true and Harper, who had just relieved Shepherd at end, got under the ball over the goal line, with nary a hostile athlete in reach. The ball bounced out of his arms.

When Omaha Scored.

Central High scored its lone touchdown shortly after the start of the second period. Lincoln had the ball on Omaha's thirty-five yard line and essayed a forward pass. Webb hurried the pigskin toward the Lincoln forwards, but Paynter projected himself in the path of the flying oval, pulled it out of the air and ran sixty-five yards for a touchdown. Smith failed to kick the goal.

Lincoln made a touchdown, which deadlocked the score in the same period. By a series of well-sustained rushes with Griffin, Brain and Webb carrying the ball, the home boys carried the leather to the fifteen-yard line. Here Omaha made a stand and held the Lincolinites for three downs but on the fourth and last attempt, Pug Griffin shot a forward pass to Lamb for the distance to the goal and, as Brain missed the kick for the additional point, the score was a tie.

Nice Crowd Out.

About 1,200 enthusiasts turned out for the conflict which was staged on the snow-covered Nebraska field and in the fact of a biting cold and a nasty wind, which made conditions absolutely miserable for player and spectator alike. Almost half of the attendance seemed to be from Omaha, a special train carrying a bunch down from that city.

That Omaha had a shade advantage over the Capitol City boys, was the judgment of most of those who saw the fray. Omaha gained a total of 279 yards, while Lincoln gained but 246 yards. Omaha earned first downs eleven times, while Lincoln earned first downs only eight times. Omaha attempted thirteen forward passes, five of which were successful for a total gain of ninety yards. Lincoln tried nine forward passes and only one was completed. It gained fifteen yards and scored the touchdown. The punting duel between Smith and Brain was a draw, both booting six punts for a total of 150 yards.

Washburn Eleven Is Easy for Kansas

Topeka, Kan., Nov. 11.—Only once was the Washburn college football team able to threaten the University of Kansas goal line here today, while Kansas scored four touchdowns and won the game, 27 to 0. Second string men were used almost entirely by Kansas because of reports that scouts from the University of Nebraska were watching the play. Kansas and Nebraska meet next Saturday at Lincoln.

CRIMSON DEFEATS THE VISITING TIGERS

Harvard Victor Over Princeton by Margin of a Field Goal.

SCORE, THREE TO NOTHING

Stadium, Cambridge, Mass., Nov. 11.—A field goal by Horween was the margin of Harvard's victory over an almost equally matched Princeton eleven in the stadium today. Defensively the Tigers proved Harvard's equal and stopped many Crimson plays which had been effective against other teams. Offensively Harvard was able at several times to gain enough ground through Casey's elusive runs to threaten Princeton's goal. Only by abortive attempts at long goals from the field did the Tigers menace the Harvard line. Princeton's reliance in its extremely wide forward pass from various formations, but generally it failed. The Tiger team, defeated for the first time this season, went into tears as they slouched off the field. Harvard supporters hailed Casey for his effective running attack and Horween for his accurate toe.

Falls To Tigers.

The luck of the toss fell to Princeton and Captain Hogg chose to receive the ball. Horween kicked off, Moore fumbling the ball twice, but eventually regaining it after a twelve-yard rushback. Driggs, deceptive kicking was used repeatedly to advantage by Princeton.

Both elevens showed better defensive than offensive in the first period. The uncertain wind made the handling of punts extremely hard and there was little gain by either team through consistent attack.

Score end first period: Princeton 0; Harvard 0.

Harvard Kicks Field Goal.

Princeton kicked off in the third period, Harvard defending the south goal. With a series of rushing plays Harvard carried the ball to the Tigers' twenty-yard line. At this point Coach Rush sent Winn into the game.

His appearance apparently was in violation of the rules and Princeton suffered a fifteen-yard disadvantage when the ball was given to Harvard on the five-yard line. It was explained that Winn tackled Captain Hogg without the referee's sanction. Horween, rushing like a bull, charged twice for a gain of a yard each time.

The Princeton players, with their backs against the goal posts, held Murray a half yard. Harvard's eagerness in holding cost them fifteen yards. Horween, standing on his twenty-six-yard line, kicked a field goal.

Score: Harvard 3; Princeton 0.

After several scrimmages Ames was sent in at quarterback for Princeton, replacing Eddy. Brown replaced Thomas in Princeton's backfield. Harte was replaced by Phinney in the Harvard lineup. Halsey replaced McGraw in Princeton's line.

Flower went in for Horween, bringing into the game fresh kicking ability for the Crimson, together with a threat at end running. He kicked out of bounds at Harvard's ninety-two-yard line. Harris, the Harvard center, was taken out and Wiggins sent in. Score end third period: Harvard, 3; Princeton, 0.

Fourth period: Princeton started the period on Harvard's forty-two-yard line. They were set back at once to mid-field when Snow downed Moore behind his line for an eighty-yard loss.

Brewer replaced Coolidge and neither side was able to seriously menace its opponent's goal and the game ended with the score, Harvard, 3; Princeton, 0. The line-up:

Amateur Athletic Union Bars "Pros"

New York, Nov. 11.—The revised constitution and by-laws of the Amateur Athletic union, which will be voted upon at the annual meeting to be held at the Waldorf-Astoria on November 20, contain a number of minor changes. In most cases only the phraseology of the rules are changed so that they can be more clearly understood. The definition of an amateur as interpreted by the World's Sport conference last December was also incorporated.

The principal change reported by the committee on revision includes one requiring that delegates to the annual meeting of the national body be amateurs. If this rule is adopted it will affect John T. Taylor of Pittsburgh, delegate from the Middle Atlantic association, who is the second vice president of the national body. Taylor is a paid swimming instructor at the University of Pittsburgh. Herman Oberbussing, also a delegate to the national body, will have to retire under the new rules.

Another measure proposed is to expunge the clause permitting registration of women in swimming events.

ESKIMOS OF AMES TRIM MORNINGSIDE

Iowa Aggies Manage to Push Ball Over Once for Touchdown in Game.

WENIG'S BOOTS GO WILD

Ames, Ia., Nov. 11.—(Special Telegram).—The Ames Eskimos, by hard fighting, fierce smashing, some quite valuable end runs, and sledging around successfully on snow ball shoes, contrived to keep their goal line uncrossed and dished out to the Morningside preachers this year's first defeat. The score was: Ames, 7; Morningside, 0.

Morningside never was near a touchdown, and neither was the crippled Ames outfit, until the second quarter. Tucker, star halfback, was shot into the backfield to push the ball over at least once. Tucker did the pushing, enabling Quarterback Aldrich to set it over the Morningside line on an end run for twelve yards of ground, in the third period.

A high wind laden with freezing cold, driving sleet and snow diagonally across the length of the field, drove wild the boots of Wenig. Morningside's fifty yards drop kicker. Wenig tried four of them, all inside forty yards, but they were blown or bottled wild. The lineup:

Mickey Byrne For John

Cleveland, O., Nov. 11.—John Ertle, bantam champion, easily disposed of Mickey Byrne of Cleveland in their scheduled ten-round bout here tonight, being stopped in the ninth to save Byrne from a knockout. Byrne showed a flash of form in the early rounds, but Ertle's punches had the steam and in the sixth he nearly stowed the Cleveland away with a right to the stomach followed by a tattoo of blows to the jaw. After that Byrne was groggy, and although he tried to come back in the seventh by making savage rushes, his blows lacked force and he was badly punished and in a fair way to be knocked out when the referee stopped the bout in the ninth.

By JAMES E. LAWRENCE.

Lincoln, Nov. 11.—(Special).—Nebraska and Kansas, ancient and honored gridiron rivals, will meet here next Saturday afternoon on Nebraska field for the twenty-third annual battle between these two foremost universities of the Missouri valley. With the traditions of a dozen stirring contests to lend its interest to the game, a victory for Nebraska would give the Husker institution its eighth undisputed title to the Missouri Valley conference laurels in as many years.

Home-Coming Day.

Because the Kansas game always held more interest for the old grads, Athletic Manager Guy E. Reed and Head Coach Stewart decided on it as the "home-coming" date, and it is expected the biggest crowd of the season, with the possible exception of the Notre Dame game on Thanksgiving, will be here.

Kansas started the season a weak eleven. Coach Olcott thought his squad needed stiffer work in practice and took on Illinois, with the result that the Jayhawkers were soundly drubbed, the spirit of the men broken and the hospital squad augmented by half a dozen players.

Come Back-Rapidly.

In this shape the Jayhawkers fell before the Ames Aggies and a week later were held to a scoreless tie by the Kansas Aggies. Olcott's pupils have staged a rapid come-back. The Jayhawkers exhibited
