Combing Won't Rid Hair Of Dandruff

"Petition Senator Hitchcock to get through congress a bill demanding that the cold storage houses be emp-tied in this country. Only by a nation-al act can you get relief." he declared. Representative-elect Howard then showed the carpenters petitions that had been submitted to the last legis-lature, in which he sat, signed by rail-road men, requesting that his bill de-manding semi-monthly pay for them be defeated. He declared it his belief that the 7,300 men who signed the papers did so because they did not icel free to refuse. He promised the Barbers' union last night also to introduce a bill re-quiring Sunday closing of shops. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retir-ing; use enough to moisten the scalp and rub it in gently with the linger tips.

and rub is in gently with the finger tips. Do this tonight, and by morning, most, if not all, of your dandruff will be gone, and three or four more ap-plications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, justrous, glossy silky and soft, and look and feel a hundred times better. You can get liquid arron at any drug store. It is inexpensive and never fails to do the work.-Adv. Three Generations

"People who have no concern about how the poorer class lives have no right to criticize the amusements of the poor class." Miss Mary Gray Peck told the Woman's club members Mon-day in defense of the cheap class of movies, "If we attempt to refine the movies according to our cultured standards, the people will again re-sort to physical pleasures and a social calamity will come to pass." Miss Peck, a member of the national com-mittee, was brought to Omaha by the educational committee, to help in a campaign for better films for children. This campaign was recommended by Mrs. E. M. Syfert, the president, in her annual address. Volunteer censorship committees, a made up of public spirited citizens who will look out for the interests of both the public and exhibitor are the only kind of censors Miss Peck would tolerate. Politically appointed censor-ship is arbitrary and un-American, she asserts. Dr. Palmer Findley, Nebraska di-rector for the American Society for the Control of Cancer, spoke.
