

BRINGING UP FATHER

Drawn for The Bee by George McManus

HUSKERS SPEEDING UP THEIR PRACTICE

Dr. Stewart's Protoges Begin to Show Real Class in Their Gridiron Rambles.

OPEN PLAY DEVELOPING

Lincoln, Nov. 15.—(Special).—The first practice under favorable weather conditions this afternoon brought a general speeding up of the Huskers in preparation for the game with the University of Kansas next Saturday afternoon. Dr. Stewart took his eleven through a furious clip for two hours and a half, including fifty minutes of hard scrimmage against the freshmen.

The Husker mentor did not indicate whether he was satisfied with the showing of his pupils. The Huskers displayed more fight than at any time in the last three weeks and again buried the freshmen with a series of touchdowns.

Dobson Injured

More hard luck visited the Husker squad during the short scrimmage last night. Paul Dobson, whose punting has been a material factor in the Nebraska game, was thrown heavily and badly bruised during the scrimmage. Dobson will be in shape for the Saturday game, although not in the top-notch condition expected.

The Husker squad is much put out by the attitude shown by Missouri Valley scribes in charging the Nebraska warriors with chestiness. The members of the team resent the insinuation contained in several press accounts that the 1916 eleven is living on the reputation of the past four seasons and intend to show next Saturday there is no question where the championship of the Missouri Valley conference rightfully belongs.

Develop Open Play

Dr. Stewart continued his drill on open plays and the team is rapidly developing an offense which will be more formidable than any flashed by the Huskers so far this season. Gardner and Captain Corey will probably start the game next Saturday at ends, with Shaw and Cameron at tackles, Moser back at center, Caley, Cook, Dobson and Riddell in the backfield. This combination has produced better results than any so far this season and all of the men are in better condition than before any game.

Kansas to Use Pass

The Jayhawkers are showing a lot of confidence, and from the Lawrence camp comes the news that the Jayhawkers actually expect to defeat the Huskers. Coach Olcott bases his hopes on the splendid showing which the Jayhawkers have made with the forward pass. Olcott always was well satisfied with the defensive play of his team and now that he has developed an offense he feels that it will be a comparatively easy trick to turn.

Kansas is due to arrive in Lincoln early Saturday morning on a special train over the Union Pacific. Olcott may change his plans and bring his squad to Lincoln Friday noon in order to allow his players a chance for a workout here.

Rooters Hold Back

Nebraska rooters are displaying some hesitancy in betting their money—probably due to the fact that the last game in which the Huskers played the Nebraska play was far from satisfactory. Kansas students are demanding odds, but Nebraskans regard it as an even bet and no money will be placed except on this basis. Athletic Manager Reed, just back from a short honeymoon trip, reports the sale of seats is going big. Reed expects a capacity crowd for the Kansas game and the advance sales seem to justify his prediction. The Nebraska manager was married to Miss Florence Angle, of this city, a member of the Kappa Alpha Theta sorority, and one of the most popular girls in the university.

Obituary Notices

C. L. HYDE, early settler of Harrison county, ex-deputy sheriff and ex-clerk of the district court, died at his home at Logan, Ia., Tuesday morning. Mr. Hyde is survived by his widow, three sons and three daughters. CHARLES EDWARD CHENEY, bishop of Chicago synod, Reformed Episcopal church, which he helped to found, and for fifty-six years rector of Christ church, Chicago, died at his home Wednesday in his eighty-first year. REV. A. GILSON died at his home at Overton, Neb., Wednesday morning at 8 o'clock, after a lingering illness of a little over a year. Heart trouble was the cause of death. Mr. Gilson was one of the pioneer ministers of this part of the country. There is left to mourn his wife and three daughters. Funeral will be Friday in charge of the Masonic lodge at Overton, and the Independent Order of Odd Fellows at Sumner. Interment will be at Sumner, Wash.

Sport Calendar Today

Automobile—Vanderbilt Cup race at Santa Monica, Cal. Football—Citadel college against Clemson college at Orangeburg, S. C. Friends university against Southwestern college at Wichita, Kan. Boxing—Battling Levinsky against Carl Morris, fifteen rounds, at Kansas City. Jim Flynn against Joe Mondo, fifteen rounds, at Denver.

Ames Preparing To Entertain 15,000 Foot Ball Rooters

Ames, Ia., Nov. 15.—(Special).—Carpenters were put to work yesterday beneath the concrete stands building wooden sections, which will complete a circle of stands around the football gridiron. The new bleachers will be put around the ends. Director Williams says his ticket office will keep the carpenters 3,000 seats ahead of the sales in the gymnasium office, so that he will have on the morning of the game 3,000 seats for fans who will come in at the last minute without previous reservations.

The weather prophets are the scientists most in demand on this campus noted for its scientists, right now. The gymnasium ticket office has been taking counsel with the weather prognostics since Saturday's frigid storm, in which the Morningside game was played, seeking symptoms of a return to Indian summer. The south wind this morning had a most cheering effect and Director Williams predicted ideal climatic conditions by Saturday. The condition of the roads will determine how close to the 15,000 mark the crowd will approach, for scores of motor parties from all over the state have plans for the game.

Director Kellogg of Iowa U reported to Ames that his batch of 800 seats is going rapidly. Two sporting goods houses in Des Moines have received 440 chairs for the game, and this morning a Fort Dodge alumnus of the state university ordered 100 tickets for a party he will bring. The coaches gave their regular Monday night lecture to the team, after a signal drill out on the frozen arctic field. Scrimmage may not start today on account of the ice. The lineup Ames will send against Iowa is a problem in which convalescence of cripples will have the say in solving. The sick men are coming around, but can they get in form?

Earl Caddock is In Great Demand Among Promoters

Earl Caddock, the Anita (Ia.) lad, who will clash with Yousif Hussane at Dan Reardon's athletic show at the Council Bluffs Auditorium, Thanksgiving eve, is getting to be as popular with wrestling promoters as Joe Stecher was. George Tuche, eastern wrestling and boxing impresario, wants to take Earl east, Joe Levey wants to schedule a bout for the Kansas City fans, Joe Coffey of Chicago wants a winter match, Tom O'Day would see Caddock tackle Santel, alias Ernst, at San Francisco, and Butler, Mont., and New York City promoters have been flirting with Earl of late. If Earl doesn't get plenty of work this winter it will be his own fault. Caddock has arrived in Omaha to get into condition for his tangle with Hussane the night before Thanksgiving. Caddock and the Turk almost met last February, but a hitch occurred in the negotiations and it wasn't until this fall that Reardon was able to get the men together. Caddock will work out at the Young Men's Christian association. Hussane is expected to arrive in Omaha in the course of a week.

Snow Keeps Badgers In

Madison, Wis., Nov. 15.—Snow on the gridiron kept the University of Wisconsin football squad inside for its practice today and the space in the stock pavilion was so limited, the team had no scrimmaging. The squad will leave Thursday night for Minneapolis and have a light workout Friday afternoon on Northrup field.

SPEEDWAY CHIEFS HAVE ORGANIZED

Plan Is to Promote Interest in Auto Racing Throughout Country.

HARKNESS THE PRESIDENT

Chicago, Nov. 15.—Managers of practically every important automobile speedway in the country met in Chicago today and organized the American Speedway's association. The plan is to have automobile racing teams campaign on the circuit each season and to promote public interest in automobile racing throughout the country. The officers elected were: President: Harry R. Harkness of New York; Vice president: James A. Allison of Indianapolis; secretary: T. E. Meyers of Indianapolis.

Board of Governors, Class A, two-mile speedway: James A. Allison of Indiana; Harry R. Harkness of New York; H. R. Lehmann of Cincinnati and D. F. Reid of Chicago. Class B, speedway less than two miles: C. W. Johnson of Uniontown, Pa.; F. A. Perkins of Providence, R. I. and Samuel Orloff of Des Moines, Ia. Executive Committee: T. E. Meyers of Indianapolis; D. F. Reid of Chicago; and Harry R. Harkness of New York.

Cop Tells Leslie Mann How to Walk

Leslie Mann, member of the Boston Braves when they won the world's series in 1914 and now connected with the Chicago Cubs, may be able to cut the bases in the big leagues, but he can't cut the corners in Omaha. Getting out of a street car at Sixteenth and Farnam streets he was almost pinched when he persisted in jaywalking across the corner. Only after he was threatened with arrest would he retrace his steps and walk around the corner as the cop ordered.

Lead Will Play Hot Springs

Lead, S. D., Nov. 15.—(Special).—Lead and Hot Springs high school football teams will meet on the Lead gridiron next Saturday afternoon. Hot Springs defeated Rapid City by a close score a week ago. Lead tied Rapid City, practically, in one of the best games of the season. If Lead wins from Hot Springs on Saturday, it will defend the title in a final battle with Rapid City, which will probably take place about Thanksgiving time.

Scrimmage at Urbana

Urbana, Ill., Nov. 15.—University of Illinois football team had a half-hour scrimmage today and then Coach Zupke let them rest, not wanting to take any chances on the frozen ground. Kraft was back in the game. Prospects indicated a bad field for Saturday.

Special Train to Lincoln for Game With the Jayhawk

A special train will run from Omaha to Lincoln Saturday for the accommodation of Omaha football enthusiasts who wish to attend the annual Nebraska-Kansas game on that day. The special will leave Omaha at 12:15, arriving in Lincoln in ample time for the game and returning to Omaha at 5:30, immediately after the conflict. A big assembly of local fans are expected to go to Lincoln for the event. Home-coming day will be celebrated and all the old grads who can go are eagerly anticipating the event.

A block of 350 seats were turned over to the Omaha alumni by Guy Reed and they have been placed on sale at the Beaton Drug Co. The seat sale has progressed briskly, but there are still a few choice seats left. It is believed a larger delegation from Omaha will attend the Ames combat.

Wesleyan Foot Ball Player Dies of Typhoid

Lincoln, Nov. 15.—Harold Hinman, who died of typhoid fever at a fraternity house in University Place this morning, is the second member of the Nebraska Wesleyan university football team to die of typhoid fever in the last ten days. Owen Steeves, a member of the team, died at his home in Panama, Neb., about ten days ago.

Lead, S. D., Nov. 15.—(Special).—Lead and Hot Springs high school football teams will meet on the Lead gridiron next Saturday afternoon. Hot Springs defeated Rapid City by a close score a week ago. Lead tied Rapid City, practically, in one of the best games of the season. If Lead wins from Hot Springs on Saturday, it will defend the title in a final battle with Rapid City, which will probably take place about Thanksgiving time.

Foley, Old Time Ball Player, Dies

Chicago, Nov. 15.—William B. Foley, aged 61 years, a player in the early days of base ball, was found dead tonight in the loft of his brother's barn here. A fox terrier was standing guard over the body. Foley is believed to have died Sunday night of Monday morning. Foley is said to have begun his career as a base ball player in 1870, joining local organizations. Later he was connected with the Cincinnati "Reds," playing third base until 1879. He next played with the Milwaukee club, then in the National league, and his final service was with the Omaha club.

Low Scores Tighten The Foot Ball Race

New York, Nov. 15.—Low scores in the foot ball games of last week caused a tightening in the race for both team and individual point honors among the leading elevens of the east and adjacent sections. Two southern teams, Georgia Technical with 366 and Vanderbilt with 308, still head the list as premier scoring machines, with Pennsylvania State, Syracuse and Michigan closely grouped for trailing honors. Brown, Georgetown, Pittsburgh and Notre Dame are not far in the rear. Oliphant of the Army and Maulbetsch of Michigan are the leaders in the struggle for individual honors, the West Point player having ninety-six points to his credit and the Wolverine ninety-five.

Urbana, Ill., Nov. 15.—University of Illinois football team had a half-hour scrimmage today and then Coach Zupke let them rest, not wanting to take any chances on the frozen ground. Kraft was back in the game. Prospects indicated a bad field for Saturday.

Four Demands of Base Ball Players' Fraternity Denied

New Orleans, La., Nov. 15.—Four demands of the base ball players' fraternity involving relations of players and clubs were in effect rejected today by the National Association of Professional Base Ball Leagues, when the delegates in convention voted unanimously to lay them on the table. The demands include elimination of contract clauses empowering clubs to suspend without pay after certain disability periods players injured in club service; amendment of the national board's rule to permit unconditionally released players to sign immediately; allowing traveling expenses to spring training camps to minor leaguers when reported from home, and revisions of the board's procedure in hearing players' claims.

Bellevue Plans for Annual Battle With The Doane Warriors

The game with Doane on November 24 is the one absorbing activity at Bellevue college this week. "On to Doane!" cry the rotters. "On to Doane!" cry the alumni. Coach Benjamin and the foot ball team are doing their best to respond and are putting in every minute to prepare for the big contest of the year. When Wesleyan, Hastings, Bellevue and Doane were th "big four" in Nebraska athletics, the Bellevue-Doane game was the classic of Nebraska football. In recent years with the growth of the state university this game has lessened in importance, but the fact that it still is one of the big games of the season is attested by the howl that arose from Bellevue and the Doane alumni three years ago when

the game for that season was cancelled. Bellevue has not defeated Doane since the historic game in the fall of 1911, when Guy Moose drop-kicked Bellevue to victory from the thirty-eight-yard line and Bellevue won, 3 to 0. Last year Bellevue held Doane to two touchdowns when the dope had Bellevue down for a 30 to 0 defeat. This year Bellevue on its record has evidently the best chance for some time to win a victory over its ancient rivals.

Two Players Injured At Lawrence Practice

Lawrence, Kan., Nov. 15.—Earl Shinn, right end, and Henry Palkowsky, substitute tackle of the University of Kansas football team, were injured in scrimmage today. Shinn strained a tendon in his ankle, but may recover in time for Saturday's game with Nebraska. Palkowsky dislocated his knee and will be out of the game the remainder of the season.
